POLITICAL POINTERS.

List of Republican Nominees for Offices in the City of Chicago.

Colored Candidates on the List.

For Mayor—JOHN A. ROCHE. For City Treasurer—S. B. RAYMOND. For City Attorney—THEO. BRENTANO. For City Clerk—FRANZ AMBERG.

SOUTH TOWN. For Assessor—BENJ. B. DE YOUNG. For Collector—FRANK P. BARNARD. For Supervisor—ADAM OLDENBURG. For Clerk—C. H. MCCALLISTER.

WEST TOWN. For Assessor—GEO. WILLIAMS. For Collector—JAS. H. HARVEY. For Supervisor—H. WESTERFIELD. For Clerk—P. J. MEANY.

NORTH TOWN. For Assessor—GEO. BURMEISTER. For Supervisor—GEO. H. WOODS. For Collector—WM. T. BALL. For Clerk—GUSTAV BUSSE.

For Judge Appellate Court. THOMAS CRATTY.

On next Tuesday the municipal election occurs and the opportunity will be given for the Colored element to demonstrate its power which does not seem to be fully realized by the average politician. However this power should be abused but should be wielded in the proper way. The ticket nominated by the Republicans is a good one throughout taken as a whole and should be heartily supported. As there are more Colored people living in South town their main interest naturally centers there and the candidates there deserve special mention.

MAL. E. R. DE YOUNG. The candidate for Assessor has served two terms very acceptably to his constituents which is a recommendation of itself. He has been fair and liberal in his assessments and has not made them oppressive to any class. Under his administration more Colored men have been employed than under any other, and he will be gratefully remembered.

FRANK P. BARNARD. Comes before the South Town people for the first time to ask for the office of Collector which was successfully conducted by his predecessor Mr. G. Bass. Mr. Barnard was the choice of the Republicans at the primaries and as he is known to possess the necessary business qualifications to administer his office properly he should be heartily supported.

ADAM C. OLDENBURG. The candidate for supervisor has served a term in the office to which he was elected at the head of his ticket. His administration has been a successful and popular one giving general satisfaction. There are no reasons why he should not hold up his end of the log this time.

DR. CHARLES H. MC CALLISTER. Was unanimously re-nominated by acclamation for the office of Town Clerk which he so ably and acceptably fills at present. The doctor was elected by a rousing majority at the last election, and as he has done nothing but make friends, for the past year his election is assured. Dr. McCallister is an old college mate of the editor of THE APPEAL and from many years personal acquaintance can fully endorse him as a fitting representative of the Colored people in whose interest he has been an able and earnest worker ever since he has been in the city. Vote the entire ticket and get all your friends to do the same, but vote them and yourself for the Doctor under any circumstances.

Of course the Colored candidates for constables, G. B. Hutchinson, J. Q. Grant, David Blackburn and Robert Harris, Jr., will receive the solid support of the Colored voters. Work is to be done, and every man must be up and doing Tuesday with a few preliminary licks before that time. There is little doubt that the entire ticket will be elected, but a wise general never underestimates the strength of the enemy so therefore work from now until the polls close Tuesday night, and victory must be ours.

NAUGHTY FREDDIE.

Alleged Bad Conduct of F. D. Morton an Evansville Teacher.

Charged With Debauching Girls.

Evansville, Ind., March 25.—There is a large-sized sensation in educational circles in this city, which, coming, as it does on the eve of a city election, is exciting the liveliest interest, especially as it concerns a local Colored school-teacher who is recognized as one of the Colored leaders. Two weeks ago Mr. Edward A. Clarke, Principal of the Colored High School, tendered his resignation because of his inability to control the action of Frederick Douglass Morton, an under teacher and Secretary of the Board of Police Commissioners. He had frequently complained of Morton to the Trustees, but Morton's influence averted any punishment, and he became more unbearable than ever. Clarke resigned, but the board thus far has taken no notice of him.

The Australian Champion. Peter Jackson, the Australian champion, as the Colored conqueror of Joe McAniff is called, has an ebony complexion, big, intelligent, polite, and unassuming. He is 27 years old, six feet and half an inch high in his stocking feet, weighs in condition 195 pounds, has bulging shoulders, a light waist, and is straight as an arrow. It is claimed that he was born in Florida July 3d, 1861, but the West Indies are generally said to have been his birthplace. While there may be a dispute as to his birthplace there will be none as to his race. He is a thoroughbred Negro. Taken to Australia when 8 years old and reared on a ranch of a wealthy ship owner, he must have been liberally treated in the matter of general training, for he possesses a fair education and attractive manners. He has the Colonial accent—a slight lisp—is as suave as a dry goods clerk, and as independent as a mine-owner. He has no striking characteristics until he strips and puts his hands up.
