

URGES BOERS TO ASSIST

General Botha Says Policy of Neutrality is Nonsense.

London, Sept. 30.—A dispatch to the Reuter Telegram company from Cape Town says that in the course of a speech addressed to 5,000 people at the town of Bank, in the Transvaal, General Louis Botha, premier of South Africa, emphasized the necessity of loyalty to the British empire.

Declaring that the policy of neutrality was absolutely nonsense he hinted that if a German warship came to Durban and imposed a levy of £5,000,000 on them it would help the people very little to say that they were neutral.

General Botha said he was animated through a sincere love of his people and wished to put the position clearly before them. There were only two courses open to them; first, loyalty and help, and, second, disloyalty and treason. There was no middle course.

TRAINS COLLIDE IN SUBWAY

Large Number Injured in Accident at New York.

New York, Sept. 30.—One of the most serious accidents in the history of the New York subway, which has been remarkably free from serious mishaps, occurred when two trains collided underneath One Hundred and Forty-second street.

Three men were probably fatally injured. The trains took fire and in fighting the flames twenty firemen were overcome by the dense smoke, which choked the tunnel. One hundred passengers on a train following those which collided were thrown into a panic and fought the guards until the doors were opened. They then walked seven blocks back through the smoke.

The trains which collided were a work train and two passenger cars carrying papers only. The cause of the accident has not been determined.

GRAIN ELEVATOR IS BURNED

250,000 Bushels of Wheat is Destroyed in Blaze.

Chicago, Sept. 30.—A quarter of a million bushels of wheat was destroyed by fire here when a five-story elevator belonging to the Cragin Elevator company was burned. The loss was placed at \$350,000. Frank J. Delaney of Minneapolis is president of the company.

AUTO CRASH PROVES FATAL

Three Die From Injuries at Portland, Ore.

Portland, Ore., Sept. 30.—Three occupants of an automobile which collided with a street car here died several hours later as a result of their injuries. The dead are W. E. Hendricks, W. H. Thurston and Allen Cook.

TWENTY-FIVE YEARS AGO

A low estimate of the damage by fire in the country north of Princeton, Monday, would be \$10,000.

We regret to learn that Hans P. Lund's shingle mill at Bridgman was wiped out by fire Tuesday night.

Miss Belle Goulding, one of Princeton's fairest daughters, is a guest of Mr. and Mrs. John Goss.—Anoka Herald.

The mail facilities between Princeton and Bridgman are damnable. There is no earthly excuse for such negligence.

George Warren and Ed Page were in town yesterday for the purpose of signing the articles of incorporation of the Rum River Improvement Co., which are published in this issue.

Rev. J. S. Bouck and family have moved into their new residence on Washington avenue, and will make Princeton their home in the future. The Union bids them a hearty welcome.

The Isanti County Press says the county fair held in that county annually has always been better patronized by the people in the western and southern portion of the county than by those in other parts.

Bob Dunn will tell us all about the balance of the game if we have failed to report anything.—Anoka Union.

It wasn't much of a game, anyhow. We did not consider it worth reporting in the columns of the Union.

The substitute editor of the Anoka Herald, who is running the machine during Alvah's absence in Maine, copies an item from an ill-informed Wadena paper into last week's Herald, and heads it, "No Wonder the Boss is Bald."

Mr. W. A. Greenwald, a prominent young business man of Anoka, and Miss Gertrude Gow of the same place, were married in St. Paul on the 25th ult. Mr. Greenwald is the junior member of the firm of H. L. Ticknor & Co., and, as one of the Anoka papers truly says, he numbers his friends by the thousand. Mr. and Mrs. Greenwald have the best wishes of the Union.

Last Friday afternoon Mrs. E. G. Mills and Miss Sarah Chadbourne were united in marriage at the residence of the bride's parents in Baldwin by Rev. Charles Thwing, of the Plymouth Congregational church, Minneapolis. The wedding was strictly in private. The same evening Mr. and Mrs. Mills left for their future home in St. Cloud, accompanied by the best wishes of a host of friends.

Our Anoka friends seem to derive a great deal of comfort and consolation over the scratch victory of their base ball team at the St. Cloud fair. It's all right, boys, we don't begrudge you your hard-earned laurels, but a parcel of old women, armed with broomsticks, could play a better game than either Anoka or Princeton played at St. Cloud. Anyhow, Princeton is still one game ahead, having won three out of the series of five games played this summer.

A New Machine.

Will hereby announce to the public that I have installed in my shop an Oxy-acetylene welding plant and am now prepared to weld cast iron, aluminum, steel or anything that cannot commonly be welded with forge and anvil. I have had this plant only a short time but am meeting with very good success and many jobs have already been turned out and proven satisfactory. I think such a plant has long been needed in this village and therefore cordially invite the public's attention to it. N. M. Nelson, Princeton, Minn. 35-tfc

Services at Zimmerman Sunday at 10:30 a. m.
Ladies' Aid society will meet with Mrs. Victor Ossel at 2:30 p. m. today.
Mathias Peterson, D. D., Pastor.

