THE PRE-EMPTION LAW
 1. The settler must never before have had the benefit of pre-emption under the act.
 2. He must not, at the time of making the pre-emption, be the owner of 320 acres of land in any State or Territory of the United States.
 3. He must settle on and improve the land, in good faith, for his own exclusive use and benefit, and not with the intention of selling it on speculation; and must not make, directly or indirectly, any contract or agreement, in any way or manner, with any person or persons, by which the title which he may acquire of the United States should ensue, in whole or in part, to the benefit of any person except himself.
 4. He must be twenty-one years of age and a citizen of the United States; or if a foreigner, he must have declared his intention to become a citizen, before the proper authority, and receive a certificate to that effect.
 5. He must build a house on the land, live in it, and make it his exclusive home; and must be an inhabitant of the same at the time of making applications for pre-emption. (Until lately a single man might board with his nearest neighbor, but the same is now required of a single as a married man, except the settler is married, his family must live in the house.)
 6. The law requires that more or less improvement be made on the land, such as building, fencing, &c.; but pre-emptions are granted where a half-acre is broken and enclosed.
 7. It is necessary that no other person, entitled to pre-emption, reside upon the land at the same time.
 8. No one is permitted to remove from his own land, and make pre-emption in the same state or territory.
 9. The settler is required to bring with him to the Land Office a written or printed application, setting forth the facts in his case of the 1st, 2d and 3d requirements here mentioned, with a certificate appended, to be signed by the register and receiver, and make affidavit to the same.
 10. He is also required to bring with him a respectable witness of his acquaintance, who is knowing to the fact of his settlement, to make affidavit to the 4th, 5th, 6th, 7th and 8th requirements here mentioned, with the same set forth on paper, with a corresponding blank certificate attached, to be signed by the land officers.
 11. The pre-emptor, if a foreigner, must bring with him to the land office, duplicates of his naturalization papers, duly signed by the official from whom they were received.
 12. A minor who is the head of a family, or a widow, may also pre-empt, their families being required to live on the land.
 13. The settler is required to file a written declaratory statement of the intention to pre-empt, before he can proceed with his pre-emption.
 Fees.—1st. The fee required by the register, for filing a declaratory statement, is one dollar.
 2d. For granting a pre-emption the register and receiver can receive fifty cents.

PROSPECTUS
 OF
THE ST. CLOUD DEMOCRAT
 THE St. Cloud VIZIER will not be the organ of any party or sect, but the members of it can be heard through its columns in any article of suitable length and sufficient literary merit. The first page will contain tales, poetry, anecdotes, &c.; and western readers will always find a summary of news gleaned from Eastern exchanges, while a large space will be devoted to giving Eastern readers correct information about the great North-West. In this department we expect the assistance of several hundred local reporters, farmers and their wives, Red River traders, lumbermen, land agents, surveyors, hunters &c., men and women who dwell in the land, walk up and down; and go to and fro in it; but we will use all possible diligence in making personal observations and not mislead our readers by false or exaggerated reports.
 On all moral and political questions the VIZIER will deal fairly by those who differ with it; but the editorial department will never represent anything but the convictions of the editor. Consequently its creed will be—1st. The Divine law is the Supreme law in all lands created by its author.
 2d. All men are created free; and equal in their right to life, liberty and the pursuit of happiness.
 3d. The Bible, and the Constitution of the United States are anti-slavery; and human chattelhood is unconstitutional in any association professing to receive either as fundamental laws.
 4th. Paying taxes is as unwomanly, as voting; and is a privilege which should be exclusively confined to "white male citizens, of this and other countries," until women share with them the responsibility of saying what use shall be made of the funds they are required to contribute to the public treasury.
 TERMS.—Single copies \$2.00 per annum; 2 copies \$3.00; 5 copies for \$7.00; 10 copies for \$12.00; 20 copies for \$20, all strictly in advance, and no papers sent after the time expires for which it has been paid. Single copies 50c. Letters on business to be directed to the publisher.
