A Nightmare

Gives point to the fact that excessive or
irregular eating disturbs the digestion,
causing a night long last 17's day time
correspondence in the undue fullness
after eating, with the belchings and sour
or bitter rising to often experienced after
too heavy or too hearty eating.

Dr. Pierce's Golden Medical Discovery
cures dyspepsia and other diseases of the
stomach and its allied organs of diges-
tion and nutrition. When these diseases
are cured, the whole body shares in the
increased strength derived from food
properly digested and perfectly assimila-
ted.

—See "Golden Medical Discovery" and Dr.
Pierce's Catarrh Remedy have been of great
benefit to me. I have tried many other
of your medicine but I have not found
any other that has cured me. I am now
strong and healthy. I am now feeling
like a new man. Any one who is
troubled with indigestion or any other
disease of the stomach or its allied
organs, should at once take treatment of
Dr. Pierce's Golden Medical Discovery. It
is the only medicine that has cured me.

Sometimes a dealer tempted by the
little more profit paid on the sale of less
meritorious medicines will offer the cus-
tomer a substitute as being "just as
good" as the "Discovery." It is better
for him because it pays better, but it is
not as good for you. If you want the
medicine that has cured others, and
which you believe will cure you,
Dr. Pierce's Pleasant Pellets cleanse
the clogged system from accumulated
impurities.

A Most Liberal Offer.

All our former readers should take
advantage of the unprecedented club-
bing offer we this year make, which
includes with this paper The Live
Stock Indicator, its special Farmers'
Institute Editions and The Poultry
Farmer. These three publications
are the best of their class and should
be in every farm home. To them we
add, for local, Territory and general
news, our own paper, and make the
price of the four one year only \$1.25.

Never before was so much superior
reading matter offered for so small an
amount of money. The three papers
named, which we club with our own,
are well known throughout the West,
and comment themselves to the reader's
favorable attention upon mere
mention. The Poultry Farmer is the
most practical poultry paper for the
farmer, while The Special Farmers'
Institute Editions are the most prac-
tical publications for the promotion of
good farming ever published. Take
advantage of this great offer, as it will
hold good for a short time only. Sam-
ples of these papers may be examined
by calling at this office.

The WEEKLY CHIEFLAIN and the
above-named three papers one year
for \$1.25.

A Night Alarm.

Worse than an alarm of fire at night
is the brass cough of croup, which
sounds like the children's death knell
and it means death unless something
is done quickly. Foley's honey and
tar never fails to give instant relief
and quickly cures the worst forms of
croup. Mrs. P. L. Currier, of Man-
ning, Ky., writes: "My three year
old girl had a severe case of croup, the
doctor said she could not live. I put
a little of Foley's honey and tar, the
first dose gave quick relief and saved
her life." Refuse substitutes. For
sale by Peoples drug store.

Stranded Chocwaw.

A fallacious Chocwaw, who claims
that he was one of a delegation of
twenty, which went to Washington
recently to confer with department
officials, arrived here Friday in a
destitute condition. Very little in-
formation could be obtained from
him, owing to the failure of those to
who he applied for assistance, to ob-
tain an interpreter. The unfortun-
ate had been early frozen, and his
condition was most pitiable. It was
ascertained that his home was near
Caddo.

New Century Comfort.

Millions are daily finding a world of
comfort in Bucken's Arnica Salve.
It kills pain from burns, scalds, cuts,
bruises; cures ulcers, and fever
sores; cures eruptions, salt rheum,
beds and sores; removes corns and
warts. Best pie cure on earth. Only
25c at the Peoples and the A. W.
Foreman drug stores.

Money in "Truck."

Secretary Parker of the Commercial
club is in receipt of a communication
from A. T. Murphy, manager of the
Jean-Hurst-Hedden Produce Co. ad-
vocating the planting by farmers of
several acres of their land in garden
truck. Mr. Murphy cites interesting
illustrations of the large returns re-
ceived by Texas farmers from raising
cabbage and other vegetables, and
strongly calls the attention of the
farmers in this locality to the money
which can be made from a small
acreage. The Commercial club will
probably have Mr. Murphy address
on the question and will bring
the matter to the attention of the
farmers.

Nervous children are almost always
thin children. The "out-door-boy"
is seldom nervous. White's Cream
Vernage is the best preventive of
nervousness. It strengthens the sys-
tem and assists to that sort of flesh,
which creates strength and power of
endurance. Price, 25c, at Peoples'
drug store.

Gentlemen—I write to say that I

trouble. I cannot say too much in
favor of this remedy. I cheerfully
recommend it to all sufferers from in-
digestion or dyspepsia. Yours truly,