DOES BACKACHE WORRY YOU?

Some Princeton People Have Learned How to Get Relief.

How many people suffer from an aching back? How few know the cause? If it hurts to stoop or lift—if you suffer sudden, darting pains—if you are weak, lame and tired, suspect your kidneys. Watch for nature's signal. The first sign may be headache or dizziness, scanty, painful, or too frequent urination, nervousness or a constant, dead-tired feeling. Avert the serious kidney diseases, treat the weakened kidneys with Doan's Kidney Pills. A remedy especially for sick kidneys. Endorsed in Princeton by your friends and neighbors.

Mrs. W. Morrison, Princeton, Minn., says: "Doan's Kidney Pills have been used in our family for backache and other kidney complaint and we have had the best of relief. I have known of Doan's Kidney Pills for a long time and I am only too pleased to recommend them."

For sale by all dealers or upon receipt of price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. Adv.

Orchard and Garden Notes.

Clean up the garden. Burn all weeds, vines, etc.

Apples will keep better wrapped in paper and stored in a cool cellar.

Put a little sand over carrots, beets or other roots to prevent drying out.

A bouquet of the straw or everlasting flowers, cut before frost, will last well into the winter.

Where only a few cabbages are to be stored it is a good plan to wrap the heads in newspapers and put them on shelves in a cool cellar.

Pumpkins and squash should be stored in a cool, dry place. If stored in a hot place, they will lose weight quickly. Keep them from frost.

Take up a few plants of parsley and set in pots or boxes in the kitchen window or a light basement window. They do not need much light or care and furnish an abundance of material for winter garnishing.

Now is a good time to organize a community study club. Some of the meetings might well be devoted to a study of garden flowers, shrubs and vegetables. "Better Home Surroundings" is a topic that should be of interest to all.

As soon as the cannas, dahlias, gladioli, etc., have been killed by the frost, dig and store the bulbs in a frost-proof place that is neither too dry nor too moist. The bulbs must not shrivel or start into growth. It is often a good plan to cover them with dry sand or earth.

Celery may be lifted, the outer leaves taken off, and the plants set in soil or sand in a cool cellar. The plants will continue to grow and form white tender stalks for winter use. When watering, do not wet the foliage, as this will cause decay.—Leo Cady, Associate Horticulturist, University Farm, St. Paul, Minn.

Farmers, Attention.

Wanted, hogs and cattle at L. C. Hummel's meat market, Princeton. Highest market prices paid. 13-tfc

Farmers and others contemplating purchasing fly nets would do well to get our prices. From now on we will make a special discount on nets and we are in a position to save you money. Hoffman & Haas. 34-tfc

WANT COLUMN

Notices under this head will be inserted at one cent per word. No advertisement will be published in this column for less than 15 cts.

MISCELLANEOUS.

CHANGE OF LOCATION—I am now located in my new warehouse, east of Tilley's barn, with a full line of flour and feed. I will buy corn, oats, barley and off-grade wheat. Henschel's Feed Store. 22-tfc

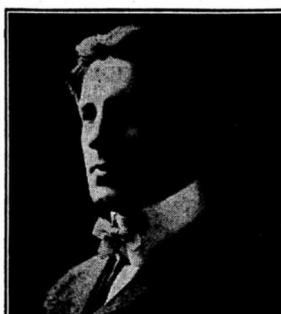

When the Long "S" Was Abolished. In the latter part of February, 1800, a London publisher instituted a trifling though welcome improvement in printing. His name was Bell, later the founder of the well known Weekly Messenger, and at the date mentioned he caused to be submitted the short for the long "s" in the setting of certain works he produced. His example was generally followed a year or two later.—St. James' Gazette.

Coins For Lepers.

The Philippine government has minted a special coinage for use in the Cullion leper colony. The coins are of aluminum and include pieces of 1 peso and 20, 10, 5, 1½ centavos. They are accepted at face value for all business carried on within the colony, but are of no value elsewhere.

Where They Agree.

"Jinks and his wife never agree about anything."
"I beg your pardon. They agree on the point that each married a fool."—Baltimore American.

Dr. R. R. Frazier
Specialist

Princeton, Tuesday, Oct. 6
Riverside Hotel

DR. FRAZIER relieves all eyestrain that causes cataract, blindness, red sore and inflamed eyes, headaches, dizziness, black and floating spots, nervousness, etc., without drugs or pain. Unexcelled by Ocular or Medical Science. All cases thoroughly examined under Frazier's Skiascopy, revealing the slightest errors of refraction as well as any diseased or abnormal condition of the eyes. (Glasses made that WILL FIT.) New lenses put in old frames if desired. Replaces lenses from prescription or from pieces sent by mail. A complete record kept of every case and a guarantee and prescription number given with every pair of glasses fitted. Artificial Eyes.

Special attention to relief of nervous troubles which come from irritation of the vital nerve and brain centers caused from uncorrected eyestrain and the wearing of properly fitted glasses will relieve these conditions.
