THE NEWS OF THE COUNTRY. Gathered From Many Sources, Chiefly our Exchanges. J. J. McKoin, of the Quapaw mission school, has been transferred to the Albuquerque Indian school. P. C. Loomis, grand chancellor of the Knights of Pythias of Kansas, died on the 14th at Galena, his home. Henry Polson, son of the late Dr. Polson of Southwest City, was married recently to Miss Mamie Shields. A railroad is being talked of to connect the Peoria mines seven miles northwest of Seneca with the Frisco railway at that point. Democrat: Sunday word came to Chetopa that Marion Holderman had attempted suicide by taking poison. Dr. Boon was called and applied the "pump," and left him in a fair way to recover. Miss J. T. Adams, of Neosho, thus advertises: "A lady of 52 years, possessing some property, desires the address of some elderly gentleman who has a good home. Best references given and required. Triflers not answered."

wagon was carried down and lodged near the mill. Considerable excitement prevailed for some time but help arrived and those who were so unfortunate as to be located in the low ground were all carried to places of safety. A man named Watts, a night watchman at the Southwest City distillery, went home one morning last week and engaging in a quarrel with his wife shot her twice with a pocket revolver. He then ran away but was arrested before noon. Watts was an inmate of the asylum a year ago but returned home in April. The woman is severely wounded but may recover. Out at Pawhuska a man from the states proposed organizing a society known as the Golden Rule. After the house had been called to order a sham fight was engaged in during which revolvers loaded with blank cartridges cut an important figure. When the supreme house cleaner had carried out thirteen loads of smoke and an inventory could be taken the "tenderfoot" was missing. Osgood society was too lively for him. Alton Herald: Deputy Marshals Teel and Morrow at Fairland had quite an exciting time the other day. They saw a man for whom they had a writ and proceeded to swoop down upon him, but the individual, whose name is Charley Donnell, caught them in the act and sailed away. The officers gave chase, firing at the fugitive as they went. About fifteen shots were fired, and Mr. Donnell divested himself of his surplus clothing and finally dismounted and escaped on foot. The marshals gathered up Donnell's horse and saddle, coat, gun and tobacco, and returned to town. Progress: A man by the name of Herman died very suddenly at the edge of Claremore near the Valley road last week. He with another man came to our city a short time ago, all their belongings consisting of a horse and road cart. They worked on our streets several days when Herman's partner went to work for George W. Eaton on his farm, while he worked at anything he could get to do, camping on a straw bed in the woods. He had been complaining to some of the neighboring campers for some time of not feeling well and on Monday evening he went to a neighboring camp saying he had had a chill that day, taking some supper with them. The campers shortly afterwards left for town and when they returned found him dead on his bed of straw. It is supposed that he died of a congestive chill. He was buried next day. He was from Germany and the only relative that he is known to have in this country is a brother who lives in Salt Lake City. * * * Maj. Fitzpatrick, of Salina, Kan., administrator of the estate of Col. Wm. A. Phillips, was in our city this week and purchased of Dr. J. C. Bushyhead a part interest in the stone quarry on the Strip.

