

CURRENT COMMENT.

COQUELIN, the French comedian, will start for the United States next May under the management of Mr. Abbey.

This thirty-seventh anniversary of the admission of California was celebrated as a general holiday in that State on the 9th.

KUKI, the Japanese Minister at Washington, is not a convert to Christianity, but has had his children baptized.

CIVIL SERVICE COMMISSIONER OBERLY has published a long opinion, setting forth the causes for which a postmaster may discharge an employe.

RESISTANCE what planted in the Northwest British provinces show that it matures before the frost and will be of great value to that region.

It is reported that Ayoub Khan has reached Kishak, where he will meet the Amir of the Jemsheds, and solicit the aid of the tribe to overrun Afghanistan.

THE "Repertoire of the Comedie Humaine de Balzac," just published in Paris, requires nearly six hundred pages to name and describe the characters of Balzac's works.

CAPTAIN ARCHIBALD JOHNSON, author of the book "The Ruby Mine," died at New York the other day. He was an auctioneer of horses, music having been his relaxation.

AN Illustrated afternoon paper is proposed in London with a capital of £150,000. The journal will consist of eight pages. The illustrations will be by an American process.

EX-SENATOR MILLER has leased a tract of fifty thousand acres of Adirondack timber land in the north central part of Hamilton County, New York, for fifty years for a game preserve.

JEFF DAVIS is said to still suffer occasionally from a wound in his foot received in the Mexican war. He will attend the Georgia State fair at Macon, October 26, and will review the Confederate veterans.

THE representatives of the Union Pacific and Northern Pacific railroads met again recently at New York to confer on an agreement to divide the territory, so that neither company shall build branch lines into each other's territory.

A DISPATCH from Calgary, British Northwest Territory, says the trouble with the Blackfoot Indians here has far assumed serious proportions. Trouble was expected to ensue when a force of mounted police attempted the arrest of the young chief, Deerfoot.

AMONG the most striking works in this year's exhibition at the Berlin Academy of Fine Arts are several portraits by a young Hungarian painter, Franklin Vilma Parlagi, who established her reputation at the exhibition in Pesth and has since last autumn resided in Berlin.

ROBERT GARRETT, late of the Baltimore & Ohio railroad, is about twenty-seven years of age. He has no fondness for an executive position and can not bear to be chained to a desk. He is devoted to the pleasures of society and he likes to frequent drawing-rooms, clubs and ball rooms.

THE following is a list of the successful naval cadets: Bernard H. Canover West Virginia; Charles W. Lyle, Virginia; Frank B. Seahn, Leonard Goodwin, Robert McGehee, Edgar E. Arison, Pennsylvania; J. E. Gilmore, Wisconsin; Milton E. Road, Iowa; J. H. Sypher, Arizona; J. B. Belknap, Arkansas; W. J. Reese, Texas; Clark D. Stevens, Michigan; and Henry G. Smith, Ohio.

In the Senate at Concord, N. H., recently Senator Sawyer, rising to a question of personal privilege, stated that Kirk D. Pierce, a nephew of the late President Pierce, had offered him a bribe of five thousand dollars to make a speech in favor of the pending Revere & Maine Railroad bill, and that he had spurned the offer. A committee of investigation was appointed. Pierce declared the charge was untrue.

THE Sultan of Turkey has been having a good deal of trouble late. Not long ago his lieutenants revolted, and his Ottoman Majesty has been much annoyed by caricatures which have appeared in the comic journals of Vienna. The Sultan's Porte has officially re-interested the Austrian Government to interfere in behalf of the Sultan, and the result is that the offending editors have promised to ridicule no more the sensitive monarch of the Turkish Empire.

AN American girl, daughter of Oscar Bradley, of New York, and niece of Bishop Neely, of Malmo, has won a diploma from the famous Paris school of medicine, passing a brilliant examination and receiving the maximum mark. Her thesis was "Indian" and for an hour and a half she was ably defended by four of the leading professors of the school, each of whom had been provided with a copy of the thesis. In the black gown and white fichu prescribed for candidates she reminded the audience of Fortia in the trial scene of "The Merchant of Venice."

A TALK for speed of what has proved to be the fastest torpedo boat afloat took place in the Thames at London the other morning. At 10:20 the new torpedo boat Rayo, built on the order of the Spanish Government by Thornycroft, took on board a number of gentlemen connected with the Spanish Legation. The Rayo is of steel, contains twelve water-tight compartments, and is a twin screw vessel. She is constructed to carry four torpedoes. Six runs were made over a measured mile, giving an average run of 29 1/2 statute miles per hour. The fastest run, the fourth, was equal to a speed of 32 1/2 statute miles. Subsequently a two hours run past the Sire and to sea took place, a speed of 24.65 knots being recorded.

NEWS OF THE WEEK.

Glenn by Telegraph and Mail.
