"And the leaves of the trees were for the heal-

Medical Notice.

Important and Unequalled Discoveries.

DR. JAMES M. MARTIN'S IMPROVED  
FAMILY MEDICINE.

UNTIRING RESEARCH, travel and labor,  
combined to the advantages afforded by an  
extensive and diversified practice have enabled Dr.  
J. M. MARTIN to make various highly import-  
ant discoveries in the healing art.

In offering his preparations to the human fam-  
ily, Dr. Martin fearlessly hazards the assertion, that  
they are not only unsurpassed, but not equalled,  
either for their curative properties, or for mildness,  
safety and certainty in their operations, by any  
other preparations compounded for similar pur-  
poses, now before the public.

Dr. James M. Martin's Inevitable Pills, for the  
cure of Fever and Ague and all other Fevers, have  
not in a single instance failed to accomplish a per-  
fect cure when the directions have been strictly  
followed. This medicine has in various violent and  
desperate cases, effected radical cures, after the pa-  
tients had been abandoned and their condition pro-  
nounced hopeless, by medical gentlemen of high  
professional character.

Dr. MARTIN'S ANTI-BILIOUS VEGETABLE UR-  
TERINE PILLS.—This preparation will certainly  
remove all impurities of the blood, is an effec-  
tual remedy in many of the complaints which  
afflict the human system, and for the various pain-  
ful and vexatious diseases incident to the female  
sex, no preparations now known to the public are  
equal to these pills. As a cathartic, they are en-  
tirely safe, always efficacious, and operate with-  
out unwholesome, they also act as a cosmetic, and  
render the complexion clear, rich and soft.

Dr. MARTIN'S JENI-DYSPEPTIC AND ANTI-CON-  
SUMPTIVE PILLS.—These pills are principally pre-  
pared of Indian remedies, and operate almost like  
a charm. For dyspepsia, consumption, chronic  
cough, pain in the breast, spitting blood and com-  
plaints of the bowels, generally, this medicine is a  
certain cure when taken according to the accom-  
panying directions. For many of the complaints  
with which children are afflicted, it is truly effica-  
cious and without a rival.

Dr. MARTIN'S NEVER FAILING WORM DESTROY-  
ING MEDICINE.—This preparation now ranks among  
the most important discoveries of this, or any  
other age, for expelling worms.—It never fails.—  
Parents who are anxious to preserve the lives of  
their children, should always keep the in-  
valuable Medicine in their families.

See Dr. James M. Martin's pamphlet, entitled  
the "Family Physician." This edition, filled  
with all agents for gratuitous distribution.

All the above Medicines are to be had  
wholesale and retail at the Drug and Book Store  
of Dr. W. M. R. SNELSON, Fayette, and at the  
store of GEO. R. KNOX, Rocheport. Responsible  
persons in every neighborhood in the counties of  
Boone and Howard, are requested to call and re-  
ceive the above medicines on deposit, for the con-  
venience of the afflicted in their respective neigh-  
borhoods.

A few of the certificates among thousands of  
which Dr. Martin is constantly receiving, ex-  
pressive of their grateful acknowledgments, will  
occasionally be inserted.

CERTIFICATES.

Certificate of Mrs. Nancy Hawkins.

Dr. James M. Martin—Sir—A duty which I  
owe to the public as well as to myself, impels me  
to advise you of the great benefits that have re-  
sulted from the use of your medicine, from the  
use of your Medicines. Those unacquainted with  
you, or with your long experience and unsur-  
passed skill as a practicing physician, might readily  
be inclined to believe, that you are attempting a  
base imposition upon the unsuspecting and credu-  
lous. But it must be admitted, and the afflicted  
who have used your Medicines are certainly under  
the obligation, that you have approximated per-  
fection in the healing art, and I have myself ad-  
ministered your FEVER PILLS, when life was almost  
gone, and every hope had been abandoned by gen-  
tlemen well skilled in your profession, and I have  
never known the medicine to fail. I was present,  
myself, in nine cases of obstinate fever, in all of  
which your Fever Pills were used. The rapid re-  
covery of the patients, in every instance, occa-  
sionally surprised me, and astonished me, in those  
who were acquainted with their condition. I have  
also used your UNIVERSAL LIFE PILLS, and frequently  
administered them to others, and am persuaded that  
as a universal medicine, they are unequalled. In  
fact, suffering humanity is largely indebted to you,  
and at no very remote period, the many blessings  
you have been instrumental in imparting to the  
afflicted, will meet with the grateful acknowledg-  
ments of a grateful people.

NANCY HAWKINS.  
St. Louis County, Mo., April, 1843.

Certificate of Mrs. Margaret Main.

Mrs. MAIN has received from the University of  
Edinburgh a diploma, as an Accouchese, and  
her services in that capacity, as also in that  
of nurse or doctor, are held in great reputa-  
tion.

I have accurately observed the operation of Dr.  
James M. Martin's medicines, and take great  
pleasure in recommending them to all mothers and  
heads of families, as being superior to any which  
I have met during a long practical experience,  
both in Europe and in this country, among females  
and children.

MARGARET MAIN.  
Jefferson City, Jan. 3, 1842.

St. Louis, Mo., June 7th, 1843.

Dr. James M. Martin: Sir—I deem it a duty  
which I owe to you as well as to the thousands and  
tens of thousands of the sufferers of the human race,  
to bear testimony, and to put that testimony upon  
record, of the great and unequalled blessings that  
have been imparted to others, by the use of your  
ANTI-BILIOUS VEGETABLE URTERINE PILLS. I have known  
men to relieve suppression of the Urine, of one  
or two years standing, after repeated efforts of the  
most eminent and skillful of your profession had  
failed to produce any favorable result, and the  
sufferer rapidly hastening to an untimely grave,  
while yet in the bloom of youth. After the use of  
two boxes of your Life Pills, every thing was  
restored to its proper organization—Health, Beauty,  
the Physical Powers, and the Life of the female.  
As a mother who has seen much and many addi-  
tions incident to her sex, I cannot too strongly  
recommend your medicines to all mothers and  
heads of families, believing, as I do, that they  
are among the greatest earthly blessings we pos-  
sess and knowing, from experience, that they are  
universal in their application. And let me assure  
you, that it is my sincere wish, that the giver of  
all good gifts, may, when your cup shall be full,  
recompense you for the manifold blessings you have  
been instrumental in conferring upon suffering  
humanity.
