**TWENTY-FIVE YEARS AGO**

N. E. Jesner has bought out the mercantile business of Jesner Bros. at Bridgman and will remove the salable goods to Princeton.

Judson M. Goss of Anoka and Lottie Goulding of this place were united in marriage by Rev. Kidd at the residence of the bride's parents yesterday morning.

The fall term of the village graded school commences Monday with Professor Ewing, principal, and L. S. Briggs, Miss Mamie Huse and Miss Carrie Scoville, assistants.

Bears are again numerous in this vicinity. The fires in the timber consumed the nuts, etc., on which bears feed and they are obliged to seek food in the open country.

Judge Keith has moved into his new office on First street and is very comfortably situated. The judge is having all the business he can attend to in the matter of loaning money and insuring property; besides, he dabbles considerably in real estate.

M. A. Brantsfield, one of the fence-building crew on the railroad, was arrested on a grave charge last Thursday and arraigned before Justice Dorr on Friday afternoon. An adjournment was taken until Saturday morning, when, the complaining witness refusing to appear, on motion of the county attorney, the defendant was discharged.

A big black bear and two cubs were treed near W. B. Carter's residence in Greenbush on Saturday evening. A regiment of men and boys surrounded the tree in which Mrs. Bruin and her cubs had taken refuge. Oliver McCarriel closed his eyes and blazed away at the old lady, then wheeled and ran. Oliver picked up courage and retraced his footsteps slowly when the boy yelled to him that there was no danger as his shot had killed the bear. The two cubs were fairly spiked to the tree with twenty-penny nails shot out of young cannon by Charley and Will Slater and Will Carter. It is a burning shame that poor old Mrs. Bruin and her two fatherless cubs should have been slaughtered in such a ruthless manner by such arrant cowards.

The baseball game between the fats and leans came off on Saturday afternoon and was witnessed by a big crowd of both sexes. It was hard work to get up the nines, and some of the fats were not very fat nor some of the leans as thin as fence rails. Tom Caley umpired the first two innings when Steve Palmer, the leans' pitcher, knocked the wind out of him with a curved ball. Only five innings were played, and the score stood 26 to 25 in favor of the fats. Hank Newbert did some excellent work at the bat for the fats, so did Mart Leach. Byron Van Alstein, the infantile 250-pounder, retired numerous leans at first base. Mose Tibbetts pitched for the fats while Otto Boyn stood behind the bat. It was laughable to see Bill Martin run bases, but he got there all the same, and it was better than a circus to watch the curved legs of Hank Newbert as he made a home run. The leans had some active players among them, but not having any bushel baskets handy they did not manage to stop many balls. So far as genuine fun is concerned the game on Saturday was the best ever played in Princeton. However, Tom Caley swears he will not undertake to umpire another game for such a gang unless he is fitted out as Doc Ames was in Minneapolis—with a couple of hair mattresses for a belly plate.

**WHAT'S THE REASON?**

Many Princeton People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood and that is the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no better remedy than Doan's Kidney Pills. Below is grateful testimony from a sufferer in this locality.

Mrs. A. V. Axtell, Foley, Minn., says: "Our experience with Doan's Kidney Pills has been very satisfactory. We procured this remedy and it acted promptly and effectively in removing lumbago and lameness through the loins. We feel that we cannot recommend Doan's Kidney Pills too highly."

For sale by all dealers or upon receipt of price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**The Last Straw.**

The young man took the only straw remaining in the tall glass the soda counter man pushed toward him.

"It's the last straw," he chuckled. "Yes," said the practical proprietor. "I've got a rush order in for a new supply, but I guess maybe if it's used carefully that one will last until the fresh lot comes."

And then the young man put the straw right back in the tall glass again.—Cleveland Plain Dealer.

**AUTOLOADING SHOTGUN**

For singles—trap or field—just toss in a shell, press the button and—"PULL." The side bolt makes it easy. You don't have to tug at the barrel or watch an on-and-off device. The action stays open after each single shot is fired.—It always stays open when the magazine is empty. Five shots—three to get the cripples—each under absolute control of the trigger finger. The recoil reloads for you—kicks another shell in; takes the strain off the gun—the discomfort out of the kick—all without diminishing the drive behind the shot.

Simple take-down—a few turns of the readily handled magazine screw-cap makes cleaning, carrying and interchange of barrels quick and easy.

Send for a motion picture booklet telling how the kick is used—how a friction device found only on the Remington-UMC Autoloading Shotgun takes the punishment out of heavy loads.

Write to-day.
