Skinner, Ratcliff & Co.

We take pleasure in stating to you that our spring of 1891 stock of Dry Goods is now upon our shelves

and counters. It will be a greater pleasure to have you call and examine them. A great deal was said last fall about Wm. McKinley and his fumous bill. One would have supposed that said bill was long enough to sap the very life out of the people, especially the purchasing consumer. If you will call at our store we will endeavor to disabuse your mind on this ques-

We can sell better values in Dry Goods this season for less money than they cost us last year. We are not going into a tariff or free trade argument. The goods may have been smuggled. If they were we don't know it; they came to us in the regular way. We think we have the finest display of Dry Goods ever brought to this Nation and we ask an in-
