

Messrs. BENSON & GREEN:—In the House of Representatives to-day, the Dorr glorification resolutions being the order of the day, were taken up. After the resolutions had been read a second time, Mr. Davis offered as a substitute the following resolutions:

- 1. That the Legislature of Missouri have no right to question the guilt of the prisoner in the case of the conviction of Thomas W. Dorr in Rhode Island...
2. That the verdict of guilty, and the judgment of the State Court in the State of Rhode Island, by which the said Thomas W. Dorr was committed to prison, cannot, consistent with good faith, be inquired into by authority of any other State in the Union...
3. That to attempt to call in question the integrity of the Court or the sovereignty of the laws by which the said Dorr stands convicted of Treason, is beyond the Legislative sphere of action assigned by the constitution to this General Assembly...
4. That inasmuch as the Supreme Court of the United States have refused to bring up the said Dorr, upon an application for the writ of habeas corpus, to inquire into the cause of his detention in prison, for want of jurisdiction, that this General Assembly will not assume jurisdiction over the case...
5. That the indictment, arrest, arraignment, trial, conviction, sentence, and imprisonment, of Thomas W. Dorr, for Treason, are the affairs of Rhode Island—not of Missouri.

Mr. Davis supported his amendment in an able speech, in which he conclusively showed to all that by the constitution and laws of this State, the legislature had no right to intermeddle in the domestic affairs of sister States. That this State had, from time to time, passed acts of a penal character to prevent citizens of other States from interfering with the institutions of this State, and that good faith required this General Assembly to abstain from meddling in the affairs of Rhode Island. But the locus had made their arrangements to pass these glorification resolutions, and therefore a motion was made to reject the amendment offered by Mr. D., and carried, ayes 51, noes 34. The question then recurred upon the adoption of the resolutions, when a division was called for, and the three first adopted by a unanimous vote. The question was then taken on the 4th, 5th, 6th, 7th and 8th resolutions, and carried in the affirmative by a strict party vote, and thus has been spent a large portion of one day in passing declarative resolutions in relation to certain supposed rights of a citizen of another State. When the General Assembly of this State undertakes to lecture others in relation to violated rights, it may be well to look at home. "First take the beam out of thine own eye;" and when we apply this golden rule, how stands the account? This House, so solicitous about the personal rights of Dorr, only a few days since assented to the passage of an act, the effect of which is, to disfranchise their own citizens—to put it in the power of a minority of less than one-third of the people to govern the majority; but this is democracy! And why? Because the effect will be to keep the party in power, and thus save the "loaves and fishes."

The act to organize and govern Common Schools has for some time been under consideration in the Committee on Education, and it is understood will be reported to the House shortly. Many applications for alteration in this act have been presented, and quite a respectable number have suggested a change in the management of the Township School Funds—to transfer the funds from the County to a Township Treasurer, to be managed and controlled by the School Directors in lieu of the County Court. This change will be earnestly advocated by a number of members, but whether it can be carried is quite uncertain.

MARRIED.—On Thursday, the 30th ult., by the Rev. Wm. M. Burton, Mr. JOSHUA CAMERON, of Chariton county, to Miss HANNAH A. SYLVA, in the vicinity of Richmond.

Oliver and Mary, his wife, to me as Trustee, for the benefit of Messrs. Storer, Price & Co., and Messrs. Montelius & Fuller of Philadelphia, for the purposes therein mentioned, dated 2d day of June, 1840, and filed for record 25th of August, 1840, in the Recorder's Office, in and for the County of Saline, State of Missouri, I will proceed to sell, on Saturday, the 15th day of February, 1845, between the hours of 10 o'clock, A. M. and 3 o'clock, P. M., at the place designated in the Trust, known as the "ROCKLAND MILLS," to the highest bidder, for cash in hand, the following described property, to-wit: Three hundred and twenty acres of Land, situated near Marshall, in Saline county, it being the "south east quarter of section No. 11, and north west quarter of section 14, of township No. fifty, of range No. twenty-one, containing three hundred and twenty acres." Also, at the same time and place, the property known as the "ROCKLAND MILLS," and described in said Deed of Trust, as follows: "Beginning at the east half mile corner, between sections thirteen and eighteen, on the range line between nineteen and twenty, of township forty nine and running thence south on said range line, sixteen poles to a stake; thence north 75 degrees; west sixteen poles, ten links, to a Spanish oak, standing on the edge of the Salt Fork; thence crossing the said Salt Fork, angling south 35 degrees; west 56 poles to a Turkey oak on the west bank of the Salt Fork; thence North 60 degrees; west until said line strikes the middle of the channel of the Salt Fork; thence down the middle of the Salt Fork to N. B. Tucker's corner in the Salt Fork; thence east on the range line to another corner of said Tucker's land; thence on the range line to the beginning, being the land on which the Saw and Grist Mill of the said Wm. N. Oliver now stands, and containing, by estimation, fifty acres, be the same more or less, together with all and singular the improvements and appurtenances thereunto belonging or in any-wise appertaining."
