HARDWARE!

There was never a time when the demand for a better class of goods was so marked. Advancement is the rule. The camp fire was followed by the fireplace and the latter by a very crude cook stove. And each served its purpose in its day and generation as the stage coach served to convey Washington and his co-patriots to the seat of government. But the stage coach has been displaced by the locomotive and the cook stove has been again superseded by the modern

STEEL RANGE....

And The GILDED BASE BURNER.

Recognizing all the signs of the times and determined that in **HARDWARE** and **FURNITURE** lines nothing should be wanting, I bought more goods this fall than any dealer ever shipped into the Indian Territory.

In stoves I call attention with pride to
