J. H. HOFFMAN
Princeton, Minnesota

TWENTY-FIVE YEARS AGO

Earl Caley, son of Mrs. D. A. Caley, came up this week for a visit to relatives.

A lodge of Odd Fellows will be instituted in Princeton on the evening of July 14.

Mr. and Mrs. Skahen and son of Minneapolis were the guests of Mr. and Mrs. J. E. Brady on the Fourth.

Mrs. O. R. Barker and Mrs. Phoebe Borden returned from the World's fair last Saturday, having spent two weeks in the Windy city.

John Whiteoak died at Orrock on the 30th ult. He was born in Yorkshire, England, in 1825, and settled in Sherburne county in 1868.

Christian Dehn, well known in the eastern part of Princeton township, died last Saturday. He was 56 years of age, unmarried and a native of Germany.

Auditor VanAlstein: When I am tired out in the office I find rest and recreation in my flower garden. I love to dig and delve among the flowers.

John Haggberg was down from South Harbor last week and, of course, called on the Union. The lake boys are all friends of the Union and they manifest their friendship in a substantial way.

This vicinity is suffering terribly for lack of rain, many fields of oats and wheat are already past salvation, potatoes are backward with every indication of a light yield, but corn is doing fairly well.

Clarence Vinton came down from Isle Harbor last evening. He reports a big time at Jason Carter's on the Fourth—orations, singing, picnic dinner and a bowery dance. Mr. Vinton says the crops in the lake region are looking well.

The First National bank of Princeton last week declared its first semi-annual dividend at 8 per cent—5 per cent went to the stockholders and 3 per cent to the reserve fund. In these days of financial depression this is a splendid showing.

Marshal Claggett was obliged to jug two youths on the Fourth for drunkenness—the only arrests made during the day. The offenders were brought before Justice Dickey and fined \$9 each, with permission to board out the fine at \$1 per day.

Call for 25,000 Student Nurses.

With the nation's reserve of trained nurses depleted through the calling of thousands for service in military and naval hospitals both abroad and in the United States, it has become necessary to call immediately for 25,000 student nurses for training in American hospitals. The age limit is 19 to 35.

Replanting His Seeds.

One morning Jorkins looked over his fence and said to his neighbor, Harkins: "What are you burying in that hole?" "Just replanting some of my seeds, that's all," was the answer. "Seeds!" exclaimed Jorkins, angrily; "it looks more like one of my hens!" That's all right," said the other; "the seeds are inside."—Nebraska State Journal.

KEEP THE KIDNEYS WELL.

Health is Worth Saving, and Some Princeton People Know How to Save It.

Many Princeton people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Princeton citizen's recommendation:

Mrs. J. M. Nelson says: "Kidney trouble came on me quite suddenly. It started with a dull ache in the small of my back which kept getting more severe until sharp, cutting pains were shooting through me. I became weak and nervous, in fact, I didn't feel like myself at all. Drowsy spells came over me and I had frequent headaches. I was annoyed by my kidneys acting irregularly. After I had used Doan's Kidney Pills a few days, I began to get better and soon the complaint had all left me. I haven't had any return of the trouble."

Price, 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Nelson had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. Adv.

Land Opportunities.

First time offered for sale, 4,000 acre tract of timber, meadow and cut-over land, located in southwestern Aitkin county, Minnesota, within three to ten miles of Mille Lacs lake, on or convenient to good roads, schools and in a rapidly developing community. These lands will be sold in tracts of 40 acres up at prices from \$9 to \$20 per acre, \$2.00 cash and balance in five yearly payments. Can show these lands at any time from Princeton by automobile. Don't miss this opportunity to get a good piece of land at a reasonable price and on easy terms.

Jennie: You can't expect a feller to love a girl with a red nose, colorless lips, dull eyes. So take Hollister's Rocky Mountain Tea at once. Don't delay—it's dangerous. 35c. C. A. Jack Drug Co. Adv.
