BLUE HILL

People should be very cautious how they go to gatherings where they are exposed to so contagious a disease as influenza.

Dr. Caley was called to the Hartman Camp home on Monday. All are down with influenza except Mrs. Hartman Camp, but are all improving. The doctor was also called the same day to the Ole Hanson home.

Ben Carpenter has purchased a 200-acre farm west of Blue Mound.

Mr. and Mrs. Wm. Swearingen and two sons, Ransford and Dick, were taken down with the flu the same day and Dr. Caley was called there on the 9th.

Mr. and Mrs. McKown were called to Minneapolis on Sunday afternoon,

receiving word that their daughter, Louise, was very ill with influenza. Her many friends hope she will recover rapidly.

Orrin Brande is recovering from the flu and Mrs. Charles Brande is confined to her bed.

We learn that the O. Bragg family are sick with the influenza.

Mr. Wallace of Baldwin, census enumerator for his town and Blue Hill, is working in south Blue Hill now.

Regular Rates.

Traveler: "How much is my bill?"

Traveler: "I slept on the billiard-table."

Clerk: "Fifty cents an hour."

DE LAVAL Service Day

At Our Store

For the benefit of all users of De Laval Cream Separators we have established a De Laval Service Day.

On this day we shall be glad to have any De Laval user bring his separator to our store for a complete and careful inspection and adjustment, which will be made free of charge. Should any parts, due to unusual wear or accident, need to be replaced, this will be done, the only charge being for the price of the new parts used.

A De Laval Service man will be with us to assist with this work. Bring in your separator and receive the benefit of the free service as well as advice on the care and operation of your machine. It is our wish, and that of the manufacturer, that every user of a De Laval Separator get the maximum of efficiency at the minimum of cost.

No expert is required to keep a De Laval in repair. A little care with the use of De Laval Clarified Oil will keep it running satisfactorily for years if adjustments are made when needed.

Mille Lacs Co. Land

I have a few thousand acres in Mille Lacs, Aitkin and Eastern Morrison counties, for sale in any sized tract, 40 acres to a section, on easy annual payments with 6 per cent interest. My Mille Lacs county lands are in the most fertile portions, between Milaca and the lake, Townships 39, 40 and 41, in Ranges 26 and 27. If there are any farmers who desire to increase their holdings, now is the time to buy. Iowa improved farms have increased enough in value the past ninety days to pay for and clear a Mille Lacs County farm, and it is the general belief that this boom will extend from Iowa to Canada.
