

SCARLET FEVER usually commences with nausea and sickness, great thirst, headache, redness of the eyes, &c. In two or three days a prickling sensation is experienced, and an eruption of a fiery redness begins to appear, first on the face and arms, and finally a uniform redness covers the whole body.

In cases of Scarlet Fever, Wright's Indian Vegetable Pills should be taken every night on going to bed, in such doses as to produce copious evacuations by the bowels. This course, if properly followed up, will in a short time subdue the most violent attack of Scarlet Fever, at the same time the digestion will be improved, and the blood completely purified.

**Beware of Counterfeits.**—THE ONLY ORIGINAL AND GENUINE INDIAN VEGETABLE PILLS HAVE THE SIGNATURE OF WILLIAM WRIGHT WRITTEN WITH A PEN ON THE TOP LABEL OF EACH BOX. None other is genuine, and to counterfeit this is forgery. The genuine is for sale by SWITZLER & SMITH, sole agents for Fayette; D. C. CHAMPTION, Champion's Mill; J. B. CARROLL & Co., Glasgow; FELIX REDDING, Keytesville; M. T. ATKINS, Brunswick; and wholesale and retail by HENRY BEASLEY, St. Louis. Office and general depot, 100 Race Street, Philadelphia.

**WRIGHT'S Indian Vegetable Pills,**  
OF THE NORTH AMERICAN COLLEGE OF HEALTH, THE ORIGINAL AND ONLY GENUINE PREPARATION. Every day is this celebrated medicine extending the sphere of its usefulness, and every year adding to the long catalogue of its triumphs.

A MILLION OF BOXES are distributed annually without fully meeting the demand. For some time past, the sales have been limited solely by want of facilities of supply.—Truly this is a universal remedy! Unhappily, these Pills have found their way into the remotest corners of the Union, every where proving their title as

THE POOR MAN'S FRIEND AND SICK MAN'S HOPE—THE MARVEL AND BLESSING OF THE AGE.

For a trifling sum, every individual and every family may have

**HEALTH INSURED** to them for life indefinite period, and what is life without health but a miserable existence! It is too precarious a boon to be tampered with, by trying all sorts of experiments upon it. The sick should use those medicines only which experience has shown to be the best.

**READ! MARK! LEARN! AND INWARDLY DIGEST** the following most remarkable statement from one of the most respectable citizens of Northumberland county, Pennsylvania:

PETERSVILLE, Pa., May 4, 1847.

Dr. Wright—I have often wished to inform you of the benefits derived from the use of your Indian Vegetable Pills, not for the purpose of gratifying you, who are a stranger to me, but with the hope that other fellow beings, who might be similarly afflicted, may be induced to fly to the same resort.

In the fall of 1841, I was persuaded to use your Pills; before I had used one box I felt encouraged to continue, and did continue, until I had used 12 boxes, having stopped at intervals and commenced again. The result was, that in the Spring following, I left the sick bed and room to which I had been entirely confined for eight years; during which long period I had recourse to the skill of the best physicians that could be obtained, and who did all in their power; but all their efforts were in vain. Indeed, I never derived the least benefit.

My complaint was originally rheumatic, which was afterwards aggravated by a cold. The two combined became seated in my whole system. I became helpless—my legs and arms were of no use to me during that long time, in which I suffered beyond my power to describe; and if I were to attempt description, it might appear to others an exaggeration. Nor will I attempt to tell you how much money I paid the doctors.

I may mention that in those four years I did not take more food than a healthy man would use in four months. The eating of victuals had much the effect the swallowing of a coat might have.

I will not be too lengthy, but conclude by saying that old age is the only hindrance to performing labor. My appetite has been ever since unimpairedly good, and I enjoy the night restfully.

I live in Moore township, Northampton county, Pennsylvania; am a farmer; am 74 years of age; and though you are unknown to me, I conceive you the greatest benefactor the earth ever afforded me.
