Say, but that was some ball given  
by Judge Johnson at South Side Audi-  
torium last Tuesday evening. There  
was a great crowd and many maskers.  
The judge brings them out every time.  
Look out for the next dance, due no-  
tice of which will be given.

The Raquet Club gave a very de-  
lightful dancing party at Dearborn  
hall last Wednesday evening. The  
ladies were elegantly gowned, and all had  
a splendid time. The committee in  
charge of the affair was: Harry Hale,  
Donald Brady, Harvey Moss, J. D.  
Person, Walter Huston, Earl Stewart,  
and B. A. Van Hook. The McCul-  
lough orchestra furnished the music.

On Thursday of last week there  
was a quiet home wedding at the resi-  
dence of Mr. and Mrs. R. A. Van Hook,  
1101 E. 28th street, in which their  
daughter, Miss Beulah, and Mr. B. L.  
Minor of St. Louis, joined hands and  
hearts. Misses Mildred Plummer and  
Florence Cunningham were brides-  
maids, Mr. J. D. Person best man. The  
bride was given away by her father,  
Father Leaitat officiated. A lovely  
wedding supper followed the ceremony.  
The newly-weds will be at home to  
their friends at 3612 Ninth Ave. S., on  
and after March 1st.

On last Saturday night Nobles L. F.  
Ricards, M. P. S. G. C. of Detroit  
Mich., W. R. Morris, S. G. I. G., and  
J. M. Morris, S. P., Minneapolis; L. A.  
Moker, S. G. I. G., and Geo. L. Hoage,  
S. P., and Deputy Imperial Potentate  
S. P. of Minnesota, St. Paul, left for Om-  
aha to set up a Shrine and Consistory  
on Sunday. Owing to the cold and  
snow their train did not reach Omaha  
until Monday. There were sixty men  
who were to be made, but owing to  
the delay of the train, only thirty-  
seven could be gotten together. They,  
however, set up Joshua David Kelly  
Consistory No. 27, and Zaza Temple  
No. 52. They had a splendid time and  
returned home Tuesday.

Advanced Ideas.  
Miss Evie Greene, the popular ac-  
tress who was married to Lieut. Ar-  
butnot recently, has proved herself  
quite an eloquent politician of ad-  
vanced views. Asked on one occasion  
how she would remedy the evil of  
unemployment, she promptly replied:  
"Send a strong-minded woman to par-  
liament, and she will soon show you  
the way." Naturally she was accused  
of being a suffragette. This Miss  
Greene denied. "But," she said, "I  
should like every hardworking woman  
who pays taxes and rates to have a  
vote, as apart from the silly little  
woman who has no mind beyond her  
house and her children."—Tit-Bits.

To Escape Punishment.  
"Honest to goodness, pabson," ac-  
knowledged Deacon Connelly, "I hates to  
acknowledge it, but I would like to git  
jest one flash at dem fight pictures."  
"You unpretenden' sianeh!" ex-  
claimed Parson Mokeby; "don't you  
know you'd be punished for slich a  
siah?"  
"I don't think I would," smiled the  
deacon; "you see, I had it oggored out  
to git a seat right neah an exit in  
case anybody started any race riot!"

The happiest man in town is Mr. L.  
J. Thompson, whose wife presented  
him a brand new 12-pound baby boy  
on last Tuesday. It is the third at-  
tempt, but first successful one, hence  
his superabundant joy. The boy is a  
chip of the old block, and came yell-  
ing—just like papa. Mother and son  
are doing well. Dr. Valdo Turner in  
attendance.

**EYE DEFECTS AND SYMPTOMS.**  
Eye defects are few—symptoms many.  
There can be but two defects in the human eye.  
They may be too long in whole. Then we have the  
Myopic eye.  
Or too short in whole—the Hyperopic eye.  
Combine the two in one eye and we have Astigmatism.  
Properly adjusted glasses will correct these defects.  
Medicines or waiting, never.  
Symptoms that spring from these two simple eye mal-  
formations are manifold; such as eye and headaches, Indi-  
gestion, Dyspepsia, Nervous Debility, Chorea, Epilepsy and  
other ailments having their origin in lack of nerve force.  
We correct all Defects of the human eye that glasses  
will remedy. Charges reasonable. Satisfaction guaranteed.
