Have Outgrown Their Present Quarters. F. H. Harm & Bro., jewelers and opticians, were obliged to open a new

store at 387 Robert, near 6th St., on account of increase in their business, their store at 109 E. 7th was not large enough. They will continue their 7th St. store, but their headquarters will be on Robert St. They will carry a fine line of gold filled jewelry, diamonds, watches, clocks, hand-painted china and optical goods. F. H. and H. W. Harm are scientific opticians, make glasses to order and fill oculists' prescriptions.

STOP LYING. And Make a Fight Against Me on the Square or I Will Lift the Lid to the Public.

There are some persons who are so mean enough to start several lies upon me simply because I have announced myself a candidate for a position in the sheriff's office.

The first lie is that I received money from Mr. Edmund S. Durmont and then went to the support of W. H. Lightner in the last primary election. This is simply a lie and I challenge any one who says to the contrary.

The second lie which has been circulated against me is that I collected money from candidates and other persons during the last rally of St. James A. M. E. Church and that I only turned in \$5. This is simply another lie for I did not receive as much as one penny from man, woman or child for said rally or since. I gave \$5 out of my own money. I challenge any one who knows to the contrary and will give the name or names of any one who claims to have given me as much as a penny for said church rally, and they may publish said names in this or any other paper or report them to the officers of the church and if I cannot prove it is a lie, I will quit the town.

It is true that I am a candidate for Mr. Charles Miller's position in the Sheriff's office but it is not because I have any personal feeling against him, for I know him to be a respectable man, and I only claim that he is a Democrat or at least he was represented to Mr. Mies as such by such honorable Democrats as F. L. McGhee, J. L. Loomis and others. Said representation was endorsed by myself also by other Republicans, who were present at the meeting at Pilgrim Baptist Church where Mr. Miller was endorsed. Besides Mr. Miller registered under oath on September 18, 1906 as a Democrat, and voted the Democratic ticket in the last election for a Democrat candidate.

If the present sheriff-elect wishes to keep a Democrat in the office as a representative of the Afro-American Republican Voters in this County, then I will cheerfully endorse Mr. Miller. In politics I like the spirit of J. Henry Burrell who had been on the police force for 10 years, and when he was told to go to the primaries and vote the Democrat ticket, he decided it was better to lose his job than to do so. If Mr. Burrell should announce himself a candidate for the place I would at once withdraw in his favor.

I love a good clean fight but I am not afraid of a dirty one and if any one throws dirt at me in this fight, I have some dirt that is 4 or 6 years old and if I throw it thru the newspaper some people will not look so clean in the G. O. P.

I am not begging for support from any one but only ask for it in an honorable way. No one needs to tear any buttons from his pants for I am not in the stooping business. Wishing for the support of all honorable men of my race, I remain, Respectfully Yours, John H. Dillingham.

CROQUET. (In Memoriam.) I am lying today at St. Joseph's. Looking out across the way, Thinking of home And the old play ground Where I used to play croquet.

We would play at early morning. And all day long it seemed, Out on the lawn In the hot sunshine, For a dish of cold ice cream.

All were excellent players, Striving their best to win; Now with a strike, Each trying his might, To be first at the stake in the end.

Now the hardest point to make, Is the center ricket; With all one's might, Each tries his best, And then he cannot make it.

Well! isn't it a fright... When one has a good position To be driven out, Without at least permission.

Say! that is not the game, Can't you play croquet? "Don't push your ball." "Strike it! that's all." We are going to have fair play.

Just a few more points to make. The game is nearing the end. "Don't let him out, pray! Drive him this way." But the winner is striking the stake.

These were the champion players, Morgan, Dillingham and Bell. Others would play, Almost every day, But couldn't play half so well.

Now the season is over for playing, One player has gone to rest. My heart is sad, Still it should feel glad, When I think how he played his best. E. M. Wilson.
