Important and Unequalled Discoveries.

DR. JAMES M. MARTIN'S APPROVED FAMILY MEDICINES.

UNTERING RESEARCH, travel and labor, combined to the advantages afforded by an extensive and diversified practice, enable Dr. J. M. MARTIN to make various highly important discoveries in the healing art.

In offering his preparations to the human family, Dr. Martin fearlessly lizards the assertion, that they are not only unsurpassed, but not equalled, either for their curative properties, or for mildness, safety and certainty in their operations, by any other preparations compounded for similar purposes, now before the public.

Dr. James M. Martin's *Invariable Pills*, for the cure of Fever and Ague and all other Fevers, have not in a single instance failed to accomplish a perfect cure when the directions have been strictly followed. This medicine has in various violent and desperate cases, effected radical cures, after the patients had been abandoned and their condition pronounced hopeless, by medical gentlemen of high professional character.

DR. MARTIN'S ANTI-BILIOUS VEGETABLE UNIVERSAL LITE PILLS.—This medicine will certainly remove all impurities of the blood, and is an effectual remedy in many of the complaints which afflict the human system, and for the various painful and vexatious diseases incident to the female sex, no preparations now known to the public are equal to these pills. As a cathartic, they are entirely safe, always efficacious, and operate with unusual mildness; they do not act as a cosmetic, and render the complexion clear, rich and fair.

DR. MARTIN'S ANTI-DYSPEPTIC AND ANTI-CONSTIPATIVE PILLS.—These pills are principally prepared of Indian remedies, and operate almost like a charm. For dyspepsia, consumption, chronic cough, pain in the breast, spitting blood and complaints of the bowels, generally, this medicine is a certain cure when taken according to the accompanying directions. For many of the complaints with which children are afflicted, it is truly efficacious and without a rival.

DR. MARTIN'S NEVER FAILING WORM DESTROYING MEDICINE.—This preparation now ranks among the most important discoveries of this, or any other age, for expelling worms.—It never fails.—Parents who are anxious to preserve the lives of their innocent offspring should always keep the invaluable medicine in their families.

See Dr. James M. Martin's pamphlet, entitled the "Family Physician." This edition, left with all agents for gratuitous distribution.

All the above Medicines are to be had wholesale and retail at the Drug and Book-Store of W. M. R. SNELSON, Fayette, and at the store of GEO. KNOX, Rochester. Responsible persons in every neighborhood in the counties of Boone and Howard, are requested to call and receive the above medicines on deposit, for the convenience of the afflicted in their respective neighborhoods.

A few of the certificates among thousands of which Dr. Martin is constantly receiving, expressive of their grateful acknowledgments, will occasionally be inserted.

**CERTIFICATES.**  
Certificate of Mrs. Nancy Hawkins.

Dr. James M. Martin—Sir: A duty which I owe to the public as well as to myself, impels me to advise you of the great benefits that have resulted, within my immediate knowledge, from the use of your Medicines. Those unacquainted with you, or with your long experience and unsurpassed skill as a practicing physician, might readily be inclined to believe, that you are attempting a disadvantageous competition with the unscrupulous and credulous. But it must be admitted, and the afflicted who have used your Medicines are certainly under the conviction, that you have approximated perfection in the healing art. I have, myself, administered your FEVER PILLS, when life was almost gone, and every hope had been abandoned by gentlemen well skilled in your profession, and I have never known the medicine to fail. I was present, myself, in nine cases of obstinate fever, in all of which your FEVER PILLS were used. The rapid recovery of the patients, in every instance, occasioned surprise and astonishment in those who were acquainted with their condition. I have also used your UNIVERSAL LITE PILLS, and frequently administered them to others, and am persuaded that as a universal medicine, they are unequalled. In fact, suffering humanity is largely indebted to you, and at no very remote period, the many blessings you have been instrumental in imparting to the afflicted, will meet with the grateful acknowledgments of a grateful people.

NANCY HAWKINS.  
St. Louis County, Mo., April, 1843.

**Certificate of Mrs. Margaret Main.**  
Mrs. MAIN has received from the University of Edinburgh a diploma, as an *Accoucheuse*, and her services in that capacity, as also in that of nurse or doctor, are held in great requisition.

