THE NEGRO NATIONAL EDUCATIONAL CONGRESS.

To Bring Many Distinguished Members of the Race to St. Paul.

The plans for the coming Negro National Educational Congress, which will convene in St. Paul, July 15th to 19th, inclusive, are progressing finely. There was a meeting of the local committee at the old capitol last Monday evening, at which much routine work was done.

Reports from a number of states of delegates appointed by the several governors gives a total of delegates approximating 300, and they include some of the best men and women in each state.

A letter received this week from J. Siles Harris, president of the Congress, states that among those who have accepted places on the program are:

Rev. Reverdy C. Ransom, of New York, editor of the A. M. E. Review, one of the most distinguished orators in America.

Dr. A. Henry Attaway, president of Edward Waters College, Jacksonville, Fla., an educator and orator of national renown.

Prof. E. L. Blackshear, president of Prairie View State Normal and Industrial College, Prairie View, Texas.

Dr. R. S. Wilkinson, president of State College, Orangeburg, S. C., a graduate of Harvard and West Point and one of the leading educators of the country.

Dr. Wm. J. Thomkins, the great white plague specialist.

The plan of entertainment as now arranged is to have each of the churches in the city to give a reception and program on Monday evening, July 15th, numbers on the program to be supplied by delegates or distinguished visitors.

On Tuesday evening, July 16th, the great concert excellence will be given at the AUDITORIUM. This time a program of the strongest attractions, foreign and local, will be presented. This will be THE EVENT OF ALL EVENTS, and the indications are that upward of 2,000 persons will be present.

Wednesday evening, July 17th, a grand boat excursion on the Mississippi will be given for the delegates and visitors.

Thursday evening the delegates and visitors will be entertained in Minneapolis, plans not fully arranged.

Friday evening has no decided program arranged at this time, but will be arranged later on. The greatest interest is centered in the entertainment at the Auditorium, and it will doubtless eclipse all former entertainments. All that is necessary is for every one to boost to make this the biggest occasion ever in St. Paul.

EDUCATIONAL CONGRESS NOTES.

Mrs. J. H. Hichman received letters from some prominent people of Texas who are coming to the Congress in July.

The Minneapolis people are taking great interest in the Congress. They are preparing a grand outing for the delegates and visitors at Minnehaha Park Minneapolis Day, Thursday July 18 and entertainment at the various churches in the evening. Minneapolis is all right when you get her started.

Mr. Joseph Adams continues to improve and will shortly be out again.

There will be a meeting of the General Committee at the Old Capitol next Monday evening June 10 and it is hoped as many members will be present as possible as such business is to come before the meeting. Come early please.

Remember there are 44 private boxes to be sold for the coming grand affair at the Auditorium in honor of the Congress. Make up your box parties now.

CARNEGIE HEROES.

From an Article Written by Dr. Booker T. Washington.

Some time ago Dr. Booker T. Washington wrote an article about the Carnegie heroes for a prominent magazine, but supposing more Afro-Americans would see the accounts if published in THE APPEAL, a copy has been sent to THE APPEAL. From time to time these accounts of Afro-American heroes or whites who have risked their lives for Afro-Americans will be given.

It might not be amiss to state that the last report of the Carnegie Hero Fund Commission since that 2,667 cases have been passed upon by the commission and 583 persons have been sought out and given recognition because they risked their lives in the effort to save others from injury or death. There have been several awards to Afro-Americans since the establishment of the Hero Fund Commission and an account of one of these will be given weekly. The first is as follows:

John B. Hill, aged 35, coachman, rescued Thomas S. Prescott, aged 6, and Florence Williams, aged 21, from a runaway, Atlanta, Georgia, December 1, 1905. By grabbing the bridle of a runaway team hitched to a landau containing the child and maid, Hill, after being dragged some distance, threw the horse. It fell upon him, breaking the ribs in a wound due to reckless operation.

Bronze medal and \$500 to reimburse him for pecuniary loss sustained on account of injuries.

GENERAL CONFERENCE AFTER MATH.

Rev. Dr. M. C. B. Mason, until recently the educational secretary of the Methodist Episcopal church, received the well deserved honor from the General Conference of the church, recently held at Minneapolis.

One cannot refrain from exclaiming the low depths descended to in bringing about the defeat of Dr. Mason. Another was elected to the office, the while it succeeded to the extent that expression of confidence by the Board, of which he is a member, speaks more than volumes for the integrity, the honor and nobility of the man.

The confidence in Dr. Mason is so deep founded that it is a matter of wonder as to how one would have the courage to make an attack upon him. The record of the Educational Department shows the following:

A committee consisting of the following, Bp. Moore, Bp. Waldon, Sec. Mayberry, L. N. Gatch and Dr. Leo Aultman were called to meet in the Bishop's Room in the M. B. Concern at the request of Dr. Mason to consider some rumors concerning his moral character.

Bp. Moore called the committee to order and on motion Dr. Leo Aultman was appointed secretary.

Bp. Waldon led in prayer. Dr. Jameson moved that we express, after having gone over all the facts before us, we do not find anything against the character of Dr. Mason. Carried.

The board of managers of the Freedmen's Aid Society on April 16, 1912, unanimously passed the following resolutions:

Resolved, That the Board of Managers of the Freedmen's Aid Society at this last meeting of the quadrennium, records our high appreciation of the devoted services of our two corresponding secretaries, and rejoice in the splendid success that has attended their labors during the quadrennium.

In the General Conference assembled on Saturday, May 25, those who know Dr. Mason best are better situated to judge and determine his high standing and character, offered the following resolution, which was unanimously adopted:

Whereas, Dr. M. C. B. Mason has served for a period of nearly twenty years in the service of the Freedmen's Aid Society; and

Whereas, He has been one of the corresponding secretaries for four quadrenniums, thereby reducing the long standing debt of the society to approximately \$35,000; and

Whereas, Dr. M. C. B. Mason, one of the best products of our schools, by his superior services, great lectures, inspiring sermons and addresses at our colleges and conferences and by the worthy lift he has lived among us, has wrought nobly.

Resolved, First, that we record our appreciation of Dr. Mason's valuable service for the uplift of our people.

Resolved, Secondly, that we request the Board of Managers of the Freedmen's Aid Society to continue his salary until the meeting of their conference. The usual rule is that general officers who are now re-elected, meeting of their conference, but in the case of Dr. Mason it will be seen that a departure was taken because the doctor so well deserved the exception.

EUREKA ASSEMBLY NO. 1.

Knights of Alpha Elects officers. At the last meeting of Eureka Assembly No. 1, Knights of Alpha, the regular routine business was transacted. Mr. Earl Walker was elected to membership in the assembly, and the following officers were elected for the ensuing year.

W. H. Johnson, Sir Knight Controller; L. B. Greer, Sir Knight, vice J. Q. Adams, Sir Knight Notary; W. F. T. Chandler, Sir Knight Financier; Thos. S. Williams, Sir Knight Relate; Thos. A. H. Leafall, Most Worthwhile; Private R. H. Cotton; Sir Knight Chamberlain; Thos. H. Smith, Sir Knight Cavalier; Theodore Harris, Sir Knight Consul; Frank Turner, Sir Knight constant.

After the election the officers were duly installed by supreme controller J. R. White.

Commendation. I am proud to see that the young men are waking up to the fact that more gallantry and courtesy is due their young lady associates and are giving private parties and dances instead of only attending public dances which often have a tendency to degrade rather than to elevate. Three cheers for the young men of Minneapolis who are in the lead.
