Whereas, the petition of Peter Franklin, a freeholder of school district No. 30 in this county, with the approval of the county superintendent endorsed thereon, representing that he is the owner of the lands herein after described, which are situated in said school district, and that said lands adjoin school district No. 13, and asking that his said lands may be set off from said district No. 30 to said district No. 13 for the following reasons: That petitioner has two children of school age, and that the school house in petitioner's present district is about two and one-half miles distant from petitioner's home on the herein after described lands, while the school building in district No. 13 is less than one mile distant from petitioner's home; that it is a hardship for petitioner's children to attend school in their present district, was presented to the board of county commissioners of this county, at a session of said board held on the 16th day of March, A. D. 1906, for the action of said board thereon; and

Whereas, it was ordered by said board that a hearing should be had on said petition at a session of said board commencing on the 9th day of July, A. D. 1906, at the county auditor's office in the village of Princeton, in said county; and

Whereas, it was further ordered in and by said order that notice of the time and place of such hearing be given by posting a notice of said hearing in one public place in each of the school districts to be affected by said petition, and by serving upon the clerk of each of said school districts, personally, a copy of said notice, at least ten days before the time appointed for such hearing; and

Whereas, at the said session of said board of county commissioners, commencing on said 9th day of July, A. D. 1906, due proof of the posting and service of said notice of hearing as therein directed and required, more than ten days prior to said last named date, having been made and filed, said petition was publicly read and considered by the board, with everything which was said by said interested parties for or against granting the prayer of the petitioner, and said board being of opinion that the prayer of the petitioner should be granted.

It is hereby ordered and determined, that the following described lands owned by him, to-wit: The west half (W¹/₂) of the southwest quarter (SW¹/₄) of section thirty (30), township thirty-eight (38), range twenty-six (26), be and the same are hereby set off from said school district No. 30 to said school district No. 13, and said lands are hereby made a part of said last named school district for all purposes whatever.