I have accurately observed the operation of Dr. James M. Martin's medicines, and take great pleasure in recommending them to all mothers and heads of families, as being superior to any which I have met during a long practical experience, both in Europe and in this country, among females and children.

MARGARET MAIN.  
Jefferson City, Jan. 3, 1842.

St. Louis, Mo., June 7th, 1843.

Dr. James M. Martin: Sir—I deem it a duty which I owe to you as well as to the thousands and tens of thousands of the sufferers of the human race, to bear testimony, and to put that testimony upon record, of the great and unequalled blessings that have been imparted to others, by the use of your ANTI-BILIOUS VEGETABLE LITE PILLS. I have known them to relieve suppression of the Menstrues of one or two years standing, after repeated efforts of the most eminent and skillful of your profession had failed to produce any favorable result, and the sufferer rapidly hastening to an untimely grave, while yet in the bloom of youth. After the use of two boxes of your Life Pills, every thing was restored to its proper organization—Health, Beauty, the Physical Powers, and the Life of the female. As a mother who has seen much and many afflictions incident to her sex, I cannot too strongly recommend your medicines to all mothers and heads of families, believing, as I do, that they are among the greatest earthly blessings we possess and knowing, from experience, that they are universal in their application. And let me assure you, that it is my sincere wish, that the giver of all good gifts, may, when your cup shall be full, recompense you for the manifold blessings you have been instrumental in conferring upon suffering humanity.

**CARROLL'S HORSE BLOCK.**  
COUSIN SALLY, ain't you glad Carroll has put such a nice horse block up at his corner; we are independent of them shays down town now; they lay their elbows down on the counter and look lazy. It is one of the most disgusting sights I ever saw, to see one just laying his elbows on the counter as if he was about to spew. I tell you what it is, Cousin, they don't do so in Virginia, nor in St. Louis, neither at Carroll's. Glasgow, January 31st, 1846.

**Great Change in Glasgow.**  
EVERY body is talking about the great change in Glasgow since Carroll has put up that large fine store in the upper end of town. The way they old shanty's are rattling down below, is a caution; some of 'em are trying to sell out at cost; others are trying to raffle off their old rubbish, but Carroll is under them all at least 25 per cent at last. Glasgow, January 31st, 1846.

**Carroll's Corner Forever.**  
DID you ever hear any thing like it! Every body is talking about Carroll's corner and how cheap he sells his goods. No wonder, I went there to-day and bought a cotton yarn at seven cents. Glasgow, January 31st, 1846.

**Union Academy.**  
THE undersigned is permanently established as a Teacher of Children and Youth, at Union Academy, about three and a half miles west of Fayette. He is a graduate, and has had nearly five years' experience in teaching; more than three of which, he has spent in the house which he now occupies; always giving special attention to the best means of developing and instructing the youthful mind.

While this school is designed to furnish a thorough Classical and Mathematical course of instruction, constant effort will be made to impart a minute and accurate knowledge of the elementary branches, such as Arithmetic, English, Latin and Greek Grammars, and other studies preparatory to a liberal course—as experience has proved, that while pursuing these, the intellectual character is mainly formed. Every pupil is required to make a thorough and rigid analysis of each book as he proceeds; to state in his own words his view of the subject in hand, that his misapprehensions may be corrected, and thus to discipline and strengthen his own mind.

It will be the constant aim of the Instructor to prepare his pupils for the practical duties of life, not only by teaching them to think for themselves on all subjects, but by introducing frequent exercises, drawn from the various business transactions of the world.

Young gentlemen wishing to qualify themselves for teaching, will receive instruction with special reference to that object.

The location of this Institution offers peculiar advantages, situated in a most beautiful and fertile border, removed from the corrupting influences of town, and village, and surrounded by highly respectable families, with whom board may be obtained, as well as the intellectual advancement of its pupils.

**Hewes Liniment and Elixir for Rheumatism.**  
THE sudden, certain and sure relief that the use of this preparation gives to the sufferer, is almost beyond belief. Its penetrating powers, are very great, so much so, that the worst cases, have been entirely cured, in two or three days. Persons troubled with this complaint, have only to use these preparations according to directions, the Elixir inwardly, and the Liniment applied outwardly, and a cure is effected almost before they have looked for it, and in many cases, the application.
