CURES WORST CASES
OF CATARRH

The People's Drug Store Sells Hymel Under Guarantee That it Costs Nothing Unless It Cures.

Hymel cures the worst cases of catarrh simply by breathing the remedy through the pocket inhaler that comes with every outfit.

Stomach drugging often causes disordered digestion, and never makes a permanent cure of catarrh. Hymel not only kills the germs in the throat and nose, but penetrates to the minutest air cells in the blood and enters the blood with the oxygen, killing the catarrhal germs in the blood.

The complete Hymel outfit, consisting of a vest-pocket inhaler and medicine dropper, and a bottle of Hymel, costs only \$1. If this does not affect a complete cure, extra bottles can be obtained for 50 cents.

The People's drug store know of many people who have been cured of catarrh by Hymel. They believe in it so thoroughly themselves that they offer to refund the money if it does not cure.

The Climate's the Thing in
San Antonio

The invigorating air, dry and warm; the altitude; the perfect natural drainage—all combine to make the temperature as nearly perfect as can be. It is possible to spend most of each day, from November to March 1st, out-doors. The parks and plazas, the margins of the creeks and rivers, the groves of palm and magnolia, lose nothing of their lustrous green during the winter months.

San Antonio is, of all America, the oddest blending of modern utility and beauty with the romance and heroism of the medieval.

Come to San Antonio! The exceptionally low rates, the excellent train service and accommodations via the M. K. & T. Ry. makes it a journey of but small cost and not of tiresome length. I want you to read "The Story of San Antonio." I'll send it on request. Once read, I'm sure you'll be more than half convinced that you should be the guest of San Antonio this winter.

Mrs. O. L. James is at home this afternoon at the Cobb hotel to a large number of her friends.

The Eastern Star will not meet tonight. The next meeting will be held two weeks from tonight.

At the monthly business meeting of the Baptist church last night it was decided to build an addition to the rear of the church, in which a baptistry will be constructed. The work will be commenced at once.

The subject of a Chautauqua for Vinita this summer has been broached. Nothing definite has yet been done, but some announcements may be made soon. There is a general desire that there be a Chautauqua here again.

Rev. T. C. Carlton, of Muskogee, formerly pastor of the Baptist church there, will begin a series of meetings at the Vinita Baptist church Monday, March 12, and continuing two weeks. Mr. Carlton has had great success in Muskogee, and resigned only in order to take up evangelistic work. He will be assisted here by the pastor, Rev. H. F. Moore.

New buildings and repairs on Wilson street are so numerous that a person has to take to the middle of the road a good portion of the distance. But there's no objection; Vinita is growing and needs the room. We don't mind a few inconveniences.

Property owners on the west side of Thompson street, between Illinois avenue and South park, have about completed arrangements for the laying of sidewalks. They are badly needed, for there are already two churches on that street, and another will be there soon.

L. R. Scott has become foreman of the Chieftain, and will have entire charge of the job department. Mr. Scott is well known throughout this entire country as one of the best job men in the southwest, and with him in charge, and with his new equipment, the Chieftain will be able to turn out jobs second to none.
