

[Communicated.]
Messrs. BROWN & GREEN:—Gentlemen,
When at St. Louis, last week, I engaged the
services of Mr. A. D. HARTMAN, a German
Piano, highly recommended as a teacher of the
Piano, Guitar and Singing. He will be
at Fayette during the first week in April, for the
purpose of forming classes.
Mr. Hartman has been for some time Profes-
sor of Music in the "Convent of the Sacred
Heart" at St. Louis, where, I am informed, he
gave universal satisfaction. J. T. C.

We learn that JOHN F. STONE, late mem-
ber of the Convention from Boone county,
died at Columbia, on Wednesday night.
CARROLLTON, March 14th, 1846.
Messrs. BROWN & GREEN:—I am at home, at
last, after taking my pleasure excursion, as I
called it, before I left home, which, by the way,
was considerably mixed. I now return, my
vacations, doing, as I think, a great deal at
times—occasionally sporting with my dog and
gun, but more especially meditating about things
past and to come. There is no subject that
excites me more than the one which has most
employed you. You are aware of the kind of life that
I have lived—and many of the pleasures attend-
ing the same; and you may be surprised to find
the kind of pleasure I now enjoy in my present
abode, but you have still less idea of what most
engaged my attention while on my last trip. It
was nothing more than to notice what changes
will take place in a short time, and the many
quaint ideas that my brother Merchants, at the
present time, make use of, and publish to the
world, to bring themselves into notice. I find
many retiring from business, as I learn from
various causes; some from necessity and others
from a matter of interest, while others are blowing
away at a desperate rate. They remind me
of drowning men grasping at straws. It is amuz-
ing to see their many little notices in the papers,
and the "cards" stuck up at their doors—all to
attract the eye of the customer. Your town has
some little of the above "doings" as most inland
towns do have, but the way they do up things in
Glasgow, is a "caution to Croakers." The Jews
and Gentiles are sticking out their banners on the
outer wall, and would have you believe there was
no other house that had goods in them to sell.
They even go so far. I am told, as to catch the
oxen by the horns and stop them. For one of our
country gentlemen to be hailed by so imposing
a personage as one that is accused, is considered
very complimentary—and to be invited into such a
fine and spacious room, and to be surrounded by
honored by an introduction to "Mr. Breeze," a
gentleman from Cincinnati, who suits himself to
any company, is rather more than they can bear.
You may know this "Mr. Breeze" is a polished
gentleman, for I am told that he gets so very cold
at times that they punch him with a hot poker, and
at other times he has his visitors so excited that
they are scarcely able to keep the little end down,
to a common phrase.
They have many modes of exciting trade; most
frequently, I am told, when they catch one of
our green boys, they bait him with a small quan-
tity of sugar that cost eight cents, for five, and
salt for \$1.50 that cost \$2.50, and Whiskey for
25 cents that cost 28 cents, and the article is so
very strong that during that cold weather we had,
it hardly ever failed to crack the jug—if left alone
over night. And they will give most any price for
any merchantable article offered for sale, and sell
you goods on the same cheap terms above. How
they do this, and make profit, as they certainly
do, for they are always building fine houses. I
can't conceive. This system of finance was not
known in my days of mercantile life. Another
resort I'll mention. A small trade was made,
while I was down, about a small lot of dry beef
bought by one of the cash stores; the same was
having been bought previously too, by another
man; but to stop the trade was the game. "Mr.
Breeze" was introduced, he was in fine spirits
and there was no get off from him; he gave 7 cents
per lb., something more than the seller was to
get, and promised him the cheapest bargains in
the town; the trade was made, the hides were
weighed, and, to the astonishment of the seller,
lost some 15 per cent. he doing the correct-
ness of the scales, mounts on himself, and had
gained some three pounds since he had left
home. Strange thoughts he had—what were they?
I think myself he certainly improved by the trip;
and should be persuaded to try it again. Prob-
ably the loss in the hides may be accounted for
by the gain.
AN EX-MERCHANT.

