LOCAL NOTES

T. L. Brown of Claremore was here today.

New fall goods are being received at the Golden Rule.

Harry Bland of Afton transacted business here yesterday.

Fresh Candy every hour at the Silvermoon Candy Kitchen.

Sanitary Plumbing, steam and hot water heating. Nipp Bros.

C. A. Barnes of Afton was a Vinita visitor yesterday afternoon.

Try some of those cream caramels at the Silvermoon Candy Kitchen.

There was a good attendance at last night's Salvation Army meeting.

D. M. Webb was here today shaking hands with old time friends.

Rev. W. F. Dunkle assisted in this morning's Salvation Army street meeting.

C. B. Rogers has been invited to make a Republican speech in the Pryor Creek district.

Mrs. J. E. Pershing and children will return tomorrow from a visit with relatives in Ohio.

Chieftain wants are little pilots that steer big things into business. Try one; only one cent a word.

A marriage license was issued yesterday afternoon to Daniel Tucker and Miss Birdie Linn, both of Catale.

A big Republican meeting will be held at Big Cabin on Saturday night, September 15. C. B. Rogers of this city will be the principal speaker.

The Cherokee National bank makes an excellent showing in its statement just called for by the comptroller of the currency. See statement published elsewhere in this issue of The Chieftain.

The school board met at 4 o'clock this afternoon at the library instead of in the Vinita National bank, the usual meeting place. Action is to be taken on the establishment of a high school.

The public sale yesterday at the F. E. Shepherd farm south of Okoee, Ben Williams auctioneer, was well attended and everything put up sold at good prices. About \$2,000 worth of property was disposed of.

The meeting for the organization of a Republican club at Midway school house in Pensacola township will be held Monday, September 10, instead of Saturday, September 15, as announced previously in The Chieftain.

A boom has been started in Blue-jacket for D. A. Wilson of that place for candidate for delegate to the constitutional convention from the Sixty-second (Afton-Grove) district. Mr. Wilson is a man with many friends, and would make a strong candidate.

Send in the Names

Grant Victor, chairman of the Republican executive committee, with headquarters at Muskogee, has made a request that the names of all officers be forwarded to headquarters in the Barnes building, Muskogee, at once, as Republican literature is almost ready for distribution.

Wagoner County Fair

Wagoner I. T. will hold its first Annual Fair September 26 to 29th inclusive. Liberal premiums are offered in all departments and every-thing points a most successful meeting. In connection with the fair will be a street fair, daily balloon ascensions and all sorts of attractions to please the people. For further information add res

No one would buy a sailboat with sails that could not be reefed. There is always that possibility of a little too much wind that makes a cautious man afraid to go unprovided. The thinking man, whose stomach sometimes goes back on him, provides for his stomach by keeping a bottle of Kodol For Dyspepsia within reach. Kodol digests what you eat and restores the stomach to the condition to properly perform its function. Sold by Peoples Drug Store.

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by Peoples Drug Store.
