Sore Throat

"You may not look upon it seriously, but a sore throat indicates a weakness in the bronchial tubes. If neglected it may soon develop into some chronic complaint.

People who are troubled in this way are most susceptible to influenza, contract pneumonia readily, and fall easy victims to consumption.

To remove this irritation, soothe and heal the inflamed membrane, there is nothing equal to

Chamberlain's Cough Remedy

It gives tone to the weakened tissues of the throat, strengthens the bronchial tubes, and at the same time builds up the system. When the throat is healthy, influenza or consumption germs cannot obtain a foothold. Above all things never neglect a child's throat, for it may mean years of suffering for it in after years."

CHURCH NOTES.

St. Edward's.
During the winter months Catholic services are as follows: On the second, fourth and fifth Sundays of the month, mass at St. Edward's church at 10:30. On the first and third Sundays of the month, mass at St. Francis' church, Greenbush, at 10:30, on which Sundays there will be no services at Princeton. To conserve fuel no evening services will take place during the winter. Everybody is always welcome to attend any service.

Congregational.
Next Sunday morning Dr. Peatfield will deliver a special address on the fearful situation as it exists in connection with the starving Armenians and Syrians. If the public once fully grasps the heart-rending truth on this matter there will be a very generous response to the appeal for funds. The pastor's bible class of young women is having very interesting sessions in the detailed study of the Book of Revelations. This in connection with the evening services. Next Sunday night the topic will be "The Second, Third and Fourth Seals of Human Destiny—the Red, Black and Pale Horses."

Hours of service as follows:
10:30 a. m.—Morning worship.
12 noon—Bible school.
6:30 p. m.—Y. P. S. C. E. Ruth Herdliska, leader.
7:30 p. m.—Evening worship.
Special music. Everybody earnestly invited.
Ernest H. Peatfield, D. D., Pastor.

Methodist.
A man from India will be our church's guest over Sunday and deliver addresses at 10:30 and 7:30. Of the evening address Dr. E. C. Horn, who traveled around the globe, says: "I have no hesitation in saying that any church will be greatly profited, instructed and inspired by Rev. Henry Scholberg's illustrated address on 'The Mass Movement in India.' The pictures are as good as can be produced and the descriptive address strikes twelve." The following message came to our church this week: "I have canceled all my dates except yours, January 27. We hope to sail from San Francisco February 5, thence to the land of the rising sun, and on to blessed, but needy, Hindustan."

Sabbath services:
10:30—Address by Rev. Henry Scholberg.
11:45—Sunday school.
3:00—Junior league.
6:45—Epworth league.
7:30—Illustrated address.
Music by the chorus choir under the direction of Mrs. Geer.
The third number of the Lyceum entertainment course will be given on Tuesday, January 29, by Dr. R. B. Kester. It is to be his famous lecture, "Sunny Jim and Chilly Bill."
Last Sunday the Sunday school pledged \$65 toward the Armenian-Syrian relief fund.
James A. Geer, Minister.

Episcopal.
Divine service will be held in the I. O. O. F. hall on the fourth Sunday of each month at 2:30 p. m.
Rev. T. J. E. Wilson, Hincley.

Christian Science.
The regular Christian Science lesson sermon will be read at the Armory at 10:45 o'clock every Sunday morning.
Sunday school immediately following.
Cordial invitation extended.

Short Course for Merchants.
The extension division of the state university will open a short course for merchants which will continue from February 4 to 8—both dates inclusive. Among other things greater newspaper publicity—advertising—will be urged. C. H. Preston, in charge of the course, says in a circular letter: "The advertising manager of one of the prominent mail-order houses is quoted as saying: 'We have a bureau to study country newspapers. When our attention is called to a town whose merchants do not advertise, we flood that community with our literature and get profitable results.' This should be a hint to all country merchants."

Farmers' Institute at Wakhon.
A farmers' institute will be held at Wakhon on Tuesday and Wednesday, Jan. 29 and 30. Men well qualified to talk on dairying and stock-raising as well as general farming will be present both days. This, we believe, will be the first institute ever held in the lake region, and it should be well attended, not only by farmers but by their wives, sons and daughters. Much useful information is imparted at these farmers' institutes.

High notch for the winter was reached last week, when the mercury descended to 30 below.

School has been closed in the Cornell district of Livonia on account of diphtheria.

Mrs. Presley of St. Paul, mother of George and Gertrude Presley of this place, came up on Saturday to remain a week or so with them.

Fay Cravens, who went to New Ulm a short time ago to work as a printer on the News, did not like the prospects and is back home again.

Miss Ida King, who is teaching in Livonia, came home on Friday to spend Sunday. She is a teacher of long experience and universal success.

J. C. Borden is employed at present as bookkeeper for Soule & Co., with his office at the Siding.

Bill Neely made a trip to Milaca on Friday. He has an eye to putting in a branch harness shop at that place. Bill is a good harnessmaker.

Mark & Wilson are now operating the Commercial hotel barns and they have plenty of horses and livery rigs.

Princeton can point with pride to the number of men cooks who yearly go to the woods. Among them are Jack Van Alstein, Frank Morehouse, Lew Sausser, Dave Claggett and Fred Kiesling. These boys know how to put up a square meal.

Tom Scheen is lying in a critical condition at the home of Mr. and Mrs. J. C. Borden. Dr. Cooney reports that it is a case of partial paralysis, that it is a serious attack, but thinks his chances of recovery are more than even.