The safest, simplest, and most effectual way
of curing Rheumatism, Gout, Pain the Back, Side,
Breast, &c., is by applying the "Jew David's
or Hebrew Plaster." A trial of this really excel-
lent remedy will convince all of its great value.

Sold by Dr. Wm. R. Snellson, Fayette. Also, by
R. P. Hanenkamp, Glasgow.
ONE THING IS CERTAIN,
That Wistar's Balsam of Wild Cherry is far the
best remedy now used for all distressing coughs,
and diseases of the lungs. The cures being per-
formed are really astonishing the world. Dr. Wis-
tar's Celebrated Preparation is wholly an innocent
remedy—being composed principally of the Wild
Cherry, and extract of Pine; combined by a new
chemical process, with the genuine Iceland moss,
another of Nature's great curatives for pulmonary
diseases.
Those who want a remedy that will surely cure
should send immediately to the store of Dr. Wm.
R. Snellson, Fayette, or to R. P. Hanenkamp,
Glasgow.

MARKETS.
St. Louis, March 23d.
HEW.—There is no demand for this article.
Several lots of dew rotted have been offered in the
market at \$60 per ton, but no buyers could be
found at that price, and they were either forward-
ed or taken into store. The only sales noticed
are two lots fair dew rotted, in common order,
amounting to 25 bales, at \$62 and \$64 per ton,
and for best samples, in shipping order, \$55 per
ton is the highest price offered. Received, 770
bales.
TOBACCO.—No sale at the Warehouse since
Wednesday. Received 49 bbls.
WHEAT.—The demand and price have both im-
proved since Wednesday. Sales of prime since
Thursday morning, have been lively, at 67 1/2 cts;
fair and good 66 1/2 cts; medium and mixed at
65 1/2 cts; inferior and spring, at 45 1/2 cts
per bushel. The receipts have been fair, embrac-
ing a larger proportion of good and prime qual-
ities than in the early part of the week. Re-
ceived, 665 bbls., 7,701 sacks.
COAL.—We quote sales at 28c. per bushel, in-
cluding sacks, and at 22c. per bushel, sacks
returned. Received, 268 sacks.
PORK.—Holders of Pork are asking \$9 50 a
\$7 50 for mess and prime, and the highest offer
is \$9.25 and \$7.25, and no sale has been
affected. Beef goes forward, without being offer-
ed. Bacon is also dull, and the only sales re-
ported were 9 sacks sides, at 4 1/2; 20 casks at 4c
round; 20 casks at 4 1/2c, round.
NEW ORLEANS, March 15.
By the arrival of the packet ship Toronto, at
New York, we have received dates from London
to the 7th and from Liverpool to the 6th ult.
The accounts may be deemed unfavorable, in
commercial point of view. The advices, in con-
nection with the upward tendency of prices in

New York, had a good effect upon our Cotton
market yesterday, which opened with an animat-
ed demand, and the sales reached 8,000 bales at
prices decidedly in favor of sellers.
The transactions in Tobacco yesterday, amount-
ed to about 100 bbls., including 8 bbls. admitted
at \$4; 15 bbls. refused at \$4; 24; 9 bbls. ad-
mitted at 4 1/2; 5 bbls. refused at 2 1/2; 32 ad-
mitted at 4 1/2, and 12 do. at 5c per lb.
About 4000 bbls. of Flour was disposed of yester-
day, including 1200 Ohio, at \$4 35; 1050 at
\$4 37 1/2; 500 at \$4 30; 100 at \$4 37 1/2; 316 at
\$4 35; 85 at \$4 37 1/2; 50 fine at \$3 80, and 150
at \$3 87 1/2 per bbl.
The business in Corn reached to fully 8000
sacks, amongst which were 5000 sacks mixed at
40c; 13000 do. at 46; 1000 at 46; and 345 at 45 1/2
per bushel.
There was no change in the Provision market
yesterday. Only about 400 bbls. pork changed
hands, viz: 50 bbls. mess at 10 50; 70 do. at
10 1/2; 30 do. at 10 70; 10 M. O. at \$10; 35 do.
at \$10 1/2; 21 runners at \$9; and 100 prime at
\$9 per cwt. In beef we noticed a sale of 40 bbls.
prime at \$5 75. About 50 casks bacon were dis-
posed of, including 15 casks sides at \$5; and 30
do. in small lots, at 6c. per lb. The following
sales of lard were effected: 100 casks at 6 1/2c; 100
do. at 6c; 116 at \$5; 56 bbls. at \$5; 62 do. at 6 1/2c.