THE NATION'S TREASURY. Some Figures Showing its Present Condition. The Gold Reserve Steadily Climbing Up—Falling Off of Receipts in September Owing to the Withdrawal of Whisky from Bond. The Gold Reserve. WASHINGTON, Sept. 25.—The net cash in the treasury at the close of business yesterday was \$137,103,441, of which \$56,948,524 represented the gold reserve. The gold reserve has been steadily climbing upward for the past month. On August 31 it reached its lowest point in the record of the department, \$52,192,500. Since that date it has increased almost \$5,000,000 and the increase has largely allayed the fears of the treasury officials. During the past week it has increased over \$1,000,000. This increase is accounted for by the surrender of gold voluntarily by the banks and its exchange for small notes. During the past week \$219,000 of the increase is due to the purchase of bullion at Helena, Denver and Charlotte, N.C. The large increase in the output of gold in Colorado and Montana piles up the gold reserve, as it finds its way directly to the assay offices of the government. Revenue Receipts. WASHINGTON, Sept. 27.—The revenues of the government have fallen almost \$13,000,000 during the first fourteen days of this month as compared with the last half of August. The receipts from customs for the first fourteen days of this month amounted to \$9,227,000 (in round numbers) against \$6,750,000 for the last half of August, while the receipts from internal revenue were \$2,292,000, compared with \$26,634,000 for the latter half of August. The loss is due to the enormous sums paid on whisky withdrawn for consumption just before the new tariff act increasing the tax from 90 cents to \$1.10 per gallon went into effect. The receipts from internal revenue for the first fourteen days of the month declined to \$2,297,000—about \$450,000 below the normal and were not counterbalanced by an increase in the receipts from customs due to heavy importations under the reduced rates immediately following the enactment of the new law, the customs receipts increasing only about \$3,000,000. The receipts from internal revenue are now confined almost entirely to the tax paid on beer, cigars, cigarettes and tobacco, and average about \$250,000 per day, while for July and August, when so much whisky was being withdrawn, they averaged over \$1,000,000 daily. It is not expected the receipts from the tax on alcoholic spirits will reach normal again before January 1, 1895. This will have the effect, it is believed, of keeping the receipts of the treasury down to about two-thirds of the normal, or in other words to about \$22,000,000 per month until January 1. This estimate leaves out of account any large increase in the importations arising from the operations of the new tariff law. The expenditures have averaged about \$94,000,000, but without the sugar bounty, which is now a thing of the past, they will be reduced to about \$81,000,000. For the next four months it is estimated that the receipts will be about \$98,000,000 and the expenditures about \$124,000,000. Point on Pike, an annex of Murray bay, the well-known summer resort about 70 miles below Quebec, was destroyed by fire at a loss of \$80,000.

COL. LAWLER CHOSEN. The National Encampment Chooses a New Commander-in-Chief—The Resolutions Adopted—The Next Meeting Will Be at Louisville. PITTSBURGH, Pa., Sept. 14.—The contest for commander-in-chief of the G. A. R. ended yesterday morning when Col. Thomas G. Lawler, of Rockford, Ill., was by a majority of eleven votes elected over Col. L. S. Walker, of Indianapolis, Ind. The closeness of the vote was a surprise to both victor and defeated. It took forty-five minutes to cast and count the ballot of 649 delegates. Then Commander Adams announced that the vote stood: Lawler, 330; Walker, 319—the Illinois man winning by the narrow margin of eleven votes. As soon as the election was announced peals of applause rang through the opera house. When some semblance of quiet was restored Col. Walker withdrew his name and the election of Col. Lawler was made unanimous. In a brief speech the new commander-in-chief thanked his supporters, and said he would work to the utmost for the advancement of the G. A. R. Maj. A. P. Burchfield, of this city, was nominated for senior vice commander, and as there was no opposition he was elected unanimously. For junior vice commander, Corporal Tanner proposed Philip S. Higlin, but when Charles H. Shute was named by the department commander of Louisiana Higlin withdrew and Shute was elected. O. W. Meeks, of Marion, O., was without opposition and was unanimously elected senior war den. Chaplain T. C. Haggerty, of St. Louis, was elected unanimously chaplain-in-chief, his only opponent, Comrade Schardt, of Maine, withdrawing before a ballot was taken. The council of administration is as follows: Utah, C. O. Farnsworth; California, Col. E. T. Blackmer; Vermont, Ebenezer J. Ormsby; Virginia and North Carolina, A. Hager; South Dakota, Gov. Charles H. Sheldon; Delaware, Charles Zerby; Ohio, R. A. Cochran; Mississippi, F. M. Sterrett; Nebraska, J. F. Decher; New Jersey, Emanuel Sanoles; Rhode Island, Charles A. Bachner; New York, David S. Brown; Michigan, George