in use, in his line. All the latest improvements  
in the trade have been adopted by him, and neither  
pains nor expense will be spared to make his hats  
equal in durability and beauty, to any manufactured  
either east or west of the mountains.

By an arrangement which he has made, at much  
expense, he will produce the New York Spring and  
Fall fashions simultaneously with their production  
in that city, thus enabling the fashionable custo-  
mer to supply themselves a month earlier than heretofore.

Doing exclusively a cash business, the good custo-  
mer is not vexed with the delinquency of the bad;  
and selling for once price only, the customer is  
saved much time and trouble.

Orders for single hats or caps, specifying the  
circumference of the head, promptly attended to.  
Each and every hat is guaranteed to be all that it is  
represented in selling, and the subscriber will be  
responsible for any deficiency either in the color or  
wear.

**Dr. Spencer's Vegetable Pills,**  
AND  
**Tonic and Restorative Bitters.**

This medicine has long been known and appre-  
ciated for its extraordinary and immediate pow-  
ers of restoring perfect health in persons suffering  
under nearly every kind of disease to which the  
human frame is liable. Their manifest and sensi-  
ble action upon the chyle, which is the fountain  
head of health or disease, they may justly be con-  
sidered a universal medicine, and the complaints  
that come most directly under their influence, and  
for which they are so particularly designed are as  
follows: Bilious fever, fever and ague, dyspepsia,  
liver complaint, sick headache, enlargement of  
the spleen, jaundice, asthma, dropsy, rheumatism,  
piles, cholera, bowel and summer complaints, fe-  
male obstructions, heart-burn, nausea, furred  
tongue, distention of the stomach, indigestion,  
incipient diarrhoea, flatulency, habitual constiveness,  
loss of appetite, bloated or swollen complexion,  
and in all cases of torpor of the bowels, where  
a cathartic or aperient medicine is needed. As  
many of the above enumerated diseases come on  
imperceptibly, and become far advanced in their  
progress before it is expected that they exist in  
the system, no one should suspect, in such cases,  
to be at once relieved entirely, but should continue  
the use of the pills for a considerable length of  
time. Full directions accompany each box, for  
the use of the pills, in all those complaints for  
which they are recommended.

Read what those persons who have used Dr.  
Spencer's Pills and Bitters, say of their merits  
and efficacy.

Dr. N. H. Edwards of Baltimore, has used Dr.  
Spencer's Pills and Bitters in his practice for the  
last twelve months, in several cases of sick head-  
ache, dyspepsia, bilious fever, fever and ague, and  
says he always found them safe and efficient.

Geo. A. Haddleton, Esq., merchant, Wilson  
county, Tenn., says he used the Pills and Bitters  
with entire success, and that in costiveness, sick  
headache and bowel complaint, they are the best  
medicine he is acquainted with.

James Byrter, Esq., of Gibson county, Tenn.,  
says he had been four years afflicted with a se-  
vere dyspepsia and liver affection, and got no re-  
lief from the medical faculty or from any prepara-  
tion of medicine, till he used that prepared by Dr.  
Spencer, which immediately restored him to perfect  
health.

We refer the afflicted to the pamphlets to be  
had gratis of all the agents who sell the medi-  
cines, for further testimonials of its efficacy.

Price 25 cents per box, and one dollar per bot-  
tle.

Principal office for the sale of the medicine, is  
at 67 Bowery, New York.

Sold by Dr. Wm. R. Snelson and J. Riddle-  
barger & Co., Fayette.

**DR. HULL'S**  
**Vegetable Fever and Ague and**  
**Anti-Fever Pills.**

OF all the remedies ever discovered for the  
Ague, certain and effectual cure of the Ague  
and Fever, or Chills and Fever, none have more  
merited and received the approbation of the public  
than these pills. Upwards of eighty thousand  
boxes have been sold, in only six States, within  
the last twelve months, and over 20,000 boxes  
of these have been sold in the State of Alabama  
alone. The proprietor has never known a single  
instance where these pills have failed to cure the  
Chills and Fever, where they have been used  
strictly according to the directions accompanying  
them. One box of these pills is sufficient to cure  
two cases of common Chills and Fever.

Messrs. Pettigrew and Gray, of Spring Creek,  
Tenn., writing under date of July 1st, 1845, say  
they are entirely out, have sold 75 boxes in a few  
weeks, and not a single failure. They say they  
never sold a medicine which gave such satisfaction,  
and cured so quickly and effectually.

Judge Fox, of Jonesboro, Alabama, was  
cured by half a box, after the physicians had ex-  
hausted all their skill, and failed to cure him.

R. F. Houston & Co., of Livingston, Ala-  
bama, sold 144 boxes in a few months. Every  
box of which they warranted to cure, and in no  
one case were they returned.

Dr. Mattison, of Benton county, Alabama,  
says he never knew an instance where Hull's  
Pills failed to effect a permanent cure in all cases  
of fever. Price one dollar per box.

**ALSO, HULL'S COUGH LOZENGES.**  
EVERY family in the United States should keep  
a supply of these Lozenges in the house, not  
only to counteract the consumptive tendencies of  
the climate, but to be used as a remedy in all  
cases of Cough, Bronchitis, Difficulty of  
Breathing, Night Sweats, Pain in the Side or  
Chest, Consumption and general debility. They  
will be found far more efficacious than the bal-  
sam, and various other expectorants before the  
public.

One single 25 cent box will reveal their  
astounding virtues, and open at once the fountain  
of health and strength to the afflicted.