WISTAR'S BALSAM
THE
OF WILD CHERRY
GREAT REMEDY
Consumption of the Lungs,
Affections of the Liver, Asthma, Bronchitis, Pain
or Weakness of the Breast or Lungs, Chronic
Coughs, Pleuritis, Hemorrhage of Lungs,
and all Affections of the Organs.
MORE PROOF AFFED.
FOURTH EDITION, (N. Y.) Sept. 15, 1845.
Mr. S. W. FOWLE—Dear Sir:—The character
of Wistar's Balsam of Wild Cherry is so well
established throughout the country, and especially
in this State, that any further testimony would
seem to be almost unnecessary—yet I have derived
so much benefit from it myself, that I am happy
to communicate, through you, to the sick and
afflicted, what it has done for me; and consider it
a privilege and duty to do so. I have been trou-
bled with weak lungs for four years, with a cough
more or less every day. I was confined to my
room all last winter with a severe cough, pains
in my breast and side, and several times had turns
of bleeding at the lungs. I consulted a physi-
cian, but have never taken any medicine that has
done me so much good as Wistar's Balsam of
Wild Cherry. I consider it the best medicine
in the world for coughs, colds and pulmonary com-
plaints. Respectfully yours,
WILLIAM B. SWARTZ.

Mrs. Gould, or another proof added!! The cures
performed by Wistar's Balsam of Wild Cherry
are astonishing to the world.
Boston, September 10, 1845.
TO THE SICK AND AFFLICTED.
Dear Sir: I take pleasure in communicating
through you, to all whom it may concern, and the
public generally, the astonishing effect your truly
wonderful medicine has had upon me. I have not
enjoyed perfect health for four or five years. Physi-
cians told me my liver was diseased, and that
I might some day die with consumption. Last
September, 1844, I took a slight cold, which pro-
duced a hacking cough; this continued until Feb-
ruary, 1845, when I added another cold, my cough
increased, I soon lost my appetite, and my strength
failed; for six weeks I could not lie upon my
side; I sweat very much of nights, raised consid-
erable blood during the winter, and could not
speak a loud word for two weeks. With all these
bad symptoms, I had very severe pain in my side
and between my shoulders; general debility fol-
lowed. I was confined to my room about eight
weeks. I had buried a sister and brother, both
of whom I loved dearly, and my friends and
my friends also despaired of my life. At this
time, an uncle, who had been benefited himself,
advised me to take Dr. Wistar's Balsam of Wild
Cherry. I accordingly procured a bottle, took it,
and felt some better; obtained another, and a third;
then I ceased to bleed and my cough was better;
but my disease was so deeply rooted, I was obliged
to continue taking the Balsam, until I had taken
seven bottles. I am honestly and truly say, I be-
lieve Dr. Wistar's Balsam of Wild Cherry saved
my life.

