TWENTY-FIVE YEARS AGO

The immigration convention, held on Friday under the auspices of the Mille Laes County Immigration association, was one of the most successful meetings ever held in Princeton. President J. J. Hill of the Great Northern Railway company, was present and addressed the assemblage at length on the subject of bringing settlers to northern Minnesota. He came here in his special car accompanied by a large party of friends. Henry Mallette presided over the convention. He is the president of the association.
A fellow named Harry was given 15 days in jail for painting the town red and setting fire to the bedding in the village lockup while awaiting trial.
Mr. Storey, manager of the Grand Rapids waterworks, was here on Friday trying to interest the people in installing a system of waterworks and electric lighting in the village. He did not meet with much encouragement.
Farnham Bros. closed a deal yesterday for furnishing 300,000 brick with which to build a drill hall at the state university.
A number of Hollanders from near Pease were in town on Tuesday to secure warrants for two men who abducted a 15-year-old girl from their settlement. The abductors have since been located in a little town in Swift county and will probably be arrested within a short time.
Editorial—There are a few feeble echoes from the anti-dailies which announce their allegiance to papers opposed to Clough, but the majority of the country papers advocate the re-nomination of the governor.

Poplar Grove School Notes.
Out of an enrollment of 46 pupils for the month of school ending February 11, in Poplar Grove school, district 3 west, 20 were present in attendance and many others came 19 days, making an average daily attendance of 40.
The following pupils received 100 in spelling and also 100 in deportment on monthly report cards to parents: Olga Homann; Helen, Edward and Edna Rosen; Edna and Niela Balfanz; Ernest Klingbeil, Renata Hamann, Bertha and Walter Kuetner; Gehardt and Walter Strauch, Ida Rick, Alvin Strauch, Ernest Gens, Esther Gerth and Edna Hoelt.
County Superintendent Wasenius and Mrs. Chas. Wetter substituted at school during the serious illness of Mr. Serrurier.
Instead of having a Valentine box

this year we had a popcorn party. Teacher and pupils brought butter, corn, poppers, salt, and nearly 50 participated and devoured over three large, heaping pans of dishpans of corn. And then, in the ciphering-down contest, Lillian Prahl ciphered down the entire school. Our next party will be a visit to one of the near-by schools, also in district 3.
Our visitors thus far this year are as follows: County Superintendent Wasenius, Miss Lundblad and pupils of the south school, C. M. Serrurier, Miss Connors, Mrs. C. R. Rosen, Deh-lia Rosen, Esther Meyers and our two school board members, Carl Diebert and Wm. Hoelt. Our chairman, Mr. Siebert, gave a very interesting and instructive talk to the pupils as to the essentials of good behavior, the value of an education. No complaints had been entered either by parents or teacher, and on the whole our work went on harmoniously, which was thoroughly enjoyed by both pupils and teacher, and we say to the board, "Come again," and here's a hearty welcome to all of the parents who are so kind to us.
Mrs. C. M. Serrurier, Teacher.

High School News Budget.
The cooking girls are always good Samaritans nowadays. They always find hungry wayfarers and feed them something good to eat.
Last Thursday evening the seniors had their sleighride party. A great number of sophomores and juniors were invited to join in the fun and there were about thirty present. We started from the high school at an early hour, drove about four and a half miles and, after having a good time, returned to the school, where we were served a wonderful lunch. We all left for home wishing that seniors would have sleigh rides more often. Miss Allen, the seniors' class advisor, Miss Daniels and Miss Hanson were also present.
The Princeton basketball boys and girls defeated Anoka basket ball boys and girls in the Princeton auditorium, Friday, February 11. The girls won by a score of 15 to 9 and the boys by 26 to 16.
The last class in geometry is having a sad time. Locus, the location of points, is the trouble. Mr. Rogers could explain the whole period but it wouldn't do much good. He is a very good teacher and can explain geometry.
The English classes are studying "Ivanhoe" now. They find it very interesting.
The boys' locker room is finished. The manual training classes have been doing the work the last week.
There is many a sad face since the snow has left. Many of the classes were planning sleigh rides for the coming week.
There was an announcement made last Friday that the senior high will have new music books. Miss Snyder said that everyone was to have his voice tested, so now for good music. Listen through the keyhole of Miss Snyder's door.

