THURSDAY and FRIDAY JANUARY 18 and 19 ARE DE LAVAL SERVICE DAYS AT OUR STORE

For the benefit of all users of De Laval Cream Separators we have established a De Laval Service Day.

On this date we shall be glad to have any De Laval user bring his separator to our store for a complete and careful inspection and adjustment, which will be made free of charge. Should any parts, due to unusual wear or accident, need to be replaced, this will be done, the only charge being for the price of the new parts used.

A De Laval Service man will be with us to assist with this work. Bring in your Separator and receive the benefit of his advice on the care and operation of your machine, as well as the free service. It is our wish, and that of the De Laval Company, that every user of a De Laval Separator get the maximum of efficiency at the minimum of cost.

No expert is required to keep a De Laval in repair. A little care with the use of De Laval Separator Oil will keep it running satisfactorily for years if adjustments are made when needed.