JEW DAVID'S
OR
HEBREW PLASTER,
The Great Remedy for
Rheumatism, Gout, Pain in the Side, Hip, Back,
Limbs, and Joints; Scrofula, King's Evil, White
Swellings, Hard Tumors, Stiff Joints,
AND ALL PAINS WHATSOEVER.
The discovery of this great remedy, which has
done so much for the relief of suffering humanity,
in both hemispheres, was the result of many years
of patient investigation, travel and research, by
an eminent Jew Doctor, from whence its name
originates.
It is composed principally of vegetable oils,
combined with resinous gums, which have long
been known to possess remarkable virtues for the
relief of pain and weakness.
It is a simple, yet powerful remedy, and the
universal success it has met with in the cure of
the diseases above enumerated, has fully estab-
lished the fact, that
WHERE THIS PLASTER IS AP-
PLIED, PAIN CANNOT EXIST.
The peculiarities of this Chemical Compound are
owing to its extraordinary effect upon the animal
fibres, or nerves, ligaments and muscles; its vir-
tues being carried by them to the immediate seat
of disease, or of pain and weakness.
RHEUMATISM AND GOUT
Have long been considered among the most excru-
ciating of diseases, with which mankind are af-
flicted, and thousands are now lingering out lives
of suffering and misery, when, by the use of this
Plaster they could be entirely cured.
IN CONSUMPTION AND LIVER COM-
PLAINT—
Diseases which have long baffled the skill of physi-
cians—it has also proved very beneficial, and if
used in connection with Wistar's Balsam of Wild
Cherry (which we always recommend), the re-
lief afforded is immediate, and disease is most
certainly banished from the system. Few very
few cases can withstand the combined influence
of these two powerful remedies. Those subject to
PALPITATION, OR THROBING OF THE HEART,
Will find immediate relief from using this Plas-
ter, which exerts a powerful influence over nervous
diseases generally, and its success in that class
of cases has been truly surpassed all those who have
submitted to a trial.
Many cases of that alarming form of disease,
called SCROFULA, OR KING'S EVIL, have been cured
by its use. It does not act as a repellent; but
imperfectly draws out the poisonous humors,
and renews a healthy action in the diseased parts.
It has likewise been very beneficial in cases of
Weakness, Such as Weakness and Pain in the Stom-
ach; Weak Limbs; Lameness; Affections of the
Spine; Female Weakness, &c. No female, sub-
ject to Pain or Weakness in the back or side,
should be without it. Married ladies, in delicate
situations, find great relief from wearing this
Plaster.
The application of this Plaster between the
shoulders, has been found a certain remedy for
that distressing complaint, called ASTHMA.
It detroys inflammation by producing a copious
perspiration.
It is equally effectual in softening and healing
KNOTS, WENS, WHITE SWELLINGS, Hard Tumors,
Stiff Joints, Ague Cakes, Ague in the Breast, &c.
In view of the great benefits resulting from the
use of this Plaster, we have been induced to place
it within the reach of every afflicted son and
daughter of Adam; that all, whether rich or poor,
may obtain the treasure of health which results
from its use. Those who wish to satisfy them-
selves of its efficacy, can obtain sufficient to
spread six or eight Plasters for fifty cents; a sum
not half sufficient to pay for the insertion of a
single certificate into any of our most common
prints, a single time.
For proof of the virtue of this remedy, we re-
fer, with pleasure, to the testimonials and certifi-
cates of the grateful thousands who have been
rescued from beds of pain and sickness, and who
now walk erect, rejoicing in the mercy of the
divine Providence who has bounteously provided
a cure for every wound.—A REMEDY FOR ALL WHO
SUFFER ONE.

All orders addressed to PHELPS & BLAKES-
LEY, corner of Chestnut and Third Streets, St.
Louis, Mo., will receive prompt attention.

One Hundred Dollars Reward.
Stop the Runaways.
MY left hand on Monday night, the 10th of No-
vember last, without any known cause, not having
had an angry word spoken to
either of them, since I pre-
sume their object is to make
for a free State, possibly aided
by some abolitionist. The fol-
lowing is about 30 years old, five
feet, five or six inches high, well set
and will weigh 100 to 150 lbs; not very
black; has some defect on one front tooth, the
tooth rather broad, mid countenance pleasant
spoken and has a seal on his right hand and
wrist from an old scald (the right I think) and
is a little hard of hearing; his clothes not particu-
larly known, as he, perhaps, has more than one
suit; I think, however, his coat is either faded
drab or blue cloth, perhaps he may have both with
him.
The woman is about 40 years old; dark colored;
thick visage; large eyes; slender form; about the
average height; intelligent in managing her
clothing I have a very imperfect knowledge of,
as she has a good supply, most of which are at
home; she may have a cloak with her.
I will give the above reward for the apprehen-
sion and delivery to me of said slaves, if taken
out of the State, or in the State, and out of How-
ard, or adjoining counties; and \$50 if taken in
Howard or adjoining counties, or a liberal reward
to have them secured so I can get them again.
