THREE CHEERS FOR KENDALL!

True chivalry and gallantry are virtues which are really so rare nowadays that to find a man possessing them both, in a high degree, is something wonderful. To go to the aid of a beautiful woman in distress might smack of these virtues, when selfishness really is the prompting motive. The true test is where these virtues are exhibited unprompted by selfish motives.

There was just such a case in Washington, D. C., a few days ago, in which Representative Kendall of Iowa was the hero.

When Mr. Kendall alighted from a street car at a busy corner, he saw two white men addressing profane language to an old Afro-American woman, who was carrying a basket of freshly laundered clothes. Presently one of the men struck the woman, felling her. The contents of her basket were scattered in the snow and slush.

Mr. Kendall landed his fist squarely on the jaw of the assailant and laid the man motionless in the snow. Then he assisted the unfortunate woman in restoring the clothes to the basket.

Had the woman in question been

PRESIDENT WILLIAM H. TAFT

Sets at Rest Reports That He Would Decline Renomination. Says Nothing but Death Will Bar His Candidacy. Vigorous Campaign Planned.

When one thinks of the fact that even at the present time only about one eighth of the population of the world is white. But now comes a Theosophist, D. S. M. Unger of Chicago, who declares he knows for a fact that Christ is coming back to earth within the next twenty years. Says Mr. Unger: "Whenever a nation or the world really needs a great leader, he turns up. The world is sadly in need of a great religious leader these days and so I know Christ is coming back within the next twenty years. And, in order that humanity may have no trouble in being certain of the presence of Christ, he will have a brown body."

Well, if Christ returns to this earth brown in color, there are people in the United States who will not accept him.

The New York board of health has declared that three drinks per day is the limit to keep healthy.

The report from the board goes further and explains: "Heart disease and cirrhosis of the liver are often associated with the excessive use of stimulants. It is hard to establish any standard for what is excess, as there is a marked difference in individuals. Many physicians believe that a man is better off without spirits. Anything above three ounces of alcohol a day, which is equivalent to about six of whisky, or three drinks, is excessive."

All right, then! We'll confine ourself to only three drinks per day.

The Taft boom has reached Chicago, with the subcommittee having in charge all of the arrangements for the Republican National Convention which meets June 18th. Every member of the committee favors the renomination of President Taft.

The young man who in a burst of enthusiasm over some girl's sweet voice, tells her that he could listen to her voice all the rest of his days. Afro-American a square deal in everything and not attempt to convert him in "jim crow" institutions. Caucasian American Christianity is all right until it reaches the color line and then it is all wrong.

It has been more or less asserted by scientists and others that both Adam and Jesus Christ were not white, which, of course, is easy to believe,

25th ANNIVERSARY Serg't. and Mrs. Z. A. Pope Celebrate "Silver Wedding"

The Reception a Brilliant Social Function is Attended by Upward of Three Hundred of the Twin Cities' Most Representative Citizens--List of Presents.

Wedding receptions, even those held immediately after the wedding ceremony, and before—as the saying goes—the matched partners on the matrimonial sea have had a chance to "get their feet wet" are usually more or less pleasant affairs. The voyagers have high hopes, and so have their friends, that they will be able to steer clear of the rocks and shoals and wrecks that are a constant menace to smooth, safe sailing. Then, every day, even though it is a little dubious, perhaps, wishes them bon voyage! Everybody is in a good humor and everybody tries to see that everybody else is happy, and they assume an air of joyousness even though they feel it not.

Such an occasion was that of the celebration of the 25th anniversary of "Silver Wedding" reception of Serg't. and Mrs. Zachariah A. Pope at their cozy residence, 216 W 31st street, Minneapolis, Friday evening, Jan. 19. The several rooms of the house were appropriately decorated by Mrs. Frank Boyd of St. Paul, with evergreens, smilax, carnations, etc., and had a very pleasing appearance.

Mrs. Pope nee Mary E. Young, is a native of Minneapolis, and has seen the Twin City grow from a small village to its present vast proportions; and, of course, knows and is known, by almost every one worth knowing in the city. She is a communicant of St. Thomas Episcopal church and has been an earnest worker, not only in the church, but in all lines looking toward the betterment of humanity. She is the happy possessor of a cheerful and amiable disposition for which she is generally admired by all who know her.

Serg't. Pope received his title in the United States army, which he joined at the age of sixteen years, and retired a few years ago, after an honorable service of 30 years. He was a member of the famous 25th infantry, which was for years stationed at Fort Snelling, and has the distinction of being a charter member of Mars lodge No. 2202; and, in fact, was the first man initiated in the lodge, which was organized at Fort Snelling.

Like his better half he is noted for his genial, warm hearted disposition and is respected by all who know him for his honesty and integrity. Though retired from service he is still at the Fort employed as steward of the officers' club—who wouldn't be without him. He is generous and public spirited and you may always count on their respect.

The bride looking almost as young as she did when she pledged her troth, though perhaps grown somewhat buxom, was attired in a gown of grey silk while her liege lord was appropriately attired in a black Prince Albert suit.

About eight o'clock Capt. J. A. Lynch played the wedding march and the bride and groom of twenty-five years before entered the parlor, when a short but appropriate ceremony was performed by Rev. A. H. Lealtad, rector of St. Thomas.
