

What a Poor Man Can Do in Kansas.
From the Burlington Patriot.

Mr. A. James, of Rock creek, is a pretty good sample of what grit and perseverance will do in this county. He came here fourteen years ago, homesteaded a quarter-section of splendid land and has added to it until he now has 320 acres. He has respectable farm buildings, 100 acres under fence, a large and growing hedge, and 80 acres of corn, 18 acres of wheat, 500 apple trees, 200 of them bearing, a lot of peach, cherry and other fruit trees in bearing, and has fifty head of cattle. Mr. James is a prudent and industrious Illinois farmer and considering he came here empty handed, without means, he has done pretty well in fourteen years. His corn will average fifty bushels per acre, and he is satisfied Kansas is the best state in the union for a poor man to get a start in. This county has plenty of room for just such thrifty farmers as Mr. James.

A Sure Cure for Piles.
A sure cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. Williams' Indian Ointment, prepared only for Piles and nothing else. Thousands already cured, many of whom suffered 30 years and spent hundreds of dollars without benefit. No pile remedy ever gained such rapid favor and extensive sale. Williams' Ointment supports the tumors and allays the intense itching at once. \$10,000 reward is offered for a better remedy. "I suffered 20 years with itching and ulcerated piles; used every remedy that came to my notice without benefit, until I used Dr. Williams' Indian Ointment and received immediate relief." **JAMES CARROLL, (an old miner) Toooma, Nev.** Thousands testify to its merits. Sold by all wholesale and retail druggists everywhere. **MORRISON PLUMMER & Co., Wholesale Agents, Chicago, Illinois.**

An Astonishing Fact.
A large proportion of the American people are to-day suffering from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of people is most alarming, making life actually a burden instead of a pleasant existence as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism and take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western Continent.

"Secrets of The Whisky Ring."
Gen. John McDonald's great work sells faster than any book ever published. As applications are coming in from all quarters, and territory is fast being taken up, send at once for prospectus, enclosing 75 cents, naming **FIRST, SECOND and THIRD** choice of territory; also "life of Garfield and Arthur," latest and most reliable. In order to be first in the field other publishers have thus carelessly omitted much valuable information. Price of prospectus 75 cents. Call on or address **D. L. SULLIVAN, 1202 Main street, Kansas City, Mo.**

How to get Sick.
Expose yourself day and night, eat too much without exercise; work to hard without rest; doctor all the time; take all the vile nostrums advertised; and then you will want to know

HOW TO GET WELL.
Which is answered in three words—Take Hop Bitters! See other column.—Express

Can Paralysis be Cured?
The son of Mr. Urbansky, a merchant of St. Mary's Mission, Kan., was some years ago stricken down with paralysis which so affected him that it was with difficulty that he could walk. Under the treatment of Drs. Dickerson & Stark of the Kansas City Surgical Institute his disease was permanently cured.

Miraculous Power.
The "Forest and Stream" has it: "To preserve health use Warner's safe Kidney and Liver Cure, and other Warner's Safe Remedies. These are almost of miraculous power in removing diseases for which recommended. The wonderful curative qualities they are possessed of is vouched for by tens of thousands."

Why Are You Bilious.
Because you have allowed your bowels to become costive, and liver torpid. Use Kidney-Wort to produce a free state of the bowels, and it will stimulate the liver to proper action, and cause new life in the blood.

Many persons will take no medicine until they are prostrated on a bed of sickness. This is folly. Nature always calls for assistance when needed to throw off impurities. With our habits of life, it is necessary to render this help. **PRICKLY ASH BITTERS** will not force nature, but acts mildly and renders the assistance required. Try them.

A. W. Brown, M. D., of Providence, R. I., says: "I have used HUNT'S REMEDY in my practice for the past 16 years, and cheerfully recommend it as being a safe and reliable remedy." All Diseases of the Kidneys, Liver, Bladder and Urinary Organs are cured by HUNT'S REMEDY.
