

Our Fountain Season Has Begun

We are now serving all the beverages that have made our fountain popular in past seasons as well as some new ones. New drinks will be added throughout the season whenever worthy ones are found. Beverages must come up to a high standard to find a place at our fountain. They must be pure, refreshing and harmless as well as delicious to the taste. Ours is always a desirable place to quench thirst because you know you will get healthful drinks daintily served.

Open Sundays from 9 a. m. to 1 p. m.
