Circumstances beyond our control render it impossible for us to issue a full

City Serip.

sheet this week.

The Bulletin of the 24th says: We o'serve In the New Era of last evening an advertise. ment of R. Simpson, Comptroller of the City Treasury, offering for sale very valuable prop. erty in the city, for city serip at par. The paution that Mr. Simpson occupies certainly gives him an opportunity of knowing the true value of city money, and his statements, which we subjoin may have the effect of caising its other than the taking of measures to make it convertible into specie at the will of the holder. Mr. Simpson sa s:

Bank of Illinois formed the only circulation; and nearly paid for. There are about \$280... 000 of city sero in circulation, distributed over Illinois and Missouri, and it would have remained in good repute, but for sympathising friends and interested individuals, many of whom are indebted to the city for taxes, licen. ses, &c. The revenue of the city, estimated this year at \$15,000, will probably next year clusive, of licenses, wharfage &c., daily accou- my hearty prayers for his success. 17g, in the hands of the City Cell eter and on Commons \$70,000, which if not paid in a of the debtors

Our readers will find in another column a letter from the Hon. J. C. Edwards, one of our representitives in Con. I write and say, should be known to all gress, in answer to a letter of H. G. Edwards Esq., of this place, soliciting information in relation to the establishfor the purchase of water rotted Hemp, for the use of the Navy. it appears that but one agent has as yet been appointed; but the fact that the cultivation of hemp is beginning to receive the undivided attention of a large portion of the most wealthy and enterprising farmers. throughout the state, renders it quite on the western waters. We have every facility, and consequently every inducecountry can offer.

The editor of the Western Missonrian ment agent, with a sample of Missouri

The fall term of our Circuit Court ha just closed. There were but two crimi-· nal prosecutions; the cases being mostly money suits .- Thomas McDouald, who was committed some time since under a charge of horse stealing, was convicted and sentenced to the Penitentiary, for the term of four years.

be of great advantage to the producers of this (St. Louis) and other grain markets, here, (Saint Louis) 45 cents per bushel, is with much satisfaction that we can rein data, however, on which I ground which it will not be, however, until the opinions and arrive at conclusions, will month of October. fer them to him as an intelligent, discrect. be drawn from official sources, together and safe business man, whose means of with the letters of my correspondents.