H. Hopkins; New Mexico, Smith H. Sampson; Minnesota, Albert Scheffer; Pennsylvania, Charles W. Gerwig; Washington, C. H. Holmes; Tennessee, W. H. Veasey; Arkansas, A. D. Thomas; Iowa, Albert W. Swalm; Indian Territory, Robert W. Hill; Potomac, G. M. Husted; West Virginia, I. H. Duval; Georgia, Joseph H. Thibadeau; Kansas, O. H. Coulter; Kentucky, Charles W. Herdman; Alabama, G. H. Patrick; Wisconsin, O. W. Carlson; Illinois, H. S. Dietrick; Connecticut, Courtland S. Darrow; Arizona, T. Guthrie Savage; Indiana, W. H. Armstrong; Maryland, Dr. Hugh A. Manghlin; Massachusetts, Allison M. Kneely; New Hampshire, Samuel N. Brown. Among the resolutions adopted were the following: Whereas, The twenty-eighth national encampment of the G. A. R. has been informed of the distress that has fallen upon many comrades and wards of the order through the withdrawal of them from that province is hereby resolved that they are justly entitled, and which should always be the grateful duty of the authorities of the national government to accord. Resolved, That the Grand Army of the Republic presents to the people of the United States against the conduct of these of their public servants, more particularly at the national capital, who, without necessity, institution or valid excuse, and contrary to the repeated resolutions and assurances of the executive and legislative authorities of the government, have captured many hundreds of honorably discharged soldiers and sailors of the union army and navy, and the widows, sons and daughters of those deceased, of their employment in the public offices and establishments for the purpose of appointing or retaining other persons, destitute of the loyal and patriotic claims of these victims or of superior qualifications for the places taken from those to whom they rightfully belong. Resolved, That we view with great concern this attack upon those who, in the hour of the country's great peril, laid aside their political preferences and became defenders of the union, offering their lives to the nation to maintain its institutions and preserve the honor of its flag. Resolved, That our comrades and wards who are holding the employment under the government should have, and they have, the right to demand from the executive authorities that protection awarded them by the national legislature, and any failure on the part of those authorities to do so is a violation of the law and of patriotic principle which excites our strongest repugnance. Resolved, That inasmuch as the efforts of the national and department officers of this organization against this virtual proscription of members and wards of the G. A. R. have proved practically unavailing, an appeal is hereby made to the people of the United States for expression through the columns of the public press, the speeches and writings of public men and the proceedings of public bodies upon its occasions of the national sense of the gratitude and desire for justice toward the meritorious and patriotic soldiers and sailors whose deaths of husbands and fathers have left to the generous regard of the nation. The resolutions censuring Col. Adams' world's conflict of the pension bureau and supporting Judge Long in his contest with the pension commissioner were not adopted. The new commander-in-chief issued his first orders last night, appointing Comrade C. C. Jones, of Rockford, Ill., adjutant-general, and Comrade J. N. Burst, of Syracuse, Ill., quartermaster-general, and establishing headquarters at Rockford, Ill. Louisville, Ky., was selected as the next place of meeting. Yesterday afternoon the Women's Relief corps elected the following officers without much friction: President Mrs. Emma R. A. Wallace, Chicago; senior vice president, Mrs. Helen R. Morrison, Southport, Pa.; junior vice president, Mrs. Lizzie R. Herrick, Seattle; treasurer, Mrs. Amelia A. Cheney, Detroit; chaplain, Mrs. S. Agnes Parker, Massachusetts. Struck by a Cyclone. CHARLESTON, Mo., Sept. 14.—Two men were killed and a score of others injured, some of them fatally, in a cyclone here yesterday, during which a train was blown from the track. The dead are: Farnella Dempsey, Bertrand, Mo.; Freddie McClellan, Eldorado, Ill. A holiday under canvas can be a remarkably pleasant experience if congenial spirits compose the party, but there is a common mistake made by too many of those who take to the woods at a time when fish are the only lawful quarry. I refer to the practice of taking guns and rifles to camp when the law forbids the killing of any game. There is no harm in carrying a weapon which is not to be used, and I know cases where the fact of one being without in reach has made a lawbreaker of a man who meant no harm, but was tempted by an unexpected chance at an unlawful game. Furthermore, carrying people visiting camp and seeing gun or rifle included in the outfit are apt to conclude that it is there for use, and that the campers will have a quiet try at whatever game appears. This idea encourages the countryman to do a bit of illegitimate killing himself when he gets a chance, and the result is a bad one in reach has made a lawbreaker of a man who meant no harm, but was tempted by an unexpected chance at an unlawful game.