THREE CORNERS
Prayer meeting was held at Mrs. Crist's on Wednesday evening, Rev. Thornwald leading.
Everybody welcome at Ladies' Aid meeting next Wednesday.
Pete Lambert was in this part of the country sawing wood.
Mrs. Pete Lambert and daughter are visiting in Minneapolis at Eugene Cartwright's.
The persons who stole the buggy at Scalberg's surely had their nerve. They had better put it back where they found it.
Mr. and Mrs. Malter Ax spent Sunday evening at O. Hamilton's.
Mr. and Mrs. Leonard Johnson and sons, and Chas. Erickson and family, spent Sunday at A. Welin's.
Mr. and Mrs. Fiero returned home from Iowa, where their daughter was ill, on account of their son, Roy's sickness. He was operated on for appendicitis. We hope for his recovery.
Mrs. E. Schaffer, Mrs. Will Leathers and Mrs. O. Hamilton spent Friday afternoon at V. Christenson's.
Fritz Kunkel visited at Elmer Siffings' on Sunday.
Mr. and Mrs. E. Siffings, Miss Anna

A WOMAN'S BACK.

The Advice of This Princeton Woman is of Certain Value.
Many a woman's back has many aches and pains.
Ofttimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.
Many Princeton women know this. Read what one has to say about it: Mrs. Nels Olson says: "I began having a great deal of bother with my kidneys. My kidneys acted irregularly and I had bladder complaint. My back was awfully painful, especially after I had been walking or when I lifted anything. When I sat down a few minutes, my back became so stiff I could hardly get up again. My limbs throbbled with pain and I felt tired and weak. At times everything would whirl before my eyes when I got up from a chair. Doan's Kidney Pills, which I got from the Princeton Drug Co., soon put me in good health, and whenever I have felt the trouble coming on since Doan's have given me quick relief."
Price, 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Olson had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. Adv.

Northwestern Hospital and Sanitarium
ESTABLISHED 1900

A private institution which combines all the advantages of a perfectly equipped hospital with the quiet and comfort of a refined and elegant home. Modern in every respect. No insane, contagious or other objectionable cases received. New, quiet maternity rooms. Rates are as low as the most efficient treatment and the best trained nursing will permit.

H. C. COONEY, M. D., Medical Director
FRANCES S. COONEY, Superintendent
MISS FRANCES VERTIN, R. N., Supt. of Nurses.

"You may be Sure" says the Good Judge

That you are getting full value for your money when you use this class of tobacco.

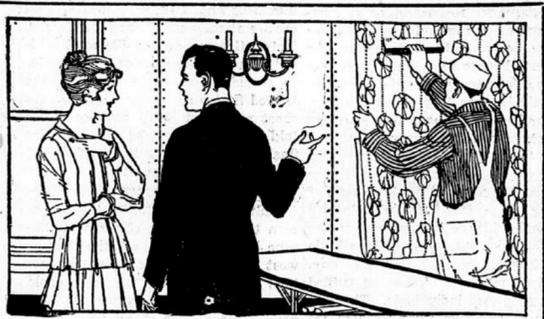

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.

Any man who has used the Real Tobacco Chew will tell you that.

Put up in two styles
W-B CUT is a long fine-cut tobacco
RIGHT CUT is a short-cut tobacco

Wm. Wagon-Britton Company, 1107 Broadway, New York City

"And It Cannot Warp"

Being a uniform sheet of pure gypsum rock, Sheetrock takes any decorative treatment. It can be papered, painted or paneled. Or, it can be left in its own finish of soft mist gray.

Here, indeed, is what you, as a home owner, have always wanted—walls and ceilings that stay put, year after year, regardless of climatic conditions.

Then too, Sheetrock is fireproof; it protects the building. An insulator of heat, Sheetrock makes the building cool in summer, warm in winter, and cuts fuel bills.

You will also be glad to know that the cost of Sheetrock—for new construction, alterations and repairs—is actually less than that of frail, unsatisfactory wall boards. We suggest that you call on us today and see for yourself what a wonderful material this standard wall and ceiling unit really is.

SHEETROCK
Rum River Lumber Co.
