## PLEADED GUILTY.

James O'Brien alias Rebit Essay, who was indicted on the 24th by the grand jury for perjury in connection with the Morey Chinese letter, was arraigned before Judge Cowan in the general session. He pleaded guilty and said he was born in Georgetown, D. C., was 21 years old and has no occupation. He was remanded till February for sentence.

## OKLAHOMA.

A circular received by Cap. Sanford, of this city, yesterday from the headquarters of Payne's Oklahoma colony at Wichita, under date Nov. 20, states that the colonists will cross the Territory line on Monday, Dec. 3, and desires all colonists to be on hand at the following places by that time: Caldwell, Arkansas City and Coffeyville, Kan.; Fort Smith, Ark.; Denison, Tex., and such other points as may be convenient to the objective point—Oklahoma. The circular is signed by D. L. Payne, president, and W. A. Shuman, secretary. —Arkansas City Traveler.

## SARA BERNHARDT.

To say the least there is a strange state of morals prevailing when respectable men and women idolize a woman like Sara Bernhardt, whose debut on American soil was made in New York last week before an audience of 3,000 persons, which included the wealth and culture of the great metropolis. Sara is in many respects a great woman. She has a brilliant mind, has shown much skill in painting and sculpturing, and has a fame as an actress that reaches the uttermost ends of the earth; but these accomplishments do not hide the fact that she is grossly immoral. Nor does she try to hide her immorality or blush at her shame. Her two illegitimate children, she laughingly terms "accidents of love," and they accompany her in all her travels. The "Upper Ten" of New York city raise their hands in horror at the street outcast and draw aside their garments as she passes by, yet they nightly crowd theatres and listen to one who is in reality no better than she, save the fact that she occupies a higher position in the world.—Fort Smith Independent.

## FORT RENO ITEMS.

Lieut. Pendleton, 23d Inf., is our new quartermaster.

Capt Wm. Thompson, 4th Cavy, left Post on leave of absence on the 9th instant.

Mrs. Capt Clapp left on the 10th on a visit to some of her eastern friends.

Col. Dodge, 23d Inf., arrived at Post on the 10th and remained several days.

Capt Ewing, 16th Inf., left Post on sick leave on the 22nd. Capt E. is a sufferer from Chronic Bronchitis.

Asst Surgeon Banister, U. S. A. left Post on the 15th accompanied by his family. Dr. B. returned on the 23d. Mrs. B. will visit her relatives in Alabama.

Lieut Whitall, 16th Inf., and family left here on the 22nd for Ft. Sill, I. T., where Lieut W. will join his company, which is under marching orders for Texas.

Ice cutting commenced on the 22d and it is to be hoped that a good crop will be gathered. The supply during the past summer, owing to the mildness of the preceding winter, was rather limited.

J. S. Evans returned on the 23d from the East, where he has been selecting lots of nice things for the holidays as well as laying in a large stock of all the staple goods in his line.

Company G. 4th Cavy, Lieut Wood 4th Cavy in command, left here on the 14th for detached service in the Oklahoma country. Tom Donnell and his Indian scouts brought twenty-one of the so-called "Boomers" to the Post on the 15th. They were kept here a few days and then sent on their way rejoicing—back to Kansas—from whence I presume they will make a fresh start for Oklahoma.

## TO STOCK MEN.

The TRANSPORTER being in exchange with the leading stock Journals of Kansas and Texas, will be enabled to furnish reliable and early information on all important matters of interest concerning this great branch of industry, and being prepared with the necessary cuts for brands, it is confidently recommended as the proper means of communication between cattle men. This matter will always receive the notice it merits, and the attention of stock men is called to the importance of having their marks and brands published, to the end that the same may be generally known, thefts prevented and strays recovered. The terms are so reasonable that attention need only be drawn to the matter to recommend it, at once, to your favorable action.

## The Kansas City Journal.

The Kansas City Daily Journal is, as it always has been, fully abreast of the times, furnishing its readers with the latest news from all parts of the world and the very best selected matter for the family. "Give your patrons the worth of their money" is the motto of this staunch paper, and we know of no concern that lives up to its preaching more thoroughly. Besides getting the regular Press dispatches, the Journal has a large number of special reporters and special correspondents who are everywhere present when there is anything of interest to be had. The Journal has no superior as a market reporter, giving each day the very latest quotations of Money, Provisions, Live Stock, etc. of Kansas City, St. Louis, Chicago, New York, Liverpool and other home and foreign markets. In home and family reading matter, the Journal is unsurpassed by any, and the paper throughout is a monument to the sagacity and ability of its managers. The people of the great West are justly proud of the Journal for it is a Western paper in every sense of the term and in every part shows that vigor which characterizes Western enterprise.

We have fixed the price of brand advertising so low that we believe this department will be liberally supported by stock men, and a closer intimacy established between those parts of the country separated by long distances.
