THE W. C. T. U. held their first social gathering last Wednesday at Mrs. W. W. Miller's. There were twenty present. They had a very enjoyable time; a short programme and refreshments. The meeting was quite an enthusiastic one. A Mothers' meeting, which all friends are cordially invited to attend, will be held at the Presbyterian church study March 7th. The annual election of the W. C. T. U. occurred yesterday.

MUSKOGEE seems infected to a degree with a spirit of incendiarism and in the past month five efforts in this direction have been made. Sunday night last fire originated in a negro crap-shooting dive opposite the court house and eight houses and two tents were destroyed, the greatest loser being Bert Chandler, a Vinita boy. He lost his stock of groceries valued at $4,000 or more and insured for but $1,500. Twenty-five firms and families were burned out, the fire crossing the main street, to the east.

RULING prices of Texas cattle are shown by the advertisement of a commission firm offering cattle for pasturing in this territory as follows: 2500 San Saba, Leon, Navarro and Brown county cows at $8.75; 500 Brown county cows at $9; 700 Corryell and Hill county cows at $9; Leon county steer yearlings $7; Callahan county steer yearlings $8.25; extra Hunt county steer yearlings $8; Eastland county one, two and three year old steers $8, $12 and $16; southern Texas four year old steers $15.

THE MISTAKE of one of Salt creek's young hopefuls, aged four years, was one of the most natural in the world. He had been looking at pictures of the world's fair buildings and coming into Vinita not long since with his mamma, as the came up the hill west of town he stood upon the seat and gazing at Willie Halsell college, the new Worcester academy dormitory and the many stately new buildings on every hand, he exclaimed, "Oh, mamma! I didn't know before they had a 'Pereago' town down here."

NOVEL is a good word to use in describing the "poverty social" held at the Presbyterian church Friday night. While social ostracism was not exactly the fate of those who presented themselves in perfect garments, a fine of five or ten cents was imposed for such an indiscretion. Prizes for the hardest looking costumes present were given Miss Pearl Stokeley and Mr. Bonnell, who looked as though they had just emerged from the ragbag. Pumpkin pie, gingerbread and coffee were served.

HANDS UP was the order at two places over on the east line of the nation last week. Val. Perry and some companions were held up near Southwest City but had nothing to contribute. A day or two later a man answering the same description attempted to stop a buggy containing two men near Cherokee City. One of them, an officer from Kansas City, drew his pistol and was shot through the arm. At the first fire the horses took fright and soon carried the occupants of the buggy out of danger.

HAVING been given a school at the nation's expense the colored people of Delaware district, in this city, have at once got into a wrangle as to where it shall be. The local directors have located the school in the Baptist church and the Methodists feel that it should be in their building. Knowing very well that an amicable agreement will never be reached THE CHIEFTAIN declines to publish matter recently sent in, as no good could possibly result therefrom. You have got a school; get all the good you can out of it.

THE FIRST DOLLAR premium for best news letter was awarded last week to the correspondent from "Big Creek and Vicinity" and a check was mailed Thursday evening. All four of the letters published last week were creditable to the writers and encourage the belief that a fine line of correspondence will be secured. For the information of those who did not see the offer we will repeat it briefly. THE CHIEFTAIN invites news correspondence from every postoffice and locality in this portion of the Indian Territory and will pay one dollar each week for the best letter—interest rather than length considered.

CATTALE was the scene of not a little excitement last week occasioned by the presence of a mad dog. The dog, which belonged to Ed Billings, bit J. K. Taylor's dog, one belonging to Henry Robinson and also his son's. Mr. Taylor went out and with a poker had hard work to beat the mad dog off his own. Next day the dog was noticed coming back, making directly towards a bunch of cattle. Fortunately his course was turned before reaching them. The neighbors then turned out and killed the dog and the owners killed all of the dogs which had been bitten.

FRANK CRAIG died at his home near Bluejacket Friday night last and was buried Sunday, Rev. A. M. Clark of this city conducting the services. For some months deceased had shown unmistakable symptoms of consumption and recovery has been considered impossible for some time. Mr. Craig was a brother of Granville and was one of the prominent men of upper Cabin creek. Frank W. Craig was born in Johnson county, Mo., March 15, 1854; came to this territory in 1875 and three years later married Miss Catherine Tetrick, of Labette Co., Kan., who with five children survives him. Deceased was perfectly resigned to his fate and expressed a full belief in the power and willingness of his maker to save to the uttermost.

For sale, some extra good jacks that have proven themselves and are acclimated. Call on or address L. W Marley, Oswego, Kan.

Several persons from Vinita are going to take part in the wolf chase Saturday. It is expected that two or three hundred men will be in line.

H. C. Barritt and wife open out in the hotel business to-day in the Cook house. About the 15th they will also occupy the large building beside it.

W. S. Rountree received a dispatch Saturday calling him to Burlington, Kan., as operator and clerk for the M., K. & T. company. He went to work Monday.

As several gentleman were driving in from a party at Capt. Cobb's one night last week the buggy was tipped over and Nuck Berry received a severe cut on the head.

J. E. Wolfe's youngest child, aged two and a half years, had a well advanced case of diphtheria last Sunday when seen by a physician and its condition was regarded as critical.

Henry Drew was beaten for council by Webb Vann by eleven votes; the former got all but seven votes at this precinct. Enough of his friends in this town to have elected him, did not vote.

Call on W. G. Nelms at the mayor's office, formerly the clerk's office, in Vinita, who will procure permits. It would be wise and the part of economy to procure permits before the solicitor of the district makes his round of investigation.

Arrangements have finally been perfected and permission granted the bottling works to erect a building on the right of way at the old well near the M., K. & T. stock yards. Once established here they will do a good business when the favorable season of the year arrives.

There will be a general wolf drive next Saturday. The entire country from Cabin creek west to Pryor creek will be driven, and as far down as the town of Pryor Creek. Wyman Thompson, Ed Adair, J. C. Billings, Claude Rogers and H. Perry are the captains. Dogs and all kinds of guns, save shotguns, are barred.

One set runs the people in debt; the other would aid the suffering poor.
