

**The happy Farmer.**

Saw ye the farmer at his plough  
As you were riding by!  
Or wearied 'neath his noonday toil  
When summer suns were high!  
And thought you that his lot was hard!  
And did you thank your God  
That you, and yours were not condemn'd  
Thus like a slave to plod!

Come see him at the harvest home,  
When garden, field and tree,  
Conspire, with flowing stores, to fill  
His barn and granary.  
His healthful children gaily sport  
Amid the new-mown hay,  
Or proudly aid, with vigorous arm,  
His task as best they may.

The dog partakes his master's joy,  
And guards the loaded wain,  
The feathery people clap their wings,  
And lead their youngling train.  
Perchance, the hoary grandsire's eye  
The glowing scene surveys,  
And breathes a blessing on his race,  
Or guides their evening praise.

The harvest Giver is their friend,  
The maker of the soil,  
And earth, the mother, gives them bread,  
And cheers their patient toil.  
Come join them round their wintry hearth,  
Their heartfelt pleasures see,  
And you can better judge how blest  
The farmer's life may be.

**The Bible.**

Bible—blessed bible!  
Treasure of the heart!  
What sweet consolation  
Doth thy page impart;  
In the fiercest trial,  
In the deepest grief,  
Strength and hope and comfort,  
In each holy leaf.

Bible—let me clasp thee—  
Anchor of the soul!  
When the storm is raging,  
When the waters roll,  
When the frowning heavens  
Darken every star,  
And no hopeful beacon  
Glimmereth afar,  
Be my refuge, bible!  
Then be thou my stay;  
Guide me on life's billow—  
Light the dreary way.  
Tell me of the morrow,  
When a sun shall rise,  
That shall glow forever  
In unclouded skies—  
Tell me of that haven  
In the climes above,  
Where the bark rides safely  
In a sea of love.

Bible—let me clasp thee!  
Chronicle divine,  
Of a world's redemption,  
Of a Savior, mine!  
Wisdom for the simple,  
Riches for the poor,  
Hope for the depending,  
For the sick a cure.  
Rest for all the weary,  
Ransom for the slave,  
Courage for the fearful—  
Life beyond the grave!  
Bible—blessed bible!  
Treasure of the heart,  
What sweet consolation  
Doth thy page impart;  
In the fiercest trial,  
In the deepest grief,  
Strength and hope and comfort,  
In each holy leaf.

G. W. HARLOW, Agent.  
Kosciusko, January, 1846

**PROSPECTUS**

For publishing in the town of Kosciusko, Attala county, Mi., a weekly newspaper, to be entitled the

**KOSCIUSKO CHRONICLE.**

The United States of America is a great country—the State of Mississippi a great State—the county of Attala a great county—and the Town of Kosciusko, no doubt, would be a great Town, was it not for the simple facts that the seat of government has not yet been removed to said town—that Big Black has not yet been cleared out, so that steam-boats can navigate it up to a point opposite said town—that the Jackson Railroad has not yet been extended on, through Canton, to said town—and more particularly, that at this time there is no newspaper published in said town, through which these projects can be laid before this great people. Now, it is a well established fact, beyond the point of contradiction, that we are a great people who live in this great country—State—county—and that we expect great works to be accomplished some time or other, by somebody or other, or somebody else, and that Kosciusko would be a great place if these great improvements were but just completed, thereby bringing it, as it were, within a stone's throw of the East Indies, Australia, China, Siberia, Greenland, Kamtschatka and the North Pole.

Therefore, be it known to all men, women, children and grasshoppers, that the subscriber, in order to facilitate these great undertakings, and prevent their being nipped in the bud, and more particularly to turn an honest penny for himself, proposes to commence the publication of a little newspaper in said town, on Saturday, the third day of January, Anno Domini one thousand eight hundred and forty six, to be styled the Kosciusko Chronicle, and to continue to publish said paper weekly, until these great objects shall be accomplished, should the Lord be pleased to spare his life so long, and he be willing to continue in the business that long; and if not him, then to have it done by somebody else after him. The subscriber being a strong believer in the doctrines promulgated by the immaculate Harry of the West, and the Godlike Daniel of the East, it might be surmised by the knowing ones that the paper will be whiggishly inclined; but be this as it may, he will not at this time contradict it.

