## TWENTY-FIVE YEARS AGO.

Greenbush Correspondence: C. O. Moore and family moved to Princeton yesterday. Charley and his estimable wife will be very much missed in our gatherings.  
The mild balmy weather for several days past, has caused a falling off in the trade line of heavy goods. A cold snap is needed in this country to make business boom.  
Robt. H. Steeves and Mrs. Jennie E. Cater were married on Tuesday evening, Nov. 25. The ceremony was performed at the M. E. parsonage by Rev. J. S. Bouck.  
Mr. Harry Head is getting himself settled in his new store on depot street. It is one of the neatest store buildings in town, and adds very materially to that part of the village.  
For a general display of goods in front of their respective stores, Princeton merchants are getting away to the front this fall. Main street has a very attractive appearance now-a-days.  
Among the lumbering firms going up Rum river from Princeton are the following: Moorehouse & Sons, Keith & McClellan, Moses Tibbits, Woodcock & Campbell and Charles Judkins, with others yet to hear from.  
C. H. Chadbourne reports he has just finished a trade disposing of eight registered Jerseys and 13 crossbred Holstein and Shorthorn heifers to a man in Lake City. Also a crossbred bull and a horse to Sam Orton, and a mare colt to N. A. Grow, this week. There will be some better dairy stock in a few years.  
Wm. Higgins, the man who was so terribly injured at Ground House a few weeks ago, came down from Milaca and spent Saturday in Princeton. Mr. Higgins is able to get around with the aid of a couple of canes. His friends are all pleased to see him partly on his "pins" once more and hope for his speedy and complete recovery.  
Sportsmen and their dogs must settle down now, and wait until next fall, before they can legitimately kill game. This part of the state is an exceptionally good location for game of all kinds indigenous to the northwest and if properly looked after by the local authorities, and the game laws are enforced, it will remain so for many years to come.

**Rewarded.**  
Actor—I have been in your company ten years. Is it not time that you do something extra for me? Manager—Yes. From now on you shall play all the parts in which there is eating.—Flegende Blaetter.

**Coughs that are Stopped!**  
Careful people see that they are stopped. Dr. King's New Discovery is a remedy of tried merit. It has held its own on the market for 46 years. Youth and old age testify to its soothing and healing qualities. Pneumonia and lung troubles are often caused by delay of treatment. Dr. King's New Discovery stops those hacking coughs and relieves lagrippe tendencies. Money back if it fails. 50c and \$1. Adv.

**Rheumatism and Allied Pains—They Must Go!**  
The congestion of the blood in its flow causes pain. Sloan's Liniment penetrates to the congestion and starts the blood to flow freely. The body's warmth is renewed; the pain is gone. The "man or woman who has rheumatism, neuralgia or other pain and falls to keep Sloan's Liniment in their home is like a drowning man refusing a rope." Why suffer. Get a bottle of Sloan's. 25c and 50c. \$1 bottle holds six times as much as 25c size. Adv.

**ARE YOU RHEUMATIC?**  
Many Pangs That Pass for Rheumatism Are Really Due to Weak Kidneys

Is it rheumatism? Not every pain is. Weak kidneys let uric acid collect. Uric acid causes many queer pains. In the thighs its sciatica; In the back, lumbago; In the nerves, neuritis. Gout, gravel, dropsy, are uric troubles.

When you suspect the kidneys, use Doan's Kidney Pills—The home-recommended remedy. Princeton testimony is the best proof.

Read this Princeton man's story: W. R. Bigelow, Princeton, says: "I had a bad case of rheumatic pain and kidney trouble. It hurt me to bend and when I got down in a chair, I could hardly get up. The trouble kept me from work and several times when I caught cold, the attacks were worse. I was told to try Doan's Kidney Pills and I did. I soon got relief and a little later, I was cured."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bigelow had. Foster-Milburn Co., Props., Buffalo, N. Y.

**A Creature From the Fire.**  
Aristotle believed that some creatures were capable of supporting life even though confined to the devouring element. He says: "In Cyprus, when the manufacturers of chalcitis (lime) burn it many days in the fire, a winged creature something larger than a great fly is seen emerging from the stone and leaping and walking about in the fire. These creatures perish immediately upon being removed from the furnace."
