DIAMONDS

THERE is nothing more acceptable for
It's an accepted fact the world over, that a diamond is the queen of all jewels. As a gift, it is everlasting, it never wears out. There are millions of dollars invested in diamonds that are handed down from one generation to another. They make a person look distinguished, prosperous and happy.

As an investment they have no equal. You can anticipate on a diamond in any part of the world. We can give you more diamond value for your money than any other dealer in the Northwest. We have opportunities to get our diamonds below market value and we divide up the value with the purchaser. We carry ladies' rings of every description. Solitaires mounted in platinum and 18k gold, all sizes, up to \$1,000.00 in price.

A very fine selection of the latest style in little finger rings. A number of very handsome La Vallieres. An assortment of diamond and plain solid gold bracelets, and the latest and most fashionable patterns in 25 year filled bracelets.

We have a fine selection of fancy rings from \$6.00 to \$25.00, both ladies' and gentlemen. Diamond pieces made up to order. The very best workmanship and the richest material, platinum and 18k gold. We submit designs. Our prices are very reasonable. Cash paid for diamonds. Money advanced on diamonds.
