**DRACONIAN M. E. CHURCH.**—Divine service every Sabbath, at 10:45 a. m., and 7 p. m. Prayer Meeting and Church every Thursday evening at 7:15. Sabbath School at 11:15 o'clock every Sabbath morning. DAVID TUCK, Pastor.

**The Circulation of the Democrat** is DOUBLED that of any other paper published above St. Anthony Falls. Let Advertisers remember this.

**For all kinds of JOB WORK** call at this Office.

**Wanted.**—An intelligent, honest, industrious boy, of from sixteen to nineteen years of age, to learn the printing business. Good wages will be paid. Inquire at this office.

See interesting correspondence on first page.

An advertisement from Capt. Carver, requesting proposals for transportation, will be observed.

Rev. George Chase, of Anoka, will occupy the pulpit of St. John's church, on Sabbath next. Services to commence at 11 o'clock a. m.

We have received a letter from our Washington correspondent concerning the assassination of President Lincoln, but the same facts were fully laid before our readers in last week's paper.

A variety of household furniture, nearly new, for sale cheap. Call this week. S. H. NORRIS

Do not waste your money buying any of the worthless articles called Goto Pass, which have flooded the market for the last few years, when at lower prices you can get pens which are acknowledged to be the best in the world.

Avoid the shamless upstarts whose lack of brains compels them to attempt imitations, even to the advertisement. If you want the full value of your money, see in another column: "The Pen is Mightier than the Sword."

POSTMASTER.—Mr. Frank Kent has been appointed Postmaster at Kennebec river James Buchanan (not the old Pub. Func.) Frank will make an excellent P. M.

GAME.—Pigeons have been plentiful this spring than for many years. In the country, they collected in flocks of myriads. Ducks and geese are also abundant.

COUNCIL MEETING.—We are requested by Mayor Evans to give notice that a Special Meeting of the Town Council will be held at Ald. Taylor's office, on Saturday evening. As this will probably be the last meeting of the present Council, it is necessary to conclude all unfinished business.

AT HOME.—The Austin (Mower County) Register acknowledges a call from Colonel Rogers, of the 8th Minnesota, who had just returned from the army on a sick leave. He carries his right arm in a sling, and has in all probability lost the use of it for life. This gallant officer would be welcomed by many of our citizens, who saw him leave St. Cloud one year ago, strong and cheerful.

THE SURPRISE.—It will be seen that the patriotic ladies of St. Cloud announce a Supper at Brokers' Hall, on next Monday evening. The object to which the proceeds will be devoted is sufficient to draw seventy-five cents from almost any one's pocket, while those who go on the principle of getting "their money's worth" can rest assured of a first rate opportunity. The ladies of St. Cloud are famous for getting up good suppers. We hope there will be a full attendance.

FROM THE ARMY.—M. C. Ober, who, after having served three years in the Second Minnesota Battery, was honorably discharged, with twenty-two others, at Chattanooga, on the 28th of March, favored us with a call last week. He returns home in good health—having during the entire term of his service, never been in the hospital a single hour, never asked for or received a furlough, and never received a wound, although engaged in most of the principal battles in the south-west. We would call that a good record.

PERSONAL.—On Friday last Mr. Wm. Powell returned from the east. Look out for a heavy stock of goods in a few days. Mr. John Denton returned on Saturday evening, having made his spring purchases. His goods will arrive this week.

Mr. Howard Potts, formerly of this place, but latterly of St. Paul, is in town on a short visit, previous to his departure for Pennsylvania, his old home. Howard! We sincerely hope that your shadow may never be lost.

A DEERLY COMPLIMENT.—We clip the following from the Pioneer: Messrs. Kinkaid and Seck are devoted and faithful friends of the sick soldier in their Department. All who have had occasion for their aid speak highly of them. The State is fortunate in having the services of two such excellent and humane gentlemen. Their "record" is a noble one. These gentlemen have also volunteered to act as pension agents for widows of any of our soldiers, who have pensions or back pay due them. They will do this free of charge to the applicants. Address Box 641, Washington, D. C.

SUPPER.—The Ladies of St. Cloud will give a supper at Brokers' Hall, on Monday Evening May 1st, at 7:15 o'clock, in behalf of the Sanitary Commission to be held in Chicago, May 30th. Admission, including supper, seventy-five cents. The public are invited to attend.

TAKES NOTICE.—We have just printed a supply of blanks for the use of towns, under the law relieving recruits and drafted men from paying taxes for bounties. Also, Summons and Subpoenas for Justices of the Peace.

Town Clerks can procure suitable blanks for dog licenses at this office, already printed.

**MARRIED.**

We confidently believe that the LA PETITE ORGAN, because of its artistic excellence and adaptability to the practical wants of the public, is destined to be more widely used, both in private houses and in churches and halls, than any other large musical instrument. Without detracting from the merits of the Piano-Forle, which stands confessedly in the highest place as the interpreter of certain classes of music, superiority may be claimed for the LA PETITE ORGAN in that to some extent it unites the power of the Piano with those of the Church Organ, while its capacity for the fit expression of sacred and home music, to which Americans are chiefly attached, is entirely superior to that of the Piano-Forle. Add to this the fact that it can be furnished AT MUCH LESS COST. The instrument is manufactured at this establishment combine all the recent improvements, and are
