#### Views on Ambition and Dyspepsia.

"Dyspepsia," wrote Eugene Field, "often incapacitates a man for endeavor and sometimes extinguishes the fire of ambition." Though great despite his complaint Field suffered from indigestion all his life. A weak, first stomach can't digest your food. It needs rest. You can only rest it by the use of a preparation like Kodol, which re-creates it of work by digesting your food. Kodol soon restores it to its normal food strength.

### THE MAN IN ARMOR

Was no match for the microbes. Giants he might slay but this microscopic organism defied him, and in many a campaign more men were destroyed by camp diseases than by the enemy's sword.

The one way to arm against microbe disease is to keep the blood pure. Impure blood both breeds and feeds disease.

The signs of impure blood are easy to read. Pimples, boils, and eruptions generally proclaim the blood to be impure. Scrofulous sores and swellings, salt-rhums, eczema, etc., are other signs of a corrupt condition of the blood.

Doctor Pierce's Golden Medical Discovery purifies the blood and cures diseases caused by the blood's impurity. It cures scrofulous sores, boils, pimples, eczema and other defiling and disgusting diseases.

It gives me great pleasure to express my faith in the value of Dr. Pierce's Golden Medical Discovery," writes Mr. Reekie, "I suffered every thing for two years with humor on my face, which baffled the care of some of the best medical men. Was at once advised to go to the hospital, but without success. Came home discouraged. Then began to doctor with a 'chemical.' He failed to help me. Then I began to use Dr. Pierce's Golden Medical Discovery, with no faith whatever in it. But it only took a few days for bottles I am entirely cured."

Frank Dr. Pierce's Common Sense Medical Advisor is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the book in paper covers, or 17 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
