

Northwestern Hospital and Sanitarium

ESTABLISHED 1900

A private institution which combines all the advantages of a perfectly equipped hospital with the quiet and comfort of a refined and elegant home. Modern in every respect. No insane, contagious or other objectionable cases received. New, quiet maternity rooms. Rates are as low as the most efficient treatment and the best trained nursing will permit.

H. C. COONEY, M. D., Medical Director

FRANCES S. COONEY, Superintendent

MISS IRENE JORDAN, Registered Nurse, Supt. of Nurses.

What Kind of Feathers

Your new home is not simply a this year's nest to be lived in a short while and abandoned. You are building for life. It is important, then, that in choosing its interior finish you buy material of quality and character. The Curtis trademark on woodwork is a guarantee of quality—it is stamped only when the material has passed rigid inspection.

Come in and let us show you the Curtis designs from our big Curtis Catalog.

A Millionaire's Value at a Popular Price

No photograph of the Elgin Six can do it justice. You must see the actual car—and ride in it—to know how beautiful and comfortable it is, how steadily and easily it rides.

\$985 Elgin Six \$985
5-Passenger Touring "The Car of the Hour" 4-Passenger Roadster

Its beautiful yacht line design sets the Elgin Six aside from the monotonous designs of common cars and gives it distinction on country roads or city streets.

No other car selling for less than \$1250 has the "V"-type radiator and fashionable European center cow.

Every detail, from the beautiful 35 H. P. six-cylinder valve-in-head motor to the least important part, will meet squarely and satisfactorily every demand you make upon it.

CHURCH NOTES.

St. Edwards.

Services at St. Edwards church, Princeton, every Sunday during the summer months, as follows: On the first and third Sunday of the month, high mass at 8:30. At St. Frances de Chantal church, Greenbush, at 10:30. On the second, fourth and fifth Sunday of the month, high mass at 10:30 at Princeton. At Greenbush at 8:30. Appropriate sermons on the Gospel of the day at each mass. In the evening at 7:30 at Princeton, vesper service, sermon and benediction of the blessed sacrament. Every Saturday afternoon at 2 o'clock, instruction of children in Christian doctrine. Young people approach holy communion on every second Sunday of the month, and the married people on the fourth Sunday.

Methodist-Congregational.

During August inter-denominational services will continue with the Methodist pastor in charge. Next Sabbath Rev. James A. Geer will preach at 10:30 on "Mephibosheth," an obscure old testament character whose life conveys to the world today some most sublime lessons we need to know, and in the evening his subject will be "A Day With Our Army at Fort Snelling."

The training at Fort Snelling is quite different from what most people think it is. You may not have an opportunity to visit the fort to see what our soldiers are accomplishing for themselves and our righteous cause. I am sure you are interested, so come. During the hot weather the Sunday evening services will not last longer than 50 minutes. Short snappy sermons, your favorite hymns and good music each evening.

Sunday school as usual. You are cordially invited. Rev. J. A. Geer, Acting Pastor.

Episcopal.

Divine service will be held in the Congregational church on the fourth Sunday of each month at 3:30 p. m. Rev. T. J. E. Wilson, Hinckley.

Christian Science.

The regular Christian Science lesson sermon will be read at the Armory at 10:45 o'clock every Sunday morning.

Sunday school immediately following. Cordial invitation extended.

Swedish Lutheran.

Services at 10:30 a. m. in Princeton. In Zimmerman at 3 p. m. A. Melin, Pastor.

TWENTY-FIVE YEARS AGO

Farmers have commenced to harvest their rye.

Too much moisture in the atmosphere to constitute good hay weather.

Henry R. Mallette of Foreston was looking over our live village on Monday. Henry is heart-broken politically. The only two men he cared a snap for—Blaine and Kendall—have been remorselessly slaughtered.

S. P. Woodman is very low again with an affection of the kidneys. Dr. Dunham of Anoka counseled with Dr. Tarbox on Tuesday and both doctors agree that Mr. Woodman's condition is critical but they hope for the best.

The school officers of district No. 1 have secured the services of Prof. G. R. Simpson as principal for the ensuing year. Mr. Simpson comes from Fairbault, where he taught in the high school eight years, and is highly recommended.

The Princeton Roller mill will commence to turn out flour this week. Messrs. Craig & Mathews have kept their promise. They agreed to build a mill and have it running within three months and they are as good as their word. A pen picture of the mill will be forthcoming next week.

Mrs. S. M. Byers arrived in town last week and will remain here visiting friends for some time. Mrs. Byers says the Colorado climate did not agree with Mr. and Mrs. Moses Jesmer, that they are back in Iowa again and will probably return to Minnesota. They are all of the same opinion—there is no place like Minnesota.

Our Spencer Brook correspondent tells of the marriage of I. F. Walker and Miss Emma Smith of that town at Cambridge last Thursday. Mr. Walker is the senior member of the firm of Walker Bros., and a more genial, whole-souled man does not live. The bride is the second daughter of Mr. and Mrs. W. A. Smith. She has always been considered the flower of the Smith family and will prove a model wife. The union bestows its benediction.

A delegate convention of the democrats of Mille Lacs county will be held at the village hall in Princeton on Saturday, July 30, for the purpose of electing one delegate to the state convention to be held in Minneapolis on August 3.

President Carhart and Professors George, Congdon, Hutton, Patterson,

Superintendents Baker and Whitney, Miss Mary Huse, Miss Eva Ross, Mrs. H. C. Head and Mr. and Mrs. Ewing went to Green lake last evening and took tea with Mr. and Mrs. L. Chadbourne.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Princeton Citizen Can Afford to Ignore.

Danger Signal No. 1 comes from kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

Danger Signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of danger of dropsy, gravel and Bright's disease. In that case Doan's kidney pills have been endorsed by thousands. Here is a statement of a nearby resident:

A. V. Axtell, carpenter, Foley, Minn., says: "I suffered from a dull backache and pains through my hips. It hurt me to bend, stoop or lift and my back got lame and sore. The trouble was worse when I caught cold or did any hard work. Doan's Kidney Pills fixed me up all right and gave me freedom from all the pains and aches." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Axtell had. Foster-Milburn Co., Props., Buffalo, N. Y.
