

WOOD!

What do our subscribers who intend to build in wood, send us some dry lumber. We are very much in want of it; and cannot keep the office going unless we get some more soon.

The new grist mill at Kingston in Meeker County is said to be doing a fine business and turning out a superior quality of flour. Farmers in the South West of Stearns County will find it convenient, as the mill at St. Cloud is not able to do nearly all the work offered.
