Send for prices.

FEET BROTHERS & CO., of Kansas City, made a fine display of a large variety of their Soaps, and carried away the highest honors. Their extensive manufactory has become one of the leading concerns of this kind in the West. Their soaps have no superior, and dealers and consumers throughout the country consider them standard. The growth of this house has been marvelous. Their buildings and machinery are of the best class, and their trade has extended all over that vast territory known as the "New West." Their establishment would be creditable to a great city.

TRUMBULL, REYNOLDS & ALLEN.
This great Implement and Seed house, of Kansas City, were awarded the first premium for the best display of Farm Machinery and Seeds. The St. John Sewing Machine, for which this house are general western agents, was decorated with the blue ribbon at this fair, as well as at those held at Atchison, Oswego and elsewhere this season. This machine is growing daily in popularity, as it deserves to, for it is probably the most perfect machine made. The general display of Trumbull, Reynolds & Allen attracted universal attention by its extent and excellence. They were awarded a larger number of first premiums than any other exhibitor. Their seed exhibit was very complete. It embraced all the field and garden seeds known to the western farmer.

An Astonishing Fact.

A large proportion of the American people are to-day suffering from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of people is most alarming, making life actually a burden instead of a pleasant existence as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western Continent.

Safes.

The Detroit Safe Co., made a magnificent display of their Safes and "Time" locks, and received all the honors and premiums awarded at the fair on their line of goods. Mr. John A. Hamlin, general western agent, 121 West Sixth street, Kansas City, has been remarkably successful in introducing these goods into all parts of Missouri, Kansas, Nebraska, Texas and New Mexico. Having established this department less than a year ago, it is now the largest agency in this line in the West, and is fast becoming one of the leading houses in the city. These facts are proof of superior merit in the "Detroit" Safe.

Set back 42 Years.

My blood and kidneys are all right, and I am as active as a man of 30, although I am 72, and I have no doubt it will do as well for others of my age. It is worth a trial.—(Father.)—*Sunday Mercury.*

Abigail S. Coles, of Moorestown, Burlington Co., N. J., says: Eighteen months ago I had Dropsy around the heart. My physicians and friends despaired of my ever getting well. The first bottle of HUNT'S REMEDY gave me great relief. I feel, I owe my very existence to HUNT'S REMEDY.
