**White Africans.**

The Berbers, who, although African,  
 are as white as Europeans, are the  
 oldest white race on record, says an  
 explorer. They are supposed to have  
 come from the south of Europe in an-  
 cient days, the Dundee Advertiser  
 says, and, although their language and  
 customs are entirely different from  
 ours and their religion Mohammedan,  
 they are probably closely akin by de-  
 scent. Blue eyes and fair hair are  
 not at all uncommon among the Ber-  
 bers, and many of them have rosy  
 cheeks and features so like our own  
 that were they dressed in British fash-  
 ion they would easily pass as natives  
 of the British isles.

**Equality.**

 (11) day of November, 1907, at 10  
 o'clock in the forenoon, at the office  
 of the county auditor in the court

 shall have been offered for sale. A  
 list of said real property is now on  
 file in the office of the county auditor  
 and state auditor.

Dated, Princeton, Minn., October
