Owing to the fear of dampness the lawn sociable at Mrs. O. R. Barker's was transferred to the spacious dining room of the hotel. The social was a success in every respect except that the quantity of excellent ice cream was not equal to the demands made upon it. Another can could easily have been disposed of. Financially, about \$25 was realized.

Mayor Mallette of Bridgman was in town yesterday getting ready his bond as postmaster of that place. The Anoka club went to Minneapolis Thursday and defeated the best amateur club in that city 6 to 3, and not a paper of that city had enterprise to report the game.—Anoka Herald.

Why, bless your soul, Eastman, you are too good a newspaper man to suppose for a moment that a report of a game between two scrub nines of the scrubbiest kind would prove interesting to a single reader of a city paper. Why, even the St. Paul Dispatch would not be guilty of reporting such a game as that.

Last Thursday afternoon the Elk River ball club played a nice game with the Princeton nine at this place. The score stood 7 to 9 in favor of Princeton. It was a pleasant game. Mr. Elliott King of Elk River umpired and none of his decisions were questioned by either nine. The Elk River nine is composed of gentlemen. There is not a single loud-mouthed individual nor a kicker among them. A goodly number of Elk River people accompanied the club and were interested spectators of the game. The return game will be played at Elk River this afternoon.

**CRYING FOR HELP**

Lots of It Princeton, But Dailey Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; not one more important to health. The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the frequent indications of kidney trouble. It is often the kidneys' cry for help. Heed it. Read what Doan's Kidney Pills have done for overworked kidneys. Proof of merit in the following statement:

Mrs. A. Thorpe, Elk River P. O., Otsego, Minn., says: "I have known of Doan's Kidney Pills for years. They have relieved me of sharp, shooting pains through my back and in my hips. There is nothing too good for me to say about Doan's Kidney Pills."

For sale by all dealers or upon receipt of price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. Adv.
