Prince Albert fits your taste!

Meets the fondest wishes of any man who likes to smoke because it has the *right flavor* and aroma and coolness. It's the most cheer- ful tobacco you ever did pack in a jimmy pipe or roll into a ciga- rette. And it's so good you just feel you never can get enough. The pat- ented process fixes that—and *cuts out bite and parch!*

When you fire up your first smoke you'll decide that you never did taste tobacco that hits your fancy like

PRINCE ALBERT
the national joy smoke

For it exceeds in goodness and satisfaction the kindest word we ever printed about it!

Men, we tell you this tobacco will be a revelation to you. So, take this information at 100%, get out the old jimmy pipe from its hiding place or locate the makin's papers —and fall-to!

Your wishes will be gratified at the nearest store that sells tobacco, for Prince Albert is in universal demand. It can be bought all over the states and all over the world! Tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and—that fine pound crystal-glass humidur with sponge-moistener top that keeps the tobacco in such excellent trim.