TERMS.—Two Dollars per annum in advance. G. W. HARLOW

**DR. GORDON'S**

**VEGETABLE ANTI-BILIOUS FAMILY PILLS.**  
For the cure of Bilious Fever, Yellow Fever, Remittent and Intermittent Fevers, Inflammatory, Nervous and Putrid Fever, Pain in the Head, Side, Back and Stomach; Inflammation of the Brain, Stomach, Lungs, Liver, Kidneys, Throat and Chest; Dropsy, Scrophula, Syphilis, Sick Headache, Rheumatism, Cholera, Dyspepsia, Hysterics, Low Spirits, &c.

DR. GORDON'S PILLS are truly the sick man's friend. No Traveller or Family should be without them. Their timely administration will prevent much pain and suffering, and save many valuable lives.

These Pills were compounded by Dr. Gordon after years of study and careful observation upon the nature of the different medicines, and the effect which they produce upon different constitutions in various forms of disease. They have been extensively used by some of our most eminent Physicians, and by many private families for several years; and such has been the satisfaction which they have given, that it is firmly believed that the vegetable kingdom does not furnish any materials for a purgative medicine, which surpasses for general use, those of which these pills are composed. They do not contain Calomel, Mercury or any mineral preparation; but are composed entirely of concentrated vegetable extracts, carefully prepared and so combined as to be Certain, Safe, and Easy in their operation—should it be otherwise, the stomach and bowels contain foul and acrid bilious matter—showing great necessity for purgative medicine.

These Pills do not require particular attention to diet or drink; and may be taken at all times when most convenient without the fear of increased liability to take cold. It is asserted by many that Fevers, and in fact all diseases, are caused by an impure state of the Blood. The impurities which usually pass off by the bowels and various other outlets, being retained in the blood, renders it unfit for the nourishment and support of the different parts of the body. This produces disease—and that part of the system which is weakest is most easily affected.

The Bowels being the principal channel through which a great portion of the impurities of the system are discharged, it is evident that whatever acts beneficially on them must be conducive to health. And as the Bowels are the most effectual, and in fact, almost the only way by which a general impression can be made upon the system, it is perfectly reasonable to suppose, that nearly all diseases will be cured, or at least, much benefited by a judicious use of purgative medicines. If a physician is called to a patient, what is the first thing done? He prescribes a dose or two of purgative medicines; and then, after a day or two, if the patient is no better, he gives him another dose of purgative medicine, and so on; doing some other little things—but the main reliance for a cure is upon the effect produced by purgative medicines.—Therefore if you are sick, delay not, but take a few doses of Dr. Gordon's Vegetable Family Pills, and be again restored to health.

**PETERS' PILLS.**

If there was ever a medicine that merited the public praise for the good it has done in relieving the sick and the distressed, it certainly must be Peters' Vegetable Pills: it would take a volume to contain all the complimentary evidence in their favor. Those who have once tried these pills know how to appreciate their good qualities. To those who know nothing of their excellence as a medicine the proprietor would submit the following letters and certificates:—

TESTIMONIALS OF CURES.  
Had there been but space sufficient, the proprietor might insert hundreds of letters under this head, but as it is, he can only find room for a few of the shortest.

ALBANY, N. Y., Jan. 1, 1838.  
Sir—I take much pleasure in bearing testimony to the efficacy of your pills in removing bile from the stomach, and in all complaints emanating from that source. Yours, respectfully, GEO. HULL, M. D.

Dear Sir—I have made a frequent use of your pills in the incipient stage of Bilious Fevers and obstinate constipation of the bowels, also in the enlargement of the Spleen, Chronic Diseases of the Liver, Headache, General Debility, and in all cases have found them to be very effective. J. D. BOYD, M. D.

MCKENZIE CO., Va., Feb. 7, 1837.  
Having used Dr. Peters' Pills in my practice for the last twelve months, I take pleasure in giving my testimony of their good effects in cases of Dyspepsia, Sick Headache, Bilious Fevers, and other diseases, produced by inactivity of the liver. They are a peculiarly mild, yet efficient purgative medicine, and produce little, if any, griping or nausea. I have prescribed them with much success in sick headaches and slight bilious fevers.

