

Northwestern Hospital and Sanitarium

ESTABLISHED 1900

A private institution which combines all the advantages of a perfectly equipped hospital with the quiet and comfort of a refined and elegant home. Modern in every respect. No insane, contagious or other objectionable cases received. New, quiet maternity rooms. Rates are as low as the most efficient treatment and the best trained nursing will permit.

H. C. COONEY, M. D., Medical Director

FRANCES S. COONEY, Superintendent

MISS IRENE JORDAN, Registered Nurse, Supt. of Nurses.

What Kind of Feathers

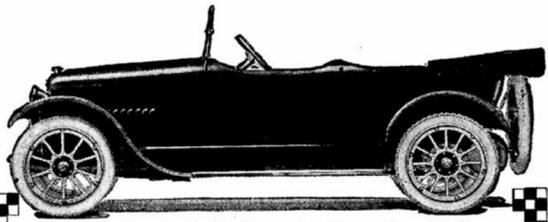

Your new home is not simply a this year's nest to be lived in a short while and abandoned. You are building for life. It is important, then, that in choosing its interior finish you buy material of quality and character. The Curtis trademark on woodwork is a guarantee of quality—it is stamped only when the material has passed rigid inspection.

Come in and let us show you the Curtis designs from our big Curtis Catalog.

A Millionaire's Value at a Popular Price

No photograph of the Elgin Six can do it justice. You must see the actual car—and ride in it—to know how beautiful and comfortable it is, how steadily and easily it rides.

\$985 Elgin Six \$985
5-Passenger Touring "The Car of the Hour" 4-Passenger Roadster

Its beautiful yacht line design sets the Elgin Six aside from the monotonous designs of common cars and gives it distinction on country roads or city streets.

No other car selling for less than \$1250 has the "V"-type radiator and fashionable European center cow.

Every detail, from the beautiful 35 H. P. six-cylinder valve-in-head motor to the least important part, will meet squarely and satisfactorily every demand you make upon it.

CHURCH NOTES.

St. Edwards.
Services at St. Edwards church, Princeton, every Sunday during the summer months, as follows: On the first and third Sunday of the month, high mass at 8:30. At St. Frances de Chantal church, Greenbush, at 10:30. On the second, fourth and fifth Sunday of the month, high mass at 10:30 at Princeton. At Greenbush at 8:30. Appropriate sermons on the Gospel of the day at each mass. In the evening at 7:30 at Princeton, vesper service, sermon and benediction of the blessed sacrament. Every Saturday afternoon at 2 o'clock, instruction of children in Christian doctrine. Young people approach holy communion on every second Sunday of the month, and the married people on the fourth Sunday.

Congregational-Methodist.

Union services will be continued next Sunday in the Congregational building. In the morning the pastor will proceed with the study of the Book of Acts, the special topic being "The Trial of Peter and John Before the Jewish Supreme Court." At this trial he who on a previous occasion had denied his Master three times now stands a brave stalwart servant of the Christ, and fearlessly declares his intention of preaching the gospel, no matter what it shall cost him.

At the evening service Dr. Peatfield will speak on what at first appears to be a biblical contradiction, but which is no such thing, "Bear Ye One Another's Burdens," and "For Every Man Shall Bear His Own Burden." The order of services for the day is as follows:

10:30 a. m.—"Peter and John Before the Sanhedrin."

12:00 noon—The Bible schools will meet as usual.

8:00 p. m.—Evening service, subject as above.

Everybody is earnestly invited to attend. Ernest H. Peatfield, D. D., Acting Pastor.

Episcopal.

Divine service will be held in the Congregational church on the fourth Sunday of each month at 8:30 p. m. Rev. T. J. E. Wilson, Hinckley.

Christian Science.

The regular Christian Science lesson sermon will be read at the Armory at 10:45 o'clock every Sunday morning.

Sunday school immediately following.

Cordial invitation extended.

TWENTY-FIVE YEARS AGO

Both hotels are crowded nowadays, evincing beyond a doubt the prosperity of our village.

The aurora displays the past week have been remarkable for their brilliancy.

C. P. Conger of Milaca made the Union a short visit last Friday. Mr. Conger has great faith in the future of Milaca.

The editor has devoted a good deal of his time and considerable space in the Union to assisting his political friends lately, and he has no ax to grind either.

Hon. E. E. Price of Foreston made the county seat a visit Monday. Ed. is not taking much interest in politics this year, but he declares he will record his vote for the Grover Cleveland electors.

T. H. Caley has a hay-stacking arrangement that he is using out on his 200-acre tame grass meadow that is cheap in construction, but hard to beat as a time and labor saving machine. Go and see it at work.

Miss Hattie May Neely is visiting with her relatives in St. Paul, Miss Stella Rines has just returned from a visit to relatives and friends in Anoka and Elk River, and Miss Alice Bouck has gone on a visit to Royalton. Our young folks are enjoying their vacation in a proper way to be ready for work when at school next year.

A leading Isanti county member of the Peoples' party remarked to the writer one day last week: "We are going to have an Alliance Institute in Princeton next month. Will you advertise it for us in the Union?" We felt insulted and responded by asking him if he ever heard or knew of any man or party being denied a hearing in the Union? He truthfully answered no.

There, it is just as we expected. Our boss, the fellow who writes an ineligious scrawl, came home from the slaughter of Blaine vowing that he would not attend another convention this year. Since then he has participated in half a dozen county conventions and is now off in Duluth helping to name a congressman; next week he will be in St. Paul shouting for Nelson, and then in all probability he will want to take in the democratic powwow the week after. Yes, our boss will abstain from politics some other year.

WHY WOMEN SUFFER

Many Princeton Women Are Learning the Cause.

Women often suffer, not knowing the cause.

Backache, headache, dizziness, nervousness.

Irregular urinary passages, weakness, languor—

Each a torture of itself.

Together hint at weakened kidneys. Strike at the root—get at the cause.

Quickly help the kidneys if they need it.

No other remedy more highly endorsed than Doan's Kidney Pills.

Here's convincing testimony from this locality.

Mrs. R. H. Reed, St. Cloud, Minn., says: "I suffered from a severe pain in my back and through my hips. My back was lame and weak and it hurt me to do any hard work or bend over. When I tried to stoop, it would be like tearing me in two. I had dizzy headaches and my sight was poor. The trouble made me very sick and nervous. Doan's Kidney Pills gave me relief. They drove the pains away and made me able to do my work."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Reed had. Foster-Milburn Co., Props., Buffalo, N. Y. Adv.

Had Been Trespassing.

A young woman met her husband as he returned from the office and showed unmistakable signs of weeping.

"What's the matter, Ellen?" asked the husband.

"O John," she said, "I dropped my diamond ring off my finger, and I can't find it anywhere."

Don't worry, Ellen; it's safe, I found it this morning in my trouser's pocket."

Descriptive Ornithology.

A schoolboy writing a description of hens said:

"Hens is curious animals; they don't have no nose, nor no teeth,

nor no ears. They swallow their wittels whole and chew it up with their crops in their chests. The outside of hens is generally put into pillows or made into feather dusters."

An Embarrassing Mistake.

A very young wife in a strange hotel, was trying to find her husband. Thinking he was taking a bath she knocked on the door of the bathroom and said.

"Honey, are you there?"

And a strangely masculine voice replied severely:

"Madam, this is not a bee hive; it's a bath room."—National Monthly.
