

Why man—  
we made this  
cigarette for you!

# Camel CIGARETTES

CAMELS fit your cigarette desires so completely you'll agree they were made to meet your taste!

Unique flavor, fragrance and mellow-mild-body due to Camels quality and expert blend of choice Turkish and choice Domestic tobaccos are a revelation! You will prefer the Camel blend to either kind of tobacco smoked straight!

With Camels you can go the limit without tiring your taste. They leave no unpleasant cigarette after-taste; no unpleasant cigarette odor!

To get a line on why Camels win you so completely compare them puff-for-puff with any cigarette in the world at any price. You'll prefer quality to coupons or premiums!

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes for 20 cents; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

# DE LAVAL Service Day

At Our Store

For the benefit of all users of De Laval Cream Separators we have established a DE LAVAL SERVICE DAY.

On this day we shall be glad to have any De Laval user bring his separator to our store for a complete and careful inspection and adjustment, which will be made free of charge. Should any parts, due to unusual wear or accident, need to be repaired, this will be done, the only charge being for the price of the new parts used.

A De Laval Service man will be with us to assist with this work. Bring in your Separator and receive the benefit of the free service as well as advice on the care and operation of your machine. It is our wish, and that of the manufacturer, that every user of a De Laval Separator get the maximum of efficiency at the minimum of cost.

No expert is required to keep a De Laval in repair. A little care with the use of De Laval Clarified Oil will keep it running satisfactorily for years if adjustments are made when needed.

COME EARLY AND AVOID DELAYS  
**ZIMMERMAN HARDWARE CO.**  
Zimmerman, Minnesota

and when they moved away, there being no fire in the house, the potatoes froze.

Miss Minnie Anderson of Milo and George Bemis of Estes Brook were quietly married at Princeton on Thursday afternoon, March 4. The bride is a daughter of Mr. and Mrs. Nels Anderson, and the groom the eldest son of Mr. and Mrs. Al Bemis, and both have a host of friends. A wedding supper was served at the home of the bride's parents, just a few relatives being present. The young couple will make their home on the groom's farm in Milo. The writer extends heartfelt congratulations.

Mr. and Mrs. Chas. Anderson and children, Lloyd and Gladys, of Milaca came out to attend the wedding supper in honor of Miss Minnie Anderson on Thursday, returning Friday.

The Milo Mutual Farmers' club meets on Friday evening, March 12. Everybody is welcome.

M. E. Northway is suffering from a large carbuncle on his neck. Dr. Kling was called on Sunday and lanced it.

O. B. Kessler has solved a problem to make his hens lay more eggs. He purchased a gasoline lantern, and as soon as he gets up in the morning he lights it and hangs it in the chicken coop. The chickens think it is daylight and get down from the roosts and go to work. He says he has good results from it.

Misses Maude and Blanche Clayton were callers on Sunday at the Charles Miller home.

Mr. and Mrs. George Bemis spent Sunday afternoon and evening at the Axt Bros.' home.

The Misses Clara and Hazel Henschel spent the week at the home of the latter's sister, Mrs. Herman Barnicke.

Irwin Cone has been on the sick list.

### SPENCER BROOK

Wellington King was a Cambridge visitor last Wednesday.

Mrs. Amy Levander and children, who have been quite sick with the flu, are able to be up again.

Mrs. Chester Dunder of Oxlip died one day last week from the effects of the flu and pneumonia.

Miss Beatrice Patten visited at the S. D. McKenny home last Sunday.

A. A. Babb, who has been in the hospital at Princeton for the past two weeks, is slowly improving at this writing. All hope for his speedy recovery.

Earl Thompson is moving onto the Walter Van Rees place, which he has rented for the coming season.

Reuben Norberg has been helping at the Levander home during the sickness and death of Mrs. Chas. Levander.

Mrs. C. C. Libby spent Monday at the home of Chas. Babb.

Mrs. Higgins has been quite sick with pneumonia, but is better at this writing.

Mr. Boehen from near Isanti is moving onto the old Peterson farm this week.

Our mail carrier failed to make his trips last week on account of the impassable roads, caused by the worst storm of the season. Men and teams got out and with considerable work put them in a passable condition again.

### IS THIS YOUR EXPERIENCE?

Many Princeton People Are Afflicted With Annoying Kidney Ills.

Are you bothered with too frequent action of the kidneys? Are the secretions highly colored—do they contain sediment—burn and scald in voiding? These are all signs of kidney sickness and should not be neglected. Princeton people recommend Doan's Kidney Pills. If your back aches and your kidneys are weak you will find no better recommended remedy.

Henry Busch, carpenter, Princeton, says: "I was farming in Iowa a number of years ago. I suppose it was the work and exposure that got my kidneys out of order. My back became very weak and when I bent over, I could hardly straighten up, because my back fairly, twitched with pain. The secretions were scanty, sometimes, and again were profuse. I became run down in every way. I tired easily and didn't seem to have much strength. Doan's Kidney Pills helped me quickly and two boxes gave me a lasting cure. I have been free from kidney complaint for years."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Busch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.

STA RIGHT, made to measure corsets, can be obtained from Mrs. C. W. Scalberg. For information call 400. Mrs. C. W. Scalberg, Corsetiere. 12-1p

Do You Need Spectacles?

We Guarantee a Perfect Fit

Do not buy those low quality glasses but get the very best, and if fitted right a good result will follow.

By our scientific method we accurately measure the errors of refraction. Our system is not an experiment but many years study.

Our knowledge of the eye and rays of light enables us to determine precisely the kind of glasses you should wear. Our glasses will focus all the light on the spot, relieve you of your troubles and give you perfect vision.

Call in and have your eyes examined. Yours respectfully,

**WILLIAM PIETERS**
