##### W. E. STOOPE.

Republican Candidate for Renomination as County Surveyor, Hennepin County.

Born in Minneapolis, Minn., July 15, 1858. "Father was a Veteran in the civil war, and served in the 6th Minn. Volunteer Infantry." Graduated from the Minneapolis Public and High School. Has followed the line of Engineering for 25 years having been employed as Engineer with various Railway Companies and for State and government. Vice-President Engineers and Surveyors Society of Minneapolis. Assistant City Engineer of the City of Minneapolis, from 1888 to 1899. Head Deputy County Surveyor of Hennepin County, 1899 to 1906. Elected County Surveyor, January 15, 1906, by County Commission. Upon the resignation of Geo. W. Cooley. Is a candidate for the office of County Surveyor on the Republican ticket. Is now and always has been a Republican. Primary election will be held on September 18, 1906.

##### HUGH R. SCOTT.

Republican Candidate for Renomination as Auditor for Hennepin County.

Hugh R. Scott, the present Auditor of Hennepin County who has so efficiently and acceptably served the people as Auditor is again a candidate for this important office. The ability, faithfulness and correctness with which he has filled this position merit a renomination and re-election. Mr. Scott was born in Minneapolis and has resided here practically all his life. He enlisted in the 13th Minnesota and served in that regiment in the Phil-

ippines until it was mustered out. Mr. Scott's management of the affairs of this office has received a flattering encomium in the report of the Public Examiner.

His candidacy should and does appeal with peculiar force to the Afro-American voters of Hennepin County, as he is the first Auditor who ever gave an Afro-American a position in his office. Shortly after his election the first time he placed one of our representative young men, Mr. Charles J. Yancey, in his office and Mr. Yancey is still in the office doing his work in such a manner as to reflect credit upon himself and the people whose representative he is. Mr. Scott is a friend of all classes, deservedly popular and the indications are that he will be continued in office.

##### W. D. WASHBURN.

Republican Candidate for Nomination for Congress Fifth District.

W. D. Washburn Candidate for Congress was born in St. Paul and has been a resident of Minneapolis for 40 years. He was educated in the public schools and graduated at Yale University in '88. For some years he was on the Editorial force of the Minneapolis Tribune but is now handling lands and real estate. Mr. Washburn has represented the 1st District in the Legislature for three sessions and was an advocate of Tax Reform, Railway Legislation and Inheritance tax.

He stands upon the platform of Theodore Roosevelt and his legislation carried through the last session of Congress.

##### WM. E. ALBEE.

Republican Candidate for Nomination as Register of Deeds, Hennepin County.

W. E. ALBEE.

Of the various candidates who aspire to the republican nomination for register of deeds, William E. Albee, whose picture appears herewith, is the only one who backs his candidacy for the nomination with a quarter of a century of experience which fits him to conduct the office upon his own responsibility. For over twenty-four years Mr. Albee has been in the abstract business in Hennepin county, a business intimately associated with the transaction of the business of the register of deeds' office. He is also a graduate of the State University School of Law, wherein he secured a thorough knowledge of the law of conveyances. Under the Torrens system of land titles, now in use in Hennepin county, it is essential that the register of deeds should also be well versed in the law of the land—and that is what William Albee is. For these reasons and because he has always been actively identified with the republican party, he believes he can consistently go before the citizens of the county and ask for their political support.

##### ALBERT H. HALL.

Republican Candidate for Congress, Fifth District.

Albert H. Hall

Mr. Hall is a member of the firm of Hall & Kallner, lawyers, N. Y. Life Building. He proposes to stand upon the following platform:

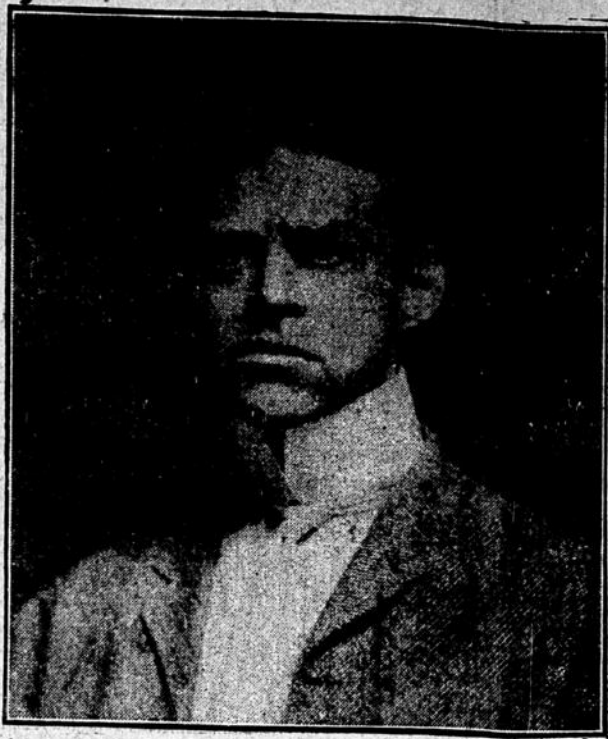

##### Our Country's Need.

The American people want a continuance of William McKinley's Republican policy, as vigorously applied by the administration of Theodore Roosevelt. That will insure the perpetuation of our present prosperity. Under this policy, and through prompt constructive legislation, will come the many needed reforms, among them, effective control of Railroads, and later, gradual Government Ownership. Federal Regulation and Control of Insurance, and other Corporations. Restricted Immigration. Revision of the Tariff in the interests of American Labor and against Commercial Monopoly. Wages must be the fair measure of Labor's Wealth-Producing Power. A home must lie within the reach of every frugal man.

"With malice toward none, with charity for all, let us go forward."—ALBERT H. HALL