Extract of a letter by Dr. Joseph Williams, of Burlington, Vt., July 10, 1837.  
I cordially recommend Peters' Pills as a mildly effective and in no case dangerous family medicine. They are peculiarly influential in costiveness and all the usual diseases of the digestive organs.

**DR. TYLER'S**

**VEGETABLE FEVER AND AGUE PILLS.**  
THE GREATEST REMEDY.

A certain, safe and effectual cure for Ague and Fever, in all its varied forms. Also, an excellent Tonic in Dyspepsia, Palpitation of the Heart, Loss of Appetite, Neuralgia, Nervous and other diseases which arise from a weak and debilitated condition of the system.

The success of these pills in curing in a few hours, where all other remedies have failed, and that too, in cases of twelve and eighteen months' standing, warrants the assertion that, if taken according to the directions, they are a certain cure. A long list of certificates in proof of their infallible directions are deemed sufficient. Try them and be convinced that they are the most effectual and most certain, and the very best remedy ever offered to the public, to insure a permanent and lasting cure.

BALTIMORE, Dec. 12, 1845.  
Having for several years past suffered under repeated attacks of chills and fever, especially during the fall and spring months, I was induced to try various remedies, but nothing seemed to be effectual, until I tried Dr. Tyler's ague and fever pills, which stopped the chills before I had taken half the box. This was over a year since, and I have remained perfectly free from any symptoms of a return to this most loathsome disease.  
GEO. M. WAIT.

BALTIMORE, Dec. 15, 1843.  
Dr. G. K. Tyler—Dear sir: It is with great pleasure that I announce to you a perfect restoration of my health by the use of your invaluable pills. I had been suffering from Chills and Fever for eighteen or twenty months, during which time I took five bottles of Rowand's Tonic Mixture, Dr. Sherman's Fever and Ague Lozenges, Dr. Love's Vegetable Elixir, Keener's Powders, Barks, Quinine, Thompsonian Medicines, Arsenic, Herbs, and in fact almost all the popular remedies I could hear of; and yet received no lasting benefit. The chills were stopped by Quinine and other things, but after a few days or weeks they would return again as bad or worse than before. Towards the last, the chills came only every third day, and these were followed by fever of such severity as to affect my reason, and it was found necessary for some one to watch with me until the paroxysm passed off. At last I procured a box of your pills, and only took four of them; this so completely stopped the chills, that I have never had a return of them up to this time, (nearly two years), and near a year of this time was passed in the same place where I first caught the disease.

That my case is not one cured by chance, is proven from the fact that four pills out of the same box cured Capt. Reuben Banks, so effectually that he has never had the disease since, whereas before he often suffered from it. Two other persons were also cured by the contents of this same box, and they neither of them have had a return of it, although they both reside where they are exposed every season.

I know several others who have been cured by your pills, but it is unnecessary to detail their cases. The best certificate of their efficiency in Chills and Fever, will be a few doses, and if they are as beneficial to others as they have been to me, they may be truly called a public blessing.

I am with much respect, your obed't servant,  
HENRY BRISCOE!

**SHERMAN'S COUGH LOZENGES**

ARE the safest, most sure and effectual remedy for Coughs, Colds, Consumption, Whooping Cough, Asthma, Tightness of the Lungs or Chest, &c., &c. The proprietor has never known an instance where they did not give perfect satisfaction. Several thousand boxes have been sold within the last year, restoring to health persons in almost every stage of consumption, and those laboring under the most distressing coughs and colds. They do not check and dry up the cough, but render it easy, promote expectoration, allay the tickling or irritation, and remove the proximate or exciting cause. They are made from a combination of the most valuable expectorant, or cough medicines, and are undoubtedly superior to everything in use for those complaints. Hundreds upon hundreds of certificates have been offered of their wonderful virtues, from those who have been saved from an untimely grave, and restored to perfect health, by using them.

SHERMAN'S WORM LOZENGES.  
PROVED in more than 400,000 cases to be infallible; the only certain worm-destrorying medicine ever discovered. Many diseases arise from worms and occasion long and intense suffering and even death, without their ever being suspected; grown persons are very often afflicted with them and are doctored for various complaints, without any benefit; when one dose of these Lozenges would speedily cure them.
