GAS ON STOMACH WONT LET YOU SLEEP

Gas often presses on heart and other organs, causing a restless, nervous feeling which prevents sleep. Simple buckthorn bark, glycerine, etc., as mixed in Adierika, expels gas and relieves pressure almost INSTANTLY, inducing restful sleep. Adierika often removes surprising old matter from BOTH upper and lower bowel which poisoned stomach and caused gas. Excellent to guard against appendicitis. Princeton Drug Co. 45-2t

Rev. B. M. Bridges Gives Facts in His Case

It is doubtful if there has ever been a medicine endorsed by so many ministers of the gospel as has Tanlac. Indeed, there is scarcely a faith, creed or denomination in all the land in which one, or more, of the clergymen has not publicly expressed their indebtedness to the Premier Preparation for the benefits they have derived from its use.

One of the latest to speak out in this connection is Rev. B. M. Bridges, a widely-known and beloved Baptist preacher, residing at Mooresboro, N. C., whose statement follows:

"Tanlac has given me a good appetite, toned up my system and renewed my strength in such a gratifying way that I am glad to recommend it to anyone who is in a rundown condition. For ten years past I have had such a

severe case of indigestion that I could not find anything to eat that agreed with me. Finally I became very nervous and could get but very little sleep or rest.

"It seems that I took nearly everything trying to get myself right, but nothing helped me until I ran across Tanlac. My nerves are so much better now that my sleep is sound and refreshing. I enjoy my meals and have also gained weight. I can say from experience that Tanlac is a splendid medicine and tonic, for it has bought me up wonderfully."

Tanlac is sold by all good druggists. Adv.-1c
