

UP-TO-DATE STATIONERY

This season's tints and shapes are out and have reached us. Our line is now complete and if you want dainty, stylish papers we can supply them. The tendency is to run to delicate tints this season, but we've plenty of plain creams and whites for those who prefer them. Also high grade papers in bulk—a desirable way to buy them because you can get as little or as much as you want, or an assortment of styles if you like.
