Cuts Work In Half

YOU can keep your stalls and your cows clean with half the labor—save time and feed, have healthier cows, better milk, more milk and greater profits, if you have your barn equipped the James Way.

Every progressive dairyman should have his barn fitted out complete with

James Sanitary Barn Equipment

Even if you are not ready to buy a COMPLETE sanitary barn equipment, don't hold back on the stanchions. JAMES STANCHIONS, by themselves in any barn, old or new, can be IMMEDIATE money-makers for you, and that is the practical, sensible FIRST STEP toward owning a fine, complete, barn equipment.

You are actually wasting money every day you put off the installation of James Equipment, because without it, you pay out the money anyhow in unnecessary expense of barn work and in wasted feed that would be saved by James Equipment. You are paying out the money anyhow, so why not have James Equipment to show for the money spent!

"Here's a Friendly Tip" says the Good Judge

Men who know tobacco, chew the best without its costing them any more. They take a little chew and it's amazing how the good taste stays in a rich, high grade chewing tobacco. For lasting tobacco satisfaction, there's nothing like a small chew of that rich-tasting tobacco.

Children's Ailments

DISORDERS of the stomach and constipation are the most common diseases of children. To correct them you will find nothing better than Chamberlain's Tablets. One tablet at bed time will do the work and will make your child bright and cheerful the following morning. Do not punish your children by giving them castor oil. Chamberlain's Tablets are better and more pleasant to take.
