A Perfect Program.

This story has the merit of being true, anyhow: The official pessimist of a small western city, a gentleman who had wrestled with chronic dyspepsia for years, stood in front of the post office as the noon whistle sounded.

"Twelve o'clock, eh?" he said, half to himself and half to an acquaintance. "Well, I'm going home to dinner. If dinner ain't ready I'm going to raise hell; and if it is ready I ain't going to eat a bite."—Saturday Evening Post.

Get a bottle of Sloan's. 25c and 50c. \$1 bottle holds six times as much as 25c size. adv.
